Shadow and the Tablets of Fate John Cicero, 2006-03-09 Rainbows Shadow and the tablets of fate is an adventure fantasy tale about two novels Rainbow Alley and The Sorcerers Shadow which have been mysteriously melded together creating an alternative dimension that has begun to write itself The first novel Rainbow Alley is a mythical and magical novel of pure paradise as told and written by Joseph Collins to his grandson Will Collins The second novel The Sorcerers Shadow is an adventure filled novel full of evil sorcery and mayhem spewed throughout its pages and is the favorite story of Wills brother Bryan Collins As these two novels unify they become more than mere pages as a blend of good and evil begin to emerge into reality Rainbow Alley is a surreal paradise Grandpa Joe has claimed to actually visited when he was younger It can only be accessed through a golden portal by bringing four critical elements together One magical night as the four elements are sought to come together to gain access to Rainbow Alley the unthinkable happens By accidentally placing The Sorcerers Shadow novel underneath the Rainbow Alley novel during the joining of only three of the four critical elements Bryan has unknowingly set off the melding of these two stories This creates their access to a new story and a land unlike anything the boys could ever imagine However this access would prove to be near fatal for Grandpa Joe as he is stricken by a mythical force that sends him into a mysterious coma Will and his best friend and neighbor Jimmy Foster set off on a journey through the golden portal and into the merged stories in an effort to save his stricken grandfather While in this new and sometimes foreboding and pleasurable land Will is driven by a voice claiming to show him the way to heal his grandfather What the boys encounter is incomprehensible as they experience a blend of paradise infiltrated by evil sorcery and mayhem first hand

Their heroic and often mischievous deeds will make you laugh and bring you to tears Through their eyes we witness the heartbreak resilience and beauty that is Africa *Publications of the Virginia War History Commission: Virginia war letters, diaries and editorials* Virginia War History Commission,1925 [Publications of the Virginia War History Commission](#) Virginia War History Commission,1925 **Douglas MacArthur** Arthur Herman,2017-03-28 A new definitive life of an American icon the visionary general who led American forces through three wars and foresaw his nation s great geopolitical shift toward the Pacific Rim from the Pulitzer Prize finalist and bestselling author of Gandhi Churchill Douglas MacArthur was arguably the last American public figure to be worshipped unreservedly as a national hero the last military figure to conjure up the romantic stirrings once evoked by George Armstrong Custer and Robert E Lee But he was also one of America s most divisive figures a man whose entire career was steeped in controversy Was he an avatar or an anachronism a brilliant strategist or a vainglorious mountebank Drawing on a wealth of new sources Arthur Herman delivers a powerhouse biography that peels back the layers of myth both good and bad and exposes the marrow of the man beneath MacArthur s life spans the emergence of the United States Army as a global fighting force Its history is to a great degree his story The son of a Civil War hero he led American troops in three monumental conflicts World War I World War II and the Korean War Born four years after Little Bighorn he died just as American forces began deploying in Vietnam Herman s magisterial book spans the full arc of MacArthur s journey from his elevation to major general at thirty eight through his tenure as superintendent of West Point field marshal of the Philippines supreme ruler of postwar Japan and beyond More than any previous biographer Herman shows how MacArthur s strategic vision helped shape several decades of U S foreign policy Alone among his peers he foresaw the shift away from Europe becoming the prophet of America s destiny in the Pacific Rim Here too is a vivid portrait of a man whose grandiose vision of his own destiny won him enemies as well as acolytes MacArthur was one of the first military heroes to cultivate his own public persona the swashbuckling commander outfitted with Ray Ban sunglasses riding crop and corncob pipe Repeatedly spared from being killed in battle his soldiers nicknamed him Bullet Proof he had a strong sense of divine mission Mac was a man possessed in the words of one of his contemporaries of a supreme and almost mystical faith that he could not fail Yet when he did it was on an epic scale His willingness to defy both civilian and military authority was Herman shows a lifelong trait and it would become his undoing Tellingly MacArthur once observed Sometimes it is the order one disobeys that makes one famous To capture the life of such an outsize figure in one volume is no small achievement With Douglas MacArthur Arthur Herman has set a new standard for untangling the legacy of this American legend Praise for Douglas MacArthur This is revisionist history at its best and hopefully will reopen a debate about the judgment of history and MacArthur s place in history New York Journal of Books Unfailingly evocative close to an epic More than a biography it is a tale of a time in the past almost impossible to contemplate today as having taken place with MacArthur himself as a figure perhaps too remote to understand but all the more important to encounter The New Criterion

With Douglas MacArthur American Warrior the prolific and talented historian Arthur Herman has delivered an expertly rendered compulsively readable account that does full justice to MacArthur's monumental achievements without slighting his equally monumental flaws Commentary *Cren and the War of Seven Days* Tavish Nanda, 2008-12 Enter a world where fantasy and reality collide as one boy fights to restore color to a world rapidly succumbing to darkness no matter the consequences Leading an army into battle Jamie grows from a clueless earthling to a limitless warrior But is it enough to save the mission the Rainbows and color itself **Rainbow's Shadow and the Covenant of Wisdom** John Cicero, 2010-03 Rainbow's SHADOW and the Covenant of Wisdom Rainbow's Shadow and the Covenant of Wisdom picks up where Rainbow's Shadow and the Tablets of Fate leaves off Will Jimmy and Bryan are back to their normal lives until Will is rushed to the hospital with a bizarre case of vertigo With his head spinning like a top and dreams of his grandfather back in full force Will is convinced he is being called back to Rainbow Alley for something big He has secretly tried to gain access back into the portal for months and his failed attempts to open the vortex have frustrated him beyond belief Convinced the portal is permanently closed Will sits in his hospital room confused It was temptation which lured Bryan to take the shiny black stone as a souvenir from Rainbow Alley Little did he know he had provided a way for evil to rejuvenate As he admires the shiny black stone he finishes reading yet another Sorcerer's Shadow novel entitled The Pirate's Revenge With the book resting up against the stone and another novel entitled The Island Where Magic Began it only takes a few seconds for the evil forces of the Sorcerer's Shadow to emanate from the stone and open the portal As the two novels meld together and the portal opens Will finds himself confronted by an eccentric messenger who instructs him to return the stone Once the stone is returned the Covenant of Wisdom will be revealed and provide the necessary knowledge to open the path to true paradise Will and Jimmy find themselves on a new journey into a surreal world as they find access into the portal and into a new adventure Their mission at first is to save Bryan but quickly transforms into a quest for all mankind **Old Soldiers Never Die** Geoffrey Perret, 1996 In the first cradle to grave biography of MacArthur in nearly 20 years Perret reveals new information and offers fresh insights into this landmark figure of American history From his obsessive interest in becoming the most highly decorated soldier in American history to his disastrous flirtation with presidential politics MacArthur is revealed warts and all of photos Devil Emperor Pampers Loser Princess Yu Qiao, 2020-09-28 She was a top assassin in the 21st century It was the trash the Third Young Miss that the people of Zi Yue despised He was the master of the Blood Underworld He was incomparably handsome talented cold domineering and incomparable to a woman Everyone in the world had insulted her as a worthless trash He was the only one who had seen through everything He treated her like a priceless treasure that he would never abandon She also vowed to take his hand and experience the world And let's see how they will step up to the peak of the world step by step and look down on the whole world A certain woman with a head full of black lines looked behind her eagerly chasing after her A certain man with a face full of smiles the corner of his mouth twitched Are you sure

Hutu Rebels Anna Hedlund, 2019-10-04 In 1994 almost one million ethnic Tutsis were killed in the genocide in Rwanda In the aftermath of the genocide some of the top echelon Hutu officers who had organized it fled Rwanda to the eastern Congo DRC and set up a new base for military operation with the goal of retaking power in Kigali Rwanda More than twenty years later these rebel forces comprise a diverse group of refugees rebel fighters and civilian dependents who operate from mountain areas in the Congo forests and have a long and complex history of war and violence While media and human rights reports typically portray this rebel group as one of the most brutal rebel factions operating in the eastern Congo region Hutu Rebels paints a more complex picture Having conducted ethnographic fieldwork in a rebel camp located deep in the Congo forest Anna Hedlund explores the micropolitics and practices of everyday life among a community of Hutu rebel fighters and their families living under the harshest of conditions She describes the Hutu fighters not only as a military unit with a vision of return to Rwanda but also as a community engaged in the present Congo conflicts Hedlund focuses on how fighters and their families perceive their own life conditions how they remember and articulate the events of the genocide and why they continue to fight in what appears to be an endless conflict Hutu Rebels argues that we need to move beyond compiling catalogs of atrocities and start examining the ordinary life of combatants if we want to understand the ways in which violence is expressed in the context of a most brutal conflict

Confessions of a Weekend Warrior Brig. Gen. Paul “Greg” Smith, US Army (retired), 2024-06-06 America’s National Guard was once considered a ragtag gaggle of pretend soldiers Beginning in the 1980s the National Guard gradually transformed into today’s highly flexible operational force that answers our nation’s call for overseas combat deployments as well as domestic emergencies that run the gamut from lifesaving disaster responses to staffing Covid clinics Brigadier General Paul Greg Smith describes his personal journey during these years from a callow cadet to a committed commander leading military forces in response to the 2013 Boston Marathon bombings Smith gives a humorous gritty and sometimes touching glimpse into the inner workings of this unique military organization while offering portraits of the men and women who serve as the minutemen of our age His reflections on service duty and the complexities of command will enlighten anyone who seeks to better understand the challenges of leadership
