Nues Photographies De Serge Jacques:

Serge Jacques Gilles Néret,1998 It is part of Taschen's policy to celebrate the infamous and the notorious rebel artists who have had to constantly struggle against the rigid morality of the censors and the law French photographer Serge Jacques is a case in point His groundbreaking nudes in the 50's were deemed obscene because he revealed his models' pubic hair He faced countless arrests blacklists and regular raids on his studio and darkroom Like other mavericks of the time he continued his mission in the face of adversity and continued to photograph and publish the legendary French pin-up magazine Paris Hollywood For Jacques Hollywood was a state of mind an imaginary landscape of the erotic imagination where everybody's sexual preferences were given free rein Painstakingly Jacques recreated the details of these fantasies within the privacy of his studio building papier-mâché sets posing the girls on beds of pretend snow and dressing them up and undressing them in decorative lingerie Kitsch amusing and still provocative this is an excellent compilation of Serge Jacques' finest and under the circumstances bravest work **Photo-revue** ,1984 **La Revue de Paris** ,1951
