## **Rainbows Through Tears:**

Promise of the Rainbow Through My Tears Richard Claude Valdez, 2011-06-22 Promise of the Rainbow Through My Tears is a collection of romantic lyrical and metaphysical poems together with songs and ballads. The themes are a roving vagabond's stroll amongst images, scenes and telling experiences. Some reflect profound memories, pleasant and unpleasant, seen through the eyes of childhood and adolescence. Some are filled with a young man's romance and ripe with rhyme and imagery. While others are introspective and searching, an old man's coming to grips with his mortality. Above all, these poems tell the story of life's journey from the cradle along the dream of life to the grave and beyond. The poems themselves are not divided into any particular order or theme; they roam much like the author's experiences and gather their own rhythm as their theme dictates. Although the poetic style of rhyme is not popular in modern poetry, much can be found throughout this collection, which accents the author's nonconventional approach to his work. What is evident though is the varied themes reflected in this volume, which suggests that any reader will find some poem or line that would draw on his or her personal experience.

Rainbows Through Tears Eva H. Groce, 1979-01-01      **The Rainbow Through The Rain** Elvi Rhodes, 2012-01-31  
Perfect for fans of Kitty Neale, Rosie Goodwin and Dilly Court, this is an emotional and powerful saga by multi-million copy seller Elvi Rhodes. READERS ARE LOVING THE RAINBOW THROUGH THE RAIN. I cannot tell you how much I have enjoyed this book. Reader review: Thoroughly enjoyed this book. Reader review: Excellent read. I love all Elvi Rhodes books. Reader review: AS THE STORM CLOUDS OF WAR GATHER, WILL HER LIFE BE THE ONE SHE DREAMED OF? The Brogdens are one of Chalywell's most important families; their antique business is famous for its beautiful furniture and pictures. But the most beautiful and valuable thing in Old Jacob Brogden's life is his granddaughter, Lois, for Lois reminds him of the daughter he had lost so tragically many years ago. When Lois falls in love with John Farrar, the whole family is dismayed, for between Jacob and the Farrars lies a deep and abiding feud that can never be mended. Lois, conscious of the storm clouds of war gathering over her future, determines that nothing and no one should come between her and her beloved John. But as war breaks out and families are torn apart, Lois finds her life changing irrevocably. Rainbows in the Mud Paul Maunder, 2017-08-10. Cyclocross is no longer cycling's hidden gem. Its rapid growth in the USA and UK means this intense and dramatic sport is exploding into the mainstream. With a season running from September to February, cyclocross is cycling's only purely winter discipline, demanding a combination of athleticism, supreme technical skill and ruthless tactics for the muddy conditions. In the sport's heartland of Belgium, major races attract crowds of thousands and have a carnival atmosphere fuelled by heavy drinking, ringing cowbells and pumping airhorns. Many top riders have enthusiastic fanclubs and are national celebrities; one even had his own reality TV show. On race day, Belgian and Dutch television coverage is akin to a major football match in the UK, stretching for hours with prerace interviews, pundits and behind-the-scenes films. In Rainbows in the Mud, Paul Maunder spends a season soaking up the sport's rich culture and history and mixing with the obsessive fans.

celebrity riders and old fashioned patriarchs of the sport Following the riders novices veterans American British as they slog their way through the season he captures the spirit of this flamboyant cult sport and paints a picture so vibrant you can almost feel the mud under your feet and taste the beer mulled wine and frites The Rainbow Through the Rain Hugh Cameron,Edna Quammie,2020-02-10 Sheila was born in Toronto into a cold unemotional family where she was an unexpected and not entirely welcome afterthought Seeking parental attention she embarked on a self destructive path Eventually after many missteps she pulled herself together emigrated to the US got a student loan and graduated as a nurse To pay her student loans she joined the US military During her deployment to Afghanistan she was exposed to unspeakable horrors She fell in love with an army surgeon who had his own emotional problems In spite of suffering from obvious post traumatic stress disorder she resisted being invalided home in order to remain with him Attempting to rescue a child being sexually abused she accidentally killed a man In consequence she was given an other than honorable discharge OTH by the military Suffering from PTSD and addiction problems which she painfully overcame she obtained work in a nursing home where she fell under the spell of one of the residents who had a world weary cavalier view of life and who talked her into mercy killings the first of which was to protect him from a demented violent resident She eventually reunited with her lover who had also been discharged from the military They were beginning to settle down when through a tangled series of events she was arrested for the mercy killings and was jailed After she was freed from jail they reunited and lived quietly and happily for a time before becoming involved in a violent denouement in a terrorist hostage situation At heart this is a love story filled with all the dilemmas and uncertainties of death and the vicissitudes of life I love thee with the breath smiles tears of all my life And if God choose I shall but love thee better after death *Poems by Dorothy* Dorothy Lee Norris,2008-09 Can you believe that accounting can be made incredibly easy to study and learn Fundamentals of Accounting Basic Accounting Principles Simplified for Accounting Students will be to achieve what many accounting books failed to accomplish Students who use this book will develop a fondness for accounting before the semester is over because they will find out that accounting is not difficult to learn after all Oftentimes students demonstrate a natural anxiety about absorbing accounting knowledge Accounting involves mathematics another subject disliked by many students Mathematics and analyses are necessary in learning accounting The book discusses and presents accounting principles and concepts in lay man s terms using simple day to day terminologies Definitions are always amplified by examples familiar to students The steps in the accounting process are discussed using the same illustration problem from chapter to chapter so that the student can connect the relationship of the steps in the accounting process Being a basic accounting textbook the book will provide students with a solid and strong basic accounting knowledge to better equip them to tackle more advanced accounting courses Accounting as a field of study is progressive accounting knowledge is learned in stages what is learned in basic accounting is used and applied in more advanced accounting courses Consequently if a student has a weak basic accounting foundation he will have difficulty
