Stevi Mittman,2007-08-01 Literally he's had it for every hour of the day for as long as Teddi's known him So it's no coincidence that minutes after Teddi stumbles accidentally on a corpse in the deep freeze at King Kullen Detective Dreamboat is back on the scene Her supermarket snob among other things of a mother will never let her hear the end of it Nor will Drew who has told Teddi time and again she's got to stop messing with murder scenes Until Teddi goes from material witness to potential next victim But the woman whose smarmy ex dubbed her Long Island's Most Dangerous Decorator isn't going down without a fight Or going down alone Not when she's got an oh so irritating way too irresistible cop watching her every move
