**Alien Rebel's Fake Bride** Miranda Martin, 2021-06-30 Crystal Truth be told I've always been a little jumpy but being kidnapped by aliens shoved my anxiety into high gear They buy and sell us Earth girls like chattel Stealing us from our dying planet and keeping us on lockdown until they're ready to trade us away When my fellow humans and I are rescued by the savage Draconian Warriors things get better but we're not free So the other women leverage me into mating one of the

Draconians in a grand scheme to take over the ship I m nothing if not a team player but why did it have to be the huge scarred one who s as socially awkward as I am Deceiving these brutal warriors seems like a really bad idea the kind that could cause a small human like me to wind up dead or worse desperately in love with a massive winged and tailed alien Drake I live for nothing more than starting a revolution among my Draconian brethren I will set us free at long last from the misery of our Draconian Queens who have been driven insane by a parasite I don t have time or desire to rescue the human Queens but my brother insists When one of them lays claim to me I m suspicious She panicked at the mere sight of me during the rescue and only hours later she selected me for her mate I m no fool She s a wily one talking and squirming her way past my defenses She s soft beautiful and scents like a goddess but I can t let her ruin my people s only chance at freedom Somehow I have to make her my Queen and set my people free Children of the Comet Donald Moffitt,2015-10-13 From the visionary author of The Genesis Quest a wildly imaginative Greg Bear science fiction novel about a young man s struggle for survival on a comet made of ice In Donald Moffitt s brilliant cosmic adventure Torris son of the Facemaker knows only his small community at the base of the great Tree on a comet with almost no gravity or atmosphere Torris s daily struggle for survival includes harvesting frozen air to keep breathing dodging flutterbeasts and hunting meatbeasts for food When the time comes to make his vision quest to the top of the Tree Torris is completely unprepared for what he finds a thieving and hostile fellow quester Ning a female hunter in search of food to save her family on a neighboring comet and humans from a massive starship that has spent billions of years crossing the galaxy from Earth s solar system Perfect for fans of Arthur C Clarke Larry Niven and Peter F Hamilton Children of the Comet is an enthralling space odyssey about a young man grappling with unexpected cultural differences and learning to adapt in the face of an uncertain and rapidly changing fantastical future

**Harper's New Monthly Magazine** Henry Mills Alden,1878 Harper s informs a diverse body of readers of cultural business political literary and scientific affairs **Sullied Bride** Jasmine Andrews,2016-02-09 It s been the greatest murder cover up of all time He didn t make it look like an accident or perfectly conceal the evidence All he did was wait silently as the circumstances closed in on her and let her fall into the trap Eve ate the deadly fruit while Adam didn t say a word The results were the greatest human tragedy of all time the invention of death itself And although he participated in the sin himself in the cover up for his plot he shifted the blame to the woman Effectively for generation after generation people have believed this lie and half the population remains shamed blamed and oppressed because of it However investigation into the scriptures reveals a new light into this story It shows a callous deception and betrayal during a war over the souls of

humanity The lies and the truth are separated as God's plan is revealed with a covenant made with Eve's seed Women have been under attack in an attempt to take control of that seed to steal from her the promised inheritance from God but there also remains a plan for women to overcome their enemies and arise as the warrior bride John Hunt Morgan and His Raiders Edison H. Thomas, 2014-04-23 Whether one thinks of him as dashing cavalier or shameless horse thief it is impossible not to regard John Hunt Morgan as a fascinating figure of the Civil War He collected his Raiders at first from the prominent families of Kentucky though later the exploits of the group were to attract a less elite class of recruits Morgan was able to lead these men into the most dangerous adventures by convincing them that the honor of the South was at stake yet he did not always succeed in appealing to that sense of honor when temptations of easy theft drew the Raiders from military objectives to wanton pillage In John Hunt Morgan and his Raiders Edison H Thomas gives us a balanced view of these controversial men and their raids In a fast paced narrative he follows the cavalry unit for the evening the first group set out from Lexington to join the Confederate forces until the morning of Morgan's death in Greeneville Tennessee Basil Duke St Leger Grenfell Lightning Ellsworth and the beautiful Martha Ready all receive their due and the truly remarkable story of the Raiders newspaper is told A special contribution is the insight this account offers into the disruption of rail communications carried out with such enthusiasm by Morgan and his men Thomas study of the railroad records of the period has enabled him to present this part of the Raiders story with rare detail and understanding **Driving the Samburu Bride** Diane C. Perlov, 2020-11-11 *Driving the Samburu Bride* is a vivid account of a young anthropologist working in northern Kenya revealing insights into the Samburu culture and the culture of doing anthropology With engaging irony and a storyteller's gift the author takes the reader through the frustrating productive and occasionally euphoric stages of fieldwork Along the way Perlov connects theory and practice and recounts the evolution of her Samburu friendships forged over decades including the discovery of her unwitting impact on Samburu girls *The Bride's Gift* Raine Cantrell, 2014-07-15 Raine Cantrell is a superb storyteller whose remarkable talent for recreating the West will hold you enthralled RT Book Reviews Nicholas Dowling's mail order bride is not what he'd hoped for she's too young too delicate and far too superstitious for a pragmatic man like himself But not even Brianna's untamable spirit can't cast a shadow over her luminous beauty and before long the blaze of their attraction grows into something neither one of them was expecting Why We Love Pirates Rebecca Simon, 2020-11-24 A historian presents an excellent guide to how pirates became the outlaw celebrities of the high seas Greg Jenner host of the *You're Dead to Me* podcast During his life and even after his death Captain William Kidd's name was well known in England and the American colonies He was infamous for the very crime for which he was hanged piracy In this book historian Rebecca Simon dives into the details of the two year manhunt for Captain Kidd and the events that ensued Captain Kidd was hanged in 1701 followed by a massive British led hunt for all pirates during a period known as the Golden Age of Piracy Ironically public executions only increased the popularity of pirates And because the American colonies relied

on pirates for smuggled goods such as spices wines and silks pirates tended to be protected from capture This is the story of how pirates became popularly viewed as Robin Hoods of the Sea and how these historical events were pivotal in creating the portrayal of pirates as we know them today Only someone who has lived in the shadows chasing faded pirates for an age and is blessed with creativity can pull off a book of this high caliber Wreck Watch Magazine

**Chimpanzees, War, and History** R. Brian Ferguson, 2023 The question of whether men are predisposed to war runs hot in contemporary scholarship and online discussion Within this debate chimpanzee behavior is often cited to explain humans propensity for violence the claim is that male chimpanzees kill outsiders because they are evolutionarily inclined suggesting to some that people are too The longstanding critique that killing is instead due to human disturbance has been pronounced dead and buried In Chimpanzees War and History R Brian Ferguson challenges this consensus Bringing readers on a journey through theoretical struggle and clashing ideas about chimpanzees bonobos and evolution Ferguson opens new ground on the age old question are men born to kill

**The Unvanquished** Patrick K. O'Donnell, 2024-05-07 From the bestselling author of The Indispensables the unknown and dramatic story of irregular guerrilla warfare that altered the course of the Civil War and inspired the origins of America's modern special operations forces The Civil War is most remembered for the grand battles that have come to define it Gettysburg Antietam Shiloh among others However as bestselling author Patrick K O'Donnell reveals in The Unvanquished a vital shadow war raged amid and away from the major battlefields that was in many ways equally consequential to the conflict's outcome At the heart of this groundbreaking narrative is the epic story of Lincoln's special forces the Jessie Scouts told in its entirety for the first time In a contest fought between irregular units the Scouts hunted John Singleton Mosby's Confederate Rangers from the middle of 1863 up to war's end at Appomattox With both sides employing pioneering tradecraft they engaged in dozens of raids and spy missions often perilously wearing the other's uniform risking penalty of death if captured Clashing violently on horseback the unconventional units attacked critical supply lines often capturing or killing high value targets North and South deployed special operations that could have changed the war's direction in 1864 and crucially during the Appomattox Campaign Jessie Scouts led the Union Army to a final victory They later engaged in a history altering proxy war against France in Mexico earning seven Medals of Honor many Scouts mysteriously disappeared during that conflict taking their stories to their graves An expert on special operations O'Donnell transports readers into the action immersing them in vivid battle scenes from previously unpublished firsthand accounts He introduces indelible characters such as Scout Archibald Rowland Scout leader Richard Blazer Mosby the master of guerrilla warfare and enslaved spy Thomas Laws O'Donnell also brings to light the Confederate Secret Service's covert efforts to deliver the 1864 election to Peace Democrats through ballot fraud election interference and attempts to destabilize a population fatigued by a seemingly forever war Most audaciously the Secret Service and Mosby's Rangers planned to kidnap Abraham Lincoln in order to maintain the South's independence A little known chronicle of the shadow war between North

and South rich in action and offering original perspective on history *The Unvanquished* is a dynamic and essential addition to the literature of the Civil War

**A Son to Me** Peter J. Leithart, 2003 Peter Leithart's typological reading of the unified book of 1 and 2 Samuel unleashes the literary power of this key Old Testament narrative By giving careful attention to the book's literary structures and its patterns of types and antitypes the symbolic world of Samuel reveals a cumulative and cohesive story Leithart's reading of Samuel enhances our understanding of New Testament Christology and gives us a framework for applying the Old Testament to our own lives as the book comes alive as a tragic and beautiful story of the rebirth of Israel in difficult times

**Kalashnikov Culture** Christopher Carr, 2008-07-30 This work is a bridge between the failed weak states literature and that which examines issues relating to small arms proliferation Carr investigates the cultural impact of the availability of these easy to come by weapons This cultural dynamic has a direct and deadly impact on issues such as arms control illegal and illicit trading gun cultures the nexus between criminality and militia warfare and the social impact of arms proliferation and the struggle for weak states who attempt to govern The case studies will appeal to those with regional or comparative interests Although the tone is academic the topics and the subject matter will make this book of interest to those outside of the academic community The work takes the form of alternating chapters in which elements of Kalashnikov enculturation for example the peculiar forms of aberrant economic activity that exist within Kalashnikov cultures are paired with chapter length mini case studies such as that dealing with armed gang movements in Jamaica Papua New Guinea and Brazil The whole work is bounded by the contention that under certain conditions heavily weaponized societies create their own milieu which in turn gives rise to communities that find ways to survive and sometimes thrive within an ambiance of chronic insecurity
