*Rainy Day Baseball Ga* Edith Reiter, Harriet Swerdlick, 1990      **Baseball's Longest Games** Philip J. Lowry, 2010-04-23  
Baseball is the only major team sport that doesn't feature a clock and there's a familiar saying among fans that as long as outs remain the game can theoretically go on forever Every now and again it nearly does as author Phil Lowry demonstrates The product of more than four decades of research this book catalogs baseball games from around the world and throughout history that lasted 20 or more innings stretched five or more hours or ended after 1 00 am Lowry also examines probability models to predict how often games of unusual length will occur      *The Golden Ticket* Lance Fortnow, 2017-02-28 The computer science problem whose solution could transform life as we know it The P NP problem is the most important open problem in computer science if not all of mathematics Simply stated it asks whether every problem whose solution can be quickly checked by computer can also be quickly solved by computer The Golden Ticket provides a nontechnical introduction to P NP its rich history and its algorithmic implications for everything we do with computers and beyond Lance Fortnow traces the history and development of P NP giving examples from a variety of disciplines including economics physics and biology He explores problems that capture the full difficulty of the P NP dilemma from discovering the shortest route through all the rides at Disney World to finding large groups of friends on Facebook The Golden Ticket explores what we truly can and cannot achieve computationally describing the benefits and unexpected challenges of this compelling problem      **All You Need Is a Pencil: The Rainy Day Activity Book** Joe Rhatigan, 2014-04-08 Rain rain go away actually after seeing this activity book kids will say Rain rain please STAY It's so chock full of fun things that it won't matter what the weather is like Children will never be bored when they can create a drawing of what a rooster might look like as a robot finish silly sentences and solve mini crosswords Or maybe they'll lose their marbles playing the Lost Your Marbles word search game Budding fashionistas can design a t shirt on the page and maybe a real one while future rock n roll stars can pick the perfect band name by picking from a word list or by randomly choosing phrases from the dictionary A few games are meant for two just in case a friend's around With tongue twisters to make you snort off with its head fill ins where you chop off the first letter and classic riddles and conundrums you won't care how hard it pours      **Broadcasting and Televising Baseball Games...** United States. Congress. Senate. Committee on Interstate and Foreign Commerce, 1953      **Memories of a Georgia Teacher** Martha Mizell Puckett, 2002 While Puckett offers a valuable perspective on schooling in the twentieth century rural South she also captures the essence of daily life in the communities in which she taught We read of how she sometimes boarded with the parents of her pupils of how teachers students and parents joined together in observance of holidays and of how schooling managed to continue through the busy growing seasons Personal details of Puckett's life also emerge from her relationship with her parents to her life at home with her husband and their eight children      Broadcasting and Televising Baseball Games United States.
