Maximize Your Marriage:

Maximize Your Marriage B. Courtney McBath, 2002 In his witty anecdotal style Dr McBath identifies twelve practical steps that will make any marriage better

How to Improve Your Marriage Without Talking About It Patricia Love, Ed.D., Steven Stosny, PH.D, 2009-01-21 Men are right The relationship talk does not help Dr Patricia Love s and Dr Steven Stosny s How to Improve Your Marriage Without Talking About It reveals the stunning truth about marital happiness Love is not about better communication It s about connection You ll never get a closer relationship with your man by talking to him like you talk to one of your girlfriends Male emotions are like women s sexuality you can t be too direct too quickly There are four ways to connect with a man touch activity sex routines Men want closer marriages just as much as women do but not if they has to act like a woman Talking makes women move closer it makes men move away The secret of the silent male is this his wife supplies the meaning in his life The stunning truth about love is that talking doesn t help Have you ever had this conversation with your spouse Wife Honey we need to talk about us Husband Do we have to Drs Patricia Love and Steven Stosny have studied this all too familiar dynamic between men and women and have reached a truly shocking conclusion Even with the best of intentions talking about your relationship doesn t bring you together and it will eventually drive you apart The reason for this is that underneath most couples fights there is a biological difference at work A woman s vulnerability to fear and anxiety makes her draw closer while a man s subtle sensitivity to shame makes him pull away in response This is why so many married couples fall into the archetypal roles of nagging wife stonewalling husband and why improving a marriage can t happen through words How to Improve Your Marriage Without Talking About It teaches couples how to get closer in ways that don t require trying to turn a man into a woman Rich in stories of couples who have turned their marriages around and full of practical advice about the behaviors that make and break marriages this essential guide will help couples find love beyond words

Maximize Your Marriage Donald Wikoff, M.D., 2019-05-14 This is a book intended to assist couples in identifying what the Bible has to say about marriage It is not intended to represent the opinions of the author but simply to provide a structured and concise view of what the Bible has to say about marriage Since God created marriage He is clearly the one to know how best to live out married life to accomplish the purpose for which God created this institution Most couples who have been exposed to this teaching have felt that their eyes were opened to Biblical truths that were previously unknown to them or not discerned as applying to marriage The purpose of the book is to strengthen current marriages even mature ones as well as better prepare young people entering into a committed relationship to help them start off on a strong and solid foundation of truth and understanding of the roles of a man and a woman in this wonderful institution ordered and blessed by God
