International Documentary ,2005 *Los Angeles Lawyer* ,2005 **Investor Financing of Independent Film** John W. Cones, 2023-11-03 This book explains how to comply with the federal and states securities regulations when seeking to raise money from private investors for the development production and or distribution of a feature or documentary film Drawing from the experience and expertise of a securities and entertainment attorney who has worked with independent filmmakers for 30 plus years this resource explores securities law compliance in order to help readers comply with the law and avoid criminal and civil liability while successfully raising investor funds for their film projects Readers will gain an understanding of why the securities laws apply to most investor financing transactions what choices need to be made by the filmmaker what information needs to be disclosed to prospective investors how to comply with the SEC s policy regarding financial projections what is the appropriate investment vehicle for various forms of investor financing what limitations are imposed on the use of finders and how to handle the required federal and state notice filings It is an essential resource for any film student taking a film finance course or a production course with a film finance component as well as any independent film producers entertainment securities attorneys and film school instructors who want to be informed about the

legal and practical aspects of investor financing of independent films The Independent Filmmaker's Law and Business Guide Jon M. Garon, 2021-08-03 Today's independent and digital filmmaking demands a clear guide to the business and legal aspects of the art. What fundraising options are available to a filmmaker? When should a filmmaker establish a corporation or limited liability company? How do screenwriters protect their work? What are a director's legal obligations to the producer, cast and crew, and what are their obligations in return? This indispensable resource addresses the legal, financial, and organizational questions that an independent or guerrilla filmmaker must face and the problems that will doom a project if left unanswered. It demystifies issues such as founding a film company, obtaining financing, preparing a budget, securing locations, shooting, granting screen credits, and distributing, exhibiting, and marketing a film. Newly updated and expanded, this third edition explores concepts such as integrating social media, crowd funding, and nonprofit status, funding diversity, inclusion, and compensation equity, and distribution via streaming services. Appendixes provide sample contracts and riders, copyright circulars, Documentary Filmmakers' Statement of Best Practices in Fair Use, and more.

Risky Business William D. Romanowski, 2017-07-28 The role of motion pictures in the popularity of rock music became increasingly significant in the latter twentieth century. Rock music and its interaction with film is the subject of this significant book that re-examines and extends Serge Denisoff's pioneering observations of this relationship. Prior to Saturday Night Fever, rock music had a limited role in the motion picture business. That movie's success and the success of its soundtrack began to change the silver screen. In 1983 with Flashdance, the situation drastically evolved, and by 1984 ten soundtracks, many in the pop-rock genre, were certified platinum. Choosing which rock scores to discuss in this book was a challenging task. The authors made selections from seminal films such as *The Graduate*, *Easy Rider*, *American Graffiti*, *Saturday Night Fever*, *Help*, and *Dirty Dancing*. However, many productions of the period are significant not because of their success but because of their box office and record store failures. *Risky Business* chronicles the interaction of two major mediums of mass culture in the latter twentieth century. This book is essential for those interested in communications, popular culture, and social change.

Screen Media Arts Hart Cohen, Juan Salazar, Iqbal Barkat, 2009 *Screen Media Arts* offers students what they need to understand the complex media environment to make their own media or to pursue a career in the media industry. The accompanying DVD is designed to interact with the text and includes audio and video exercises, case studies, interviews, media samples, production forms, how-tos, wikis, and website links.

Risky Business David Prindle, 1993-08-19 The author has incorporated all the learning and theoretical sophistication of political science yet has written an accessible and colorful book. Full of details and anecdotes, *Risky Business* will appeal to anyone interested in a more comprehensive understanding of the Hollywood mystique.

Gatekeeping in the Evolving Business of Independent Film Distribution Roderik Smits, 2019-07-09 This book is about the business of distribution around which the international film business revolves. Considering sales agents and distributors as primary gatekeepers, the book examines the networks in which they operate, how they operate, how their

practices have evolved and the power and control they exert over the business of independent film distribution. Critically, it also considers how they are affected by the powerful influence of Netflix and Amazon in the online era. At a time of disruption and change to traditional business models and industry professions, Roderik Smits argues that gatekeepers remain equally if not more crucial to the distribution and circulation of films in international markets.

The Business Strategies of the Major Hollywood Film Studios (1929-2024) Guy Di Piazza, 2025-02-21. Surveying the strategies employed by film studios to market and produce their most successful films between 1929 and present day, this book incorporates a multilayered comprehensive analysis on the media industry and how it works. Author and business strategist Guy Di Piazza draws on over 25 years of experience and provides insights into the corporate business market and production strategies of the leading motion picture companies through a 95-year history. Investigating the initiatives employed particularly for the most successful or premium films allows Guy to evaluate the commercial and creative strategies of the major film studios during four distinct historical periods: The golden age of Hollywood (1929-1949), Hollywood in decline and in transition (1950-1966), The new American cinema (1967-1976), and The era of media giants (1977-2024). With extensive business strategy analysis, this book assesses the film industry from a commercial and economic perspective to bring better understanding to readers as to how the major studios have evolved over time and what that means for today's digitally connected world. Ideal for researchers and advanced students studying film business and the media industry as well as professionals in the film business.

The Business of Film Paula Landry, 2018-06-14. The updated second edition of this text introduces readers to the business of film at every stage of the filmmaking lifecycle, from planning and production to distribution. Authors Paula Landry and Stephen R. Greenwald offer a practical, hands-on guide to the business aspects of this evolving industry, exploring development, financing, regional/global online distribution, business models, exhibition, multiplatform delivery, marketing, film festivals, production incentives, VR/AR, accounting, and more. The book is illustrated throughout with sample financing scenarios and charts, graphics, and includes detailed case studies from projects of different budgets and markets. This new and expanded edition has further been updated to reflect the contemporary media landscape, including analysis on major new players and platforms like Netflix, Amazon, Google, and Vimeo, shifting trends due to convergence and disruption from new technology, as well as the rise of independent distribution and emergent mobile and online formats. An eResource also includes downloadable forms and templates, PowerPoint slides, quizzes, and test banks, and other additional resources.
