has been reclaimed by some feminists and sociologists over the last 20 years as a radical alternative in secular society to the liberal sexual lifestyle. What after all is sexual liberation when so often the outcome is pain and social chaos? In the context of promiscuity, sexual abuse and confusion, celibacy can herald a different sexual freedom. Jenny Taylor draws on personal experience and interviews with men and women of all ages to demonstrate the impact of the sexual revolution and to make a case for celibacy. She argues that celibacy is a viable alternative that deserves to be taken seriously and challenges the church to speak out for sexual abstinence with confidence and certainty. *Sex, Gender, and Christianity* Priscilla Pope-Levison, John R. Levison, 2012-10-08. Should women be priests? Should women submit to their husbands? Is premarital sex okay? Inflammatory questions such as these have splintered Christianity and polarized the church. In *Sex, Gender, and Christianity*, a cadre of seasoned college professors offers the modest proposal that honest, fruitful conversations about these questions will take place only if we develop the ability to deal with sex, gender and the Christian faith with the academic rigor and perspectives of our various disciplines. This volume contributes an unprecedented collection of first-rate articles from a variety of disciplines from the social sciences to history, from literary criticism to theology that will challenge college administrators, professors and students to address fractious questions in an atmosphere of scholarly inquiry.

Compassionate Love in Intimate Relationships Josiane M. Apollon, 2021-12-29. Drawing on interviews conducted with Black couples in the United States, this book explores relational resilience and identifies unique adaptation strategies that enable couples to overcome the multigenerational effects of violence and sexual mass trauma from slavery and activates compassionate love in flourishing relationships. By applying Appreciative Inquiry (AI) methodology and family systems theory, the book captures the spiritual, emotional and sexual dimensions in Black couple systems that gives meaning to their resilient relationships in the context of contemporary America. Within the framework of compassionate love, the book highlights the need for researchers and clinicians to include the broader cultural contexts in their sexual trauma-informed studies and interventions. Using genetic studies and empirical evidence, the volume contributes significantly to discussion around Black relationships and historical trauma and to the broader challenges within race relations in the United States. This book will benefit researchers, academicians and clinicians with an interest in sexual trauma, marriage and family therapy and couples counseling more broadly. Readers will also find this book useful when designing research in Black studies, intergenerational issues or sexual intimacy.

A History of Celibacy Elizabeth Abbott, 2000. What causes people to give up sex? Abbott's provocative and entertaining exploration of celibacy through the ages debunks traditional notions about celibacy, a practice that reveals much about human sexual desires and drives.

Studies in Formative Spirituality, 1985. *Women Shaping Theology* Mary Ann Hinsdale, 2006. In the 2004 Madeleva Lecture, Mary Ann Hinsdale uses the lens of her own life experience to tell the story of how visionary and prophetic women set in motion the important institutional structures that have allowed women to shape Catholic theology in North America over the past fifty years. She pays particular attention to issues and

problems facing women theologians in the Catholic Church today such as the implications of the changing demographics of women theologians women s impact on the theological establishment the reception of feminism and feminist theology by the hierarchy and the unmet intercultural challenges posed by those on the margins as well as women theologians response to them Coming at the beginning of a new papacy Hinsdale s compelling narrative is especially timely for a consideration of the future of women in the Catholic Church
