Domínguez, James A. McCann, 1998 In this groundbreaking study of Mexican public opinion and elections Jorge Domínguez and James McCann examine the attitudes and behaviors of Mexican voters from the 1950s to the 1990s and find evidence of both support for and increasing independence from the nation's ruling party They make extensive use of polls conducted during the 1988 1991 and 1994 national elections and draw from in depth interviews with leading political figures including major presidential candidates Although the 1994 presidential election showed that Mexican citizens are making their opinions known and felt at the polls Domínguez and McCann argue that Mexico cannot be considered a democracy as long as party elites fail to ensure truly free and fair elections Democratizing Mexico makes it clear however that Mexican citizens are ready for democratic politics

that Mexico's complex racial hierarchy inherited from Spanish colonialism became obsolete by the turn of the nineteenth century as class based distinctions became more prominent and a largely mestizo population emerged But the residues of the colonial caste system did not simply dissolve after Mexico gained independence Rather Ana Sabau argues ever present fears of racial uprising among elites and authorities led to persistent governmental techniques and ideologies designed to separate and control people based on their perceived racial status as well as to the implementation of projects for development in fringe areas of the country Riot and Rebellion in Mexico traces this race based narrative through three historical flashpoints the Baj o riots the Haitian Revolution and the Yucatan's caste war Sabau shows how rebellions were treated as racially motivated events rather than political acts and how the racialization of popular and indigenous sectors coincided with the construction of whiteness in Mexico Drawing on diverse primary sources Sabau demonstrates how the race war paradigm was mobilized in foreign and domestic affairs and reveals the foundations of a racial state and racially stratified society that persist today *La mentira organizada* Octavio Quintero, 2001 **Cruzado Estelar: Heroe de la Alianza** Michael G.
