**The Opening of the Third Eye** Dr. Douglas M. Baker, 2014-03-02 The Opening of the Third Eye The human brain is a priceless computer lying perfectly maintained but almost silent None of us uses the full potential of this amazing instrument yet we all possess a secret trigger for activating its mechanism Called the Third Eye in occult language this trigger can release a vortex of psychic energy for the extension of awareness in new dimensions for speeding up or slowing down time as experienced on our planet and achieving one hundred per cent personality integration Dr Baker reveals that the Third Eye derives its power from the pineal pituitary and carotid glands allied to whirlwinds of energy known as chakras or force centres There are seven of these centres in the human body their physical location being the base of the spine the solar plexus the spleen the heart the throat the brow and the top of the head Five safe techniques for arousing the Third Eye are provided They have been practised by the author without hazard and with many rewards for over forty years In our present condition we can only observe the outer surface of the planet manifesting in gaseous liquid and solid form We are completely unaware of the subtler states of matter beneath these outward appearances But the Third Eye reveals all underlying structures This means that one could observe the termites in apparently solid wooden paneling or more constructively man's inner organs could be observed and all traces of disease in them immediately recognised with consequent enormous benefits to medical progress

cycle of Venus inferior conjunctions the so called 2nd order cycle of the planet In her timely and much needed work Firegazing Gail has brilliantly outlined the meaning and import of these cycles and the deeper meaning of a planet that often only receives a passing notice in astrology yet is so intimately connected with our own lives and what it is to be human When Venus passes across the face of the solar orb we are given opportunity to gaze into the very fire of the soul itself Well done Gail Malvin Artley
