Raise Your Voice Jaime Vendera, 2007 The owner's guide to the voice this book will help you develop an understanding of the voice and how it works

Multivocality Katherine Meizel PhD, 2020-01-02 Multivocality frames vocality as a way to investigate the voice in music as a concept encompassing all the implications with which voice is inscribed the negotiation of sound and Self individual and culture medium and meaning ontology and embodiment Like identity vocality is fluid and constructed continually even the most iconic of singers do not simply exercise a static voice throughout a lifetime As 21st century singers habitually perform across styles genres cultural contexts histories and identities the author suggests that they are not only performing in multiple vocalities but more critically they are performing multivocality creating and recreating identity through the process of singing with many voices Multivocality constitutes an effort toward a fuller understanding of how the singing voice figures in the negotiation of identity Author Katherine Meizel recovers the idea of multivocality from its previously abstract treatment and re embodies it in the lived experiences of singers who work on and across the fluid borders of identity Highlighting singers in vocal motion Multivocality focuses on their transitions and transgressions across genre and gender boundaries cultural borders the lines between body and technology between religious contexts between found voices and lost ones

Detert,2009-12-16 Poetic Parables Songs and Poems from an imperfect pen is the first attempt at publishing for the author composer Vickie L Detert With the Lord and his gifts as inspiration there are many more works waiting their turn to be shared Their message of faith forgiveness strength hope and love have been blessings to Miss Detert and others Now her prayer is to share them with as many as God is willing and she trusts He will guide them through each and every word An added bonus to the music portion of this book is that each song is presented twice The first presentation is as melody chords and lyrics The second is with a piano accompaniment In most of the later you will also find the pieces are written in a slightly lower key thus giving the singers a choice of range Miss Vickie L Detert has been a life long Christian who has as most Christians faced many of life s challenges with her God given faith being the answer the hope and the strength she has needed As far back as she can remember music and faith have walked hand in hand and so despite being convinced at a young age that writing was not one of her gifts it was not surprising that in 1978 she began writing and composing pieces reflective of her faith As a music teacher and church musician Miss Detert has shared much of her writings with friends family and local congregations Now she hopes the Lord will use this book to reach out and bless all of those who are moved to open it s cover and look within Her wish is that God use her work to bring others closer to Him as it has done for her **A book of psalmody, containing tunes** John Chetham,1741 **A Book of Psalmody ...
