questions of what defines a nation and how a nation should govern itself Considered by some the most important book in the Hebrew Bible Exodus tells the story of the Jewish people from their enslavement in Egypt through their liberation under Moses s leadership to their covenantal founding at Sinai and the building of the Tabernacle In Kass s analysis these events begin the slow process of learning how to stop thinking like slaves and become an independent people The Israelites ultimately found their nation on three elements a shared narrative that instills empathy for the poor and the suffering the uplifting rule of a moral law and devotion to a higher common purpose These elements Kass argues remain the essential principles for any freedom loving nation today **KJV Life Application Study Bible, Third Edition (Leatherlike, Peony Lavender, Red Letter)** Tyndale,2023-03-07
