Seeker D S Merezhkovskiy:

D.S. Merezhkovsky in Exile Temira Pachmuss, 1990 This study of the works of the Russian writer and religious thinker Dmitry Merezhkovsky 1865 1941 guides the reader through his published and unpublished biographies romances written in exile 1919 1941 His complex genre of fictionalized biography has its own inimitable technique and its own internal code of aesthetics Merezhkovsky's other works written in exile revealing the inherent dialectics of his ideas and aspirations identify features of continuity and change between his earlier novels and his prose of 1920 1941 This study seeks to restore Merezhkovsky's rightful place in the pantheon of Russian and world literature

What the God-seekers found in Nietzsche Nel Grillaert, 2008-01-01 At the end of the nineteenth and the beginning of the twentieth century a large and varied group of the Russian intelligentsia became fascinated by Friedrich Nietzsche whose provocative ideas inspired many of them to overcome obsolete traditions and to create new values Paradoxically the German philosopher who vigorously challenged the established Christian worldview invigorated the rich ferment of religious philosophy in the Russian Silver Age his ideas served as a fruitful source of inspiration for the philosophers of the Russian religious renaissance the so called God seekers in their quest for a new religious consciousness Especially Nietzsche's anthropology of the *bermensch* was instrumental in their reformulation of Christianity This book explores how three pivotal figures in the Russian religious reception of Nietzsche i.e. Vladimir Solov'ev Dmitrii Merezhkovskii and Nikolai Berdiaev engaged in a vacillating yet highly prolific debate with Nietzsche and how each of them appropriated his anthropology of the *bermensch* in their religious philosophy In order to explain Merezhkovskii's and Berdiaev's assessment of Nietzsche the author highlights the significance of Dostoevskii only by reading Nietzsche through the prism of Dostoevskii could both God seekers pin down the religious ramifications of Nietzsche's thought This book will be of interest to anyone fascinated by Nietzsche Dostoevskii Russian religious philosophy Russian history of ideas and reception studies

Szymanowski, Eroticism and the Voices of Mythology Stephen Downes, 2018-12-13 The desire to voice the artistic revelation of the truth of a precarious multi faceted yet integrated self lies behind much of Szymanowski's work This self is projected through the voices of deities who speak languages of love The unifying figure is Eros who may be embodied as Dionysus Christ Narcissus or Orpheus and the gospel he proclaims tells of the resurrection and freedom of the desiring subject This book examines Szymanowski's exploration of the relationship between the authorial voice mythology and eroticism within the context of the crisis of the modern subject in Western culture Stephen Downes analyses mythological and erotic aspects of selected songs from the composer's early career moving to an interpretation of the voice of the homoerotic lover embodied as a mad muezzin in terms of heroic notions of Orphic elegy Discussing the encounters of King Roger with the voices of Narcissus the Siren and Dionysus Downes shows how the composer uses the unifying Christ Eros figure as a means of indicating that the King might be transformed from anguished despot to loving expressive subject The book ends with an examination of Szymanowski's desire to fuse Slavonic and Middle

Eastern mythological inspirations in an attempt to fulfil a utopian vision of a pan European culture bound together by the spirit of Eros

A Difficult Soul Vladimir Zlobin, 2023-11-15 guide the Symbolist movement which dominated Russian literature for the first third of the twentieth century A major poet important playwright and influential literary critic she was also a sexual rebel who rejected traditional male female roles as early as the 1890s Vladimir Zlobin her secretary and factotum from the time of her emigration to Paris after the revolution until her death in 1945 exposes the consequential inner workings of the literary circle around Gippius His account of her three most important personal involvements with her husband the novelist and critic Dmitry Merezhkovsky with the unattainable love of her life the critic Dmitry Filosofov and with the Devil with whom she believed herself in personal contact facilitates the task of understanding this truly difficult soul Himself a poet Zlobin also offers a detailed commentary on her poetry and persuasively connects it to her personal and mystical experiences In Karlinsky's perceptive introduction Gippius emerges not only as one of the principals in the Modernist renaissance of Russian poetry between 1890 and 1930 but as a figure of considerable historical interest whose views life and work stand in significant relation to the major social sexual religious and political currents of her time This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1980

Napoleon in the Russian Imaginary Gary Rosenshield, 2023-03-08 Napoleon today is still a figure who fascinates both his admirers and detractors because of his seminal role in European history at the end of the eighteenth and beginning of the nineteenth centuries straddling the French Revolution and the enormous empire that he fashioned through military conquest Napoleon in the Russian Imaginary focuses on the response of Russia's greatest writers poets novelists critics and historians to the idea of Great Man as an agent of transformational change as it manifests itself in the person and career of Napoleon After Napoleon's defeat at Waterloo in 1815 and his subsequent exile to St Helena in much of Europe a re-evaluation of Napoleon's person stature and historical significance occurred as thinkers and writers witnessed the gradual reestablishment of repressive regimes throughout Europe This re-evaluation in Russia would have to wait until Napoleon's death in 1821 but when it came to pass it continued to occupy the imagination of Russia's greatest writers for over 130 years Although Napoleon's invasion of Russia and subsequent defeat had a profound effect on Russian culture and Russian history for Russian writers what was most important was the universal significance of Napoleon's desire for world conquest and the idea of unbridled ambition which he embodied Russian writers saw this for good or ill as potentially determining the spiritual and moral fate of future generations What is particularly fascinating is their attempt to confront each other about this idea in a creative dialogue with each succeeding writer addressing himself and responding to his predecessor and predecessors

literary analyses the volume broadens its focus to include sociocultural studies such as feminine representations in Old Russian literature and art and an examination of Jewish reforms during the Enlightened Absolutism era in Europe Scholars and enthusiasts of Slavic studies will find this edition invaluable for its depth as it bridges historical documentation and theoretical frameworks enriching the discourse on Slavic influence across disciplines This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1980

Orthodoxy, Modernity, and Authenticity Heather Bailey, 2020-10-21 Ernest Renan was one of the most renowned European intellectuals of the second half of the nineteenth century Yet the impact of his most popular work *Life of Jesus* has been underestimated when not altogether ignored While commonplace now the idea that Jesus was merely human was at one time a novelty with significant socio political cultural and religious implications A case study in the Russian encounter with modernity *Orthodoxy Modernity and Authenticity The Reception of Ernest Renan s Life of Jesus in Russia* demonstrates that Renan s book has had long lasting and broad appeal in Russia because it presents an alternative to a strictly materialist worldview on the one hand and an Orthodox worldview on the other Renan offered his readers the possibility to accept the tenets of modernity while still retaining both an admiration for the importance of religion in history and a sense of religious feeling or even belief in a higher religious ideal Assessments of Renan s alternative belief system whether positive negative or mixed were often simultaneously evaluations of the moral socio political and spiritual condition of European society in general and Russian society in particular The interpretive history of Renan s *Life of Jesus* in Russia reveals a persistent disillusionment with a strictly materialist interpretation of history and of life **California Slavic Studies** Nicholas V. Riasanovsky, Gleb Struve, Thomas Eekman, 1973 *Anton Chekhov Through the Eyes of Russian Thinkers* Olga Tabachnikova, 2012-10-01 The collection is comprised of twelve scholarly essays written by leading Chekhov specialists from around the world each analysing an interpretation of Chekhov by one of three Russian thinkers of the Silver Age of Russian culture Vasili Rozanov Dmitrii Merezhkovskii and Lev Shestov It thus examines the hitherto under researched relationship between the origins and the results of the cultural phase that came to be known as the Silver Age and focuses specifically on the complex connections between Chekhov s legacy and the Russian culture of that period The Cambridge Companion to Twentieth-Century Russian Literature Evgeny Dobrenko, Marina Balina, 2011-02-17 An overview of the main literary schools authors and works in modern Russia and the Soviet Union *Russia's Rome* Judith E. Kalb, 2008-10-20 The first examination of Russia s self identification with Rome during a period that encompassed the revolutions of 1905 and 1917 and the rise of the Soviet state **Symbolism, Its Origins and Its Consequences** Rosina Neginsky, 2010-08-11 The notion of the symbol is at the root of the Symbolist movement but this symbol is different from the way it was used and understood in the Middle

Ages and Renaissance In the Symbolist movement a symbol is not an allegory The Belgian writer Maurice Maeterlinck defined its essence in an article that appeared on April 24 1887 in *L'Art moderne* He wrote that the notion of a symbol in the Symbolist movement is the opposite of the notion of the symbol in classical usage instead of going from the abstract to the concrete Venus incarnated in the statue represents love it goes from the concrete to the abstract from what is seen heard felt tasted and sensed to the evocation of the idea This volume attempts to give a glimpse into the power of the Symbolist movement and the nature of its fundamental and interdisciplinary role in the evolution of art and literature of the twentieth century It records the studies of a group of scholars who met and discussed these topics together for the first time in 2009 While illuminating the specificity of Symbolism in art architecture and literature in different European countries these articles also demonstrate the crucial role of French Symbolism in the development of the international Symbolist movement The authors hope that an expanding group a society of Art Literature and Music in Symbolism and Decadence ALMSD born out of the first meeting will continue to further this discussion at future conferences and in the printed conference proceedings

Russian Literature and Its Demons Pamela Davidson, 2000 Merezhkovsky's bold claim that all Russian literature is to a certain degree a struggle with the temptation of demonism is undoubtedly justified And yet despite its evident centrality to Russian culture the unique and fascinating phenomenon of Russian literary demonism has so far received little critical attention This substantial collection fills the gap A comprehensive analytical introduction by the editor is followed by a series of fourteen essays written by eminent scholars in their fields The first part explores the main shaping contexts of literary demonism the Russian Orthodox and folk tradition the demonization of historical figures and views of art as intrinsically demonic The second part traces the development of a literary tradition of demonism in the works of authors ranging from Pushkin and Lermontov Gogol and Dostoevsky through to the poets and prose writers of modernism including Blok Akhmatova Bely Sologub Rozanov Zamiatin and through to the end of the 20th century

Seeker D S Merezhkovskiy Introduction

In today's digital age, the availability of Seeker D S Merezhkovskiy books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Seeker D S Merezhkovskiy books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Seeker D S Merezhkovskiy books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Seeker D S Merezhkovskiy versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Seeker D S Merezhkovskiy books and manuals for download are incredibly

convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Seeker D S Merezhkovskiy books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Seeker D S Merezhkovskiy books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Seeker D S Merezhkovskiy books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Seeker D S Merezhkovskiy books and manuals for download and embark on your journey of knowledge?
