Right Woman:

A Woman's Right to Choose Pasquale De Marco, 2025-08-12 *A Woman's Right to Choose* is the definitive history of feminism in the United States. Drawing on a wealth of primary and secondary sources, Pasquale De Marco traces the movement's origins in the early 19th century to its present-day manifestations. *A Woman's Right to Choose* is a comprehensive and engaging account of the feminist movement. It covers a wide range of topics, including the Seneca Falls Convention, the abolitionist movement, the suffrage movement, the Progressive Era, the New Woman, the Great Depression, and World War II, the second wave of feminism, and contemporary feminism. Pasquale De Marco argues that feminism is a complex and multifaceted movement that has been shaped by a variety of factors, including social, economic, and political changes. She also emphasizes the importance of intersectionality, arguing that feminism cannot be fully understood without taking into account the experiences of women of color, LGBTQ women, and women with disabilities. *A Woman's Right to Choose* is a valuable resource for anyone who wants to learn more about the history of feminism. It is well-researched and clearly written, and it provides a comprehensive overview of the movement. The book is also engaging and thought-provoking, and it is sure to spark discussion and debate. Whether you are a student, a scholar, or simply someone who is interested in the history of feminism, *A Woman's Right to Choose* is the perfect book for you. It is a comprehensive, engaging, and thought-provoking account of one of the most important social movements in American history. *A Woman's Right to Choose* is available now from all major booksellers. If you like this book, write a review.

A Woman's Right to Culture Linda L. Veazey, 2015-11-01 *A Woman's Right to Culture: Toward Gendered Cultural Rights* is a new and insightful analysis of the usual meme that cultural rights in international law are at odds with the rights of women in affected societies. Rather than seeing these concepts as mutually exclusive, Linda Veazey frames cultural rights through detailed case studies and analysis of law in a way that incorporates and enriches the very gender-protective norms they are often thought to defeat. Adding a Foreword by University of Southern California professor Alison Dundes Renteln, the study makes the case and supports it with illustrations over several continents and cultures that the only way out of the dilemma is to have a gendered conception of cultural rights. The book writes, Renteln provides a novel interpretation of women's human rights. This superb monograph, written by political scientist and human rights advocate Dr. Linda Veazey, is cutting-edge research in sociolegal scholarship concerning the status of global feminism. Renteln concludes that the author shows convincingly that scholars and advocates must take greater care in analyzing policy debates in the light of competing international human rights claims. In her engaging work, Veazey makes an important contribution to legal theory, public law, feminist studies, political science, and human rights scholarship. Her fascinating analysis of the interrelationship between women's rights and cultural rights will undoubtedly be considered a classic. There is simply no book like it. A new and important book in international human rights and gender studies from the independent academic press, Quid Pro Books.

A Woman's Right to Choose: Exploring Reproductive Freedom and

Autonomy Pasquale De Marco, 2025-07-12 *In A Woman's Right to Choose Exploring Reproductive Freedom and Autonomy* we delve into the complexities of abortion rights acknowledging the profound impact it has on individuals communities and societies as a whole This comprehensive exploration takes a multifaceted approach examining the historical legal ethical and social dimensions of abortion Expert voices and personal narratives converge to provide a nuanced understanding of the issues at stake We trace the evolution of reproductive rights acknowledging the struggles triumphs and setbacks that have shaped the current landscape The book explores the intricate interplay between abortion and public health highlighting the significance of safe and accessible abortion services for the well being of individuals and communities The ethical considerations surrounding abortion are also thoroughly examined shedding light on the interplay of religious beliefs personal values and societal norms The dynamic relationship between the pro choice and pro life movements is also scrutinized revealing the passionate convictions and strategies employed by both sides in this highly charged debate Furthermore the book investigates the intersections of abortion with social justice recognizing the disproportionate impact it has on marginalized communities It unveils the systemic barriers and inequities that hinder access to reproductive healthcare particularly for women of color low income individuals and those living in rural areas By shedding light on these disparities the book calls for transformative change to ensure reproductive justice for all In an era marked by globalization the book also explores international perspectives on abortion acknowledging the diverse legal and cultural contexts that shape abortion rights around the world The struggles and triumphs of reproductive rights activists across borders are brought to light emphasizing the interconnectedness of this global movement *A Woman's Right to Choose* concludes with a thought provoking exploration of the future of abortion rights considering potential shifts in legal and political landscapes the impact of technological advancements and the strategies needed to protect and expand reproductive freedom for generations to come This book is an essential resource for anyone seeking a comprehensive understanding of abortion rights and their profound impact on our world If you like this book write a review

The Dating Blueprint Jason Evert, 2019-10-11 Women don't feel comfortable telling a man what they wish he knew about dating He's expected to know it Unfortunately the only time men receive specific guidelines is when they're being told what they're not supposed to do As a result very few know what they are supposed to do What men want is a clear blueprint Imagine how much simpler dating would be if women could just speak their minds Therefore Jason Evert surveyed more than a thousand women and asked them questions such as How would you want a man to ask you out How do you not want to be asked on a date This book reveals their surprising answers plus How to know if she's the right one Where women don't want to go on a first date What word they want a man to say when he asks When where and how he should ask What she hopes the date will include How a man can save his marriage before he's married Dating doesn't need to become a

relic of the past It needs to be revived For this to happen men need to put down their screens look a woman in the eye and ask her on a date The Dating Blueprint explains how A Woman's Right to an Abortion D. J. Herda, 2016-12-15 Abortion has long been a hot button issue In 1973 in the landmark case of Roe v Wade the Supreme Court finally decided that women should be allowed to have an abortion with some limits This book gives the background on the case and the path the case took to make it to the Supreme Court and presents both the majority and dissenting opinions related to the case It also takes a look at the lasting impact the case has continued to have on policies and the legal system Also included are questions to consider primary source documents and a chronology of the case *Eirene or a woman's right* Mary Clemmer Ames, 2023-03-16 Reprint of the original first published in 1871 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost **The Reproductive Rights Reader** Nancy Ehrenreich, 2008 Publisher Description *Human Rights and the Arts in Global Asia* Theodore W. Goossen, Anindo Hazra, 2014-10-23 This anthology of literary and dramatic works introduces writers from across Asia and the Asian diaspora The landscapes and time periods it describes are rich and varied a fishing village on the Padma River in Bangladesh in the early twentieth century the slums of prewar Tokyo Indonesia during the anti leftist purge of the 1960s and contemporary Tibet Even more varied are the voices these works bring to life which serve as testimony to the lives of those adversely impacted by poverty rapid social change political suppression and armed conflict In the end the works in this anthology convey an attitude of spiritual and communal survival and even of hope This anthology presents the complex dynamic between a diversity of Asian lives and the universalized concept of the individual human entitled to clearly specified rights It also asks us to think about what standards of analysis we should employ when considering a historical period in which universal human rights and civil liberties are considered secondary to the collective good as has so often been the case when nation states are undergoing revolutionary change waging war or championing so called Asian values This book s use of the term Global Asia reflects an interest in rethinking Asia as more than an area determined by national borders and geography Rather this book portrays it as a space of movement and fluidity where societies and individuals respond not only to their local frames of reference but also to broader ideas and ideals Many of the works anthologized here are the subject of scholarly analysis in the companion volume Human Rights and the Arts Perspectives on Global Asia also published by Lexington Books **Women and the American Legal Order** Karen Maschke, 2013-09-13 Multidisciplinary focus Surveying many disciplines this anthology brings together an outstanding selection of scholarly articles that examine the profound impact of law on the lives of women in the United States The themes addressed include the historical political and social contexts of legal issues that have affected women s struggles to obtain equal treatment under the law The articles are drawn from journals in law political science history women s studies philosophy and education and represent some of the most interesting writing on the subject The law in theory

and practice Many of the articles bring race social and economic factors into their analyses observing for example that black women poor women and single mothers are treated by the wielders of the power of the law differently than middle class white women Other topics covered include the evolution of women's legal status reproduction rights sexuality and family issues equal employment and educational opportunities domestic violence pornography and sexual exploitation hate speech and feminist legal thought A valuable research and classroom aid this series provides in depth coverage of specific legal issues and takes into account the major legal changes and policies that have had an impact on the lives of American women

The Book of Woman's Power, with an Introduction by Ida M. Tarbell, and Illustrations by E. R. Lee Thayer, 1911 **The Woman Voter** Florence Woolston, Mary Ritter Beard, 1915 [A Woman's Influence](#) Tony A. Gaskins, Sheri Gaskins, 2020-04-07 From celebrity life coach and motivational speaker Tony Gaskins Jr and his wife Sheri comes an essential guide with hard hitting truths about a woman's undeniable influence on a relationship and the power she has to change her man for the better Tony Gaskins has inspired others by sharing his truth drawing millions of followers online and making him one of America's foremost experts on love and relationships Now he and his wife explore a woman's positive impact on a relationship in this practical and accessible guide that walks you through a series of irreplaceable lessons on making personal changes that foster healthy relationships Tony and his wife Sheri draw on their own relationship successes and failures as they examine the eighteen time tested truths about how a woman's influence can shift a relationship for the better if used correctly Including advice for women such as you are not a maid show don't tell and the 72 hour rule where the woman makes herself totally unreachable to her partner Tony and Sheri tackle all of today's important topics such as misogyny and the grown boy syndrome while never losing the empowering and empathetic tone that Tony's loyal following has come to love and trust Whether you are single dating engaged or married *A Woman's Influence* is a hopeful response to a culture where men behave badly and women are victimized all too often By providing a vision that empowers women to know their worth and simultaneously bring out the best in men this guidebook can help you make a lasting positive change to your relationship **Woman's Work in America** Various Authors, 1856-01-01 A comprehensive view of the attainments made by American women in this century and especially during the last fifteen years cannot but be of great importance and value The cruel kindness of the old doctrine that women should be worked for and should not work that their influence should be felt but not recognized that they should hear and see but neither appear nor speak all this belongs now to the record of things which once measurably true have become fabulous The theory that women should not be workers is a corruption of the old aristocratic system Slaves and servants whether male or female always worked Women of rank in the old world were not necessarily idle The eastern monarch who refused an army to a queen sent her a golden distaff The extremes of despotism and of luxury undermining society and state can alone have introduced the theory that it becomes the highly born and bred to be idle With this unnatural paralysis of woman's active nature came ennui the bane of the so called privileged classes

From ennui spring morbid passions fostered by fantastic imaginations A respect for labor lies at the very foundation of a true democracy The changes which our country has seen in this respect and the great uprising of industries among women are then not important to women alone but of momentous import to society at large The new activities sap the foundation of vicious and degraded life From the factory to the palace the quickening impulse is felt and the social level rises To the larger intellectual outlook is added the growing sympathy of women with each other which does more than anything else to make united action possible among them A growing good will and esteem of women toward women makes itself happily felt and will do even more and more to refine away what is harsh and unjust in social and class distinctions and to render all alike heirs of truth servants of justice The initiative is now largely taken by women in departments in which they were formerly if admitted at all entirely and often unwillingly under the dictation of men Philanthropists of both sexes indeed work harmoniously together but in their joint undertakings the women now have their say and instead of waiting to be told what men would have them think feel obliged to think for themselves The result is not discord but a fuller and freer harmony of action and intention In industrial undertakings they still have far to go but women will enter more and more into them and with happy results The professions indeed supply the keystone to the arch of woman s liberty Not the intellectual training alone which fits for them but the practical technical knowledge which must accompany their exercise puts women in a position of sure defense against fraud and imposition In the volume now given to the public the progress of women in all of these departments is presented by persons who have made each of them a special study and who have done good and helpful work in them with moreover the outlook ahead which is the important element in all labor and service The world even the American world is not yet wholly converted to the doctrine of the new womanhood Men and women who prize the ease of the status quo and the imaginary importance conferred by exemption from the necessities which prompt to active exertion often show great ignorance of all that this book is intended to teach They will aver men and women of them that women have never shown any but secondary capacities and qualities Women who take this ground often secretly flatter themselves that what they thus say of other women does not apply to themselves A speaker representing this class lately asked at a legislative hearing in Massachusetts why women did not enter the professions why they did not become healers of the sick ministers lawyers One might ask how he could escape knowing that in all of these fields so lately opened to them women are doing laborious work and with excellent results A book like the present will furnish chapter and verse to substantiate what is claimed for the attainments of women It will not indeed put an end to foolish depreciative argument based upon erroneous suppositions but it will furnish evidence to confute calumny to convince the doubtful

Constitutional Law: Rights, Liberties and Justice 8th Edition Lee Epstein, Thomas G. Walker, 2013

Judicial decisions never occur in a vacuum they are influenced by a myriad of political factors From lawyers and interest groups to the shifting sentiments of public opinion to the ideological and behavioral inclinations of the justices Epstein and Walker show how all these dynamics play an integral part in the

overall development of constitutional doctrine Drawing deeply from the spheres of political science and legal studies the excerpted case material is skillfully analyzed and presented for today's students Known for fastidious revising and streamlining the authors account for the latest scholarship in the field and offer rock solid analysis of recent landmark cases including as all the important opinions handed down through 2011 Building on the successes of the 7th edition the book's clean layout and design clearly distinguishes between commentary and opinion excerpts Not only does the design make the book an easier read for students it effectively showcases photos justice biographies and the Aftermath and Global Perspective sidebars And based on positive user feedback the authors have added even more Aftermath boxes in this new edition New cases in the 8th edition Hosanna Tabor Evangelical Lutheran Church and School v Equal Employment Opportunity Commission 2012 Snyder v Phelps 2011 Brown v Entertainment Merchants Association 2011 United States v Jones 2012 Citizens United v Federal Election Commission

Annual Meeting Woman's Christian Temperance Union, 1908 The Penultimate Chance Saloon Simon Brett, 2014-06-01 Soul searching was an unfamiliar exercise to Bill Stratton and he found it intriguing as well as painful He hadn't had much occasion for it in his life given that he was fairly shallow but then on the verge of his sixtieth birthday his wife told him she was leaving him for another man He'd been under the impression they had a happy marriage She assured him that for nearly forty years in fact since the second week of their honeymoon she'd known she was married to the wrong person This all came as a bit of a shock to Bill Hence the soul searching Brought up to be a responsible sort of chap and hitting young adulthood just the wrong side of the sixties Bill had not had much experience of dating or sex for that matter before he met and married Andrea Post menopausal dating might be very different to dating in your twenties or thirties but then he didn't know much about either scene Still as a mildly famous television newsreader who'd managed to hold on to most of his looks it seemed he was about to have plenty of opportunities to find out Simon Brett is the winner of The CWA Diamond Dagger 2014 Male and Female Made in God's Image Frances O'Dair, 2019-04-04 In this era of distorted ideas about our inherent roles identities and purposes as men and women it has never been as important that we seek reconciliation in marriage and families so there can be a more rational approach to the real problems the whole world suffers We must disseminate God's truth and extinguish the lies and myths that Satan has embedded into the hearts and minds of many people Building on these ideas in Male and Female Made in God's Image author Frances O'Dair offers her perspective on dating marriage and family which she believes reflects the experiences of most married couples before the sexual revolution of the 1960s She encourages men and women to reflect on the wise or self-serving natures of their past dating and mating choices If we can stop the reckless self-gratifying use of human sexuality with our children our loving

direction and understanding of God's truth can set them free from the temptations that have been passed down to recent generations. We must be ready to admit that sexual freedom is a myth and isn't intended for the well being of men, women, children, and the unborn. This faith inspired treatise explores the true source of happiness, meaning, and fulfillment that God has planned for everyone within the sacrament of marriage and the family circle.

The Sheikhs of Havilah -- The Complete Series Diana Fraser, 1901. The Sheikhs of Havilah: Five powerful sheikhs bound together by the ancient fabled land of Havilah in which their countries lie and by the promise they made to each other to build an enduring peace in their lands no matter what the price. This boxed set contains all five of their stories: five contemporary page-turning romances featuring Amir and Ruby Zavian and Gabrielle Roshan and Shakira Xander and Elaheh Zyir and Ashley. So forget the craziness of our real world, settle down in a comfy chair with your favorite pet, drink, and chocolate, and lose yourself in the passion and intrigue which await you in the fabled land of Havilah. Warning: this boxed set contains powerful sheikhs, strong-minded women, and the bedroom door remains open.

The Sheikh's Secret Baby: A controlling sheikh with a secret, a beautiful model with a broken heart forced into a marriage to save their son. But can it save their love? Bought by the Sheikh, she was bought once, he'll buy her again. A dysfunctional upbringing has made Sheikh Zavian bin Ameen Al Rasheed distrustful of people, but he trusted Gabrielle until she leaves him, bought off by his father. But his obsession with her only grows, so he buys her services from her university because if Gabrielle can't be his wife, then why not his mistress?

The Sheikh's Forbidden Lover: Forced apart for the sake of peace. A playboy sheikh determined to ignore his heart, a beautiful sheikha for whom duty comes first. And a brief passionate affair which leads to complications.

Surrender to the Sheikh: Playboy sheikh Xander and fiery sheikha Elaheh dislike each other on sight but are forced together when Elaheh's safety is threatened. Will it bring them closer or set them and their countries on a collision course?

Taken for the Sheikh's Harem: Dr. Ashley Maitland needs to research harems to save her job, so she travels to a country which is as mysterious as its king, Sheikh Zyir. But there she discovers that the only way she can complete her research is to join the sheikh's harem. Want to read more of Diana's sheikhs? You're in luck!
