Selected Climbs In North Carolina:

Selected Climbs in North Carolina Yon Lambert, Harrison Shull, 2002 Packed with 450 of the coolest climbs in 10 of the hottest climbing areas in North Carolina Nail biting action photos from professional climbing photographer Harrison Shull Individual route descriptions feature 1st ascent background and more detail about the climbs 1st totally new guide to N Carolina since 1992 It is the first time that the climbing areas Rumbling Bald and Big Green have appeared in the same guide It also includes new areas such as the North Face of Whiteside Mountain Chockstone Chimney Wall in Linville Gorge and Middle Hawksbill Each chapter includes a separate history section and detailed directions N Carolina also has some of the best bouldering areas in the Southeast Don't think of North Carolina for a climbing destination Think again Located in the southern Appalachians intimidating granite domes steep quartzite walls and a variety of terrain offering short and long climbs will whet the appetites of beginning to more advanced climbers The 10 climbing areas are organized into three geographical regions Piedmont including Moore's Wall Stone Mountain Crowders Mountain the Northern Blue Ridge covering the infamous Linville Gorge often referred to as the Grand Canyon of North Carolina Ship Rock and the Southern Blue Ridge with Looking Glass Rumbling Bald Cedar Rock Big Green and Whiteside Mountain **Linville Gorge**

Wilderness Area Christopher Blake, 2009 Famed as the Grand Canyon of the East the Linville Gorge Wilderness Area is a rugged tract of more than 12 000 acres located in the Blue Ridge Mountains of Western North Carolina Native Americans once referred to the Linville River as Eeseeh or River of Cliffs a name that accurately describes the river as it twists its way through the gorge under sheer rock faces and distinctive craggy peaks Since the Native American ambush of the William Linville hunting party in 1766 the gorge has continued to make headlines with everything from movie filming to fatal accidents and forest fires Today visitors flock to the natural attraction and enjoy a seemingly pristine unexplored forest canyon But the Linville Gorge has much more to offer than just breathtaking scenery Its rich history has been documented by photographers since the 1870s and it is through these old photographs that adventure seekers of the past are linked with nature enthusiasts of the present [North Carolina Adventure Weekends](#) Jessie Johnson, Matt Schneider, 2017-11-07 North Carolina Adventure Weekends makes it easy for campers hikers cyclists paddlers and climbers to plan weekend after weekend of memorable outdoor trips It's written for both novice and experienced adventurers who enjoy or aspire to enjoy a variety of outdoor pursuits but don't have time to spend hours researching the best destinations or can't get away for a long trip Most outdoors enthusiasts enjoy a variety of activities and this is the ideal resource for hikers who love to climb paddlers who also pedal and everyone who wants to get the most adventure out of a weekend It's also ideal for couples families or groups who love sharing a weekend getaway but want to do different things Many guidebooks focus on one specific activity such as hiking paddling or camping and North Carolina Adventure Weekends eliminates the need for weekend warriors to spend hours thumbing through multiple guidebooks and websites trying to find the best options for their multisport weekend

trips Furthermore regional guidebooks might offer suggestions on different outdoor activities but not pinpoint the best options for adventurers who only have a weekend to explore With North Carolina Adventure Weekends readers have numerous action packed weekend itineraries at their fingertips They ll know not only where to stay to be closest to the action but also which adventures hike routes bike rides paddle trips climbing areas etc are weekend worthy Each chapter highlights a focused geographic area and includes detailed directions so readers can spend more time playing and less time driving from place to place Adventurers will also learn where to stock up on supplies what to do on a rainy day and where to go to rehash the weekend s adventures over an epic worthy meal and a beer **Cascade Alpine Guide** Fred Beckey,2000
