James W. Sire, 2014-04-21 Early evening a young boy alone on his pony on the rim of the Nebraska Sandhills Three darkening thunderclouds rising higher and higher on the horizon An electric atmosphere a quickening light cooling breeze A slight shiver and the boy wonders Am I being pursued by the Father the Son and the Holy Ghost These sudden unbidden unexpected strange experiences We all have them What are they Mere plucking on the emotional strings of our material selves Or do they have a deeper meaning Do they signal the Presence of something other maybe some Other maybe some one Other some thing or some one above below beyond our normal waking consciousness James W Sire has studied a massive number of these accounts He pairs them with his own experiences and turns to scientists philosophers and theologians for explanation These experiences he concludes are signals of transcendence or what N T Wright calls echoes of a voice the voice of Jesus calling us to follow him into God s new world This book is an account of the author s journey to this conclusion
