Doughboys on the Great War Edward A. Gutiérrez,2017-01-20 It is impossible to reproduce the state of mind of the men who waged war in 1917 and 1918 Edward Coffman wrote in The War to End All Wars In Doughboys on the Great War the voices of thousands of servicemen say otherwise The majority of soldiers from the American Expeditionary Forces returned from Europe in 1919 Where many were simply asked for basic data veterans from four states Utah Minnesota Connecticut and Virginia were given questionnaires soliciting additional information and remarks Drawing on these questionnaires completed while memories were still fresh this book presents a chorus of soldiers voices speaking directly of the expectations motivations and experiences as infantrymen on the Western Front in World War I What was it like to kill or maim German soldiers To see friends killed or maimed by the enemy To return home after experiencing such violence Again and again soldiers wrestle with questions like these putting into words what only they can tell They also reflect on why they volunteered why they fought what their training was and how ill prepared they were for what they found overseas They describe how they interacted with the civilian populations in England and France how they saw the rewards and frustrations of occupation duty when they desperately wanted to go home and perhaps most significantly what it all added up to in the end Together their responses create a vivid and nuanced group portrait of the soldiers who fought with the American Expeditionary Forces on the battlefields of Aisne Marne Argonne Forest Belleau Wood Chateau Thierry the Marne Metz Meuse Argonne St Mihiel Sedan and Verdun during the First World War The picture that emerges is often at odds with the

popular notion of the disillusioned doughboy Though hardened and harrowed by combat the veteran heard here is for the most part proud of his service service undertaken for duty honor and country In short a hundred years later the doughboy once more speaks in his own true voice **The American Legion Weekly** American Legion,1920 *Ordinary Heroes* Sally White,2018-01-15 The major unsung humanitarian role of British civilians and charities in the Great War and the tremendous bravery and suffering of the volunteers *The National Nurseryman* ,1917 *Nurse Around the World : Alice Fitzgerald* Iris Noble,1964 Biography of a pioneer in the nursing profession Grades 8 10 **Years into Lives** Violet “Cookie” Lynch,2013-07-01 When my parents began writing life stories in their writing group I figured a few good stories would make it onto paper Well they did followed by many many more than I ever imagined The family history that emerged makes for exciting and revelatory reading From the family roots in Scotland and England to the shores of Connecticut then westward to Indiana the family grew and flourished The adventures and travels of the Lynch and Cook families span World Wars cross thousands of miles and yielded hundreds of photographs This book will captivate you with its fascinating twists and turns and with its tales of love and devotion It is indeed a feast of a book Give Your Other Vote to the Sister Debbie Marshall,2007 Give Your Other Vote to the Sister tells the story of Roberta MacAdams the first woman elected to the Alberta legislature In fact she was one of the first two women elected to a legislature anywhere in the British Empire Her triumph was extraordinary for many reasons Not only did she run while serving as a nursing sister overseas during the Great War but over 90 per cent of her electors were men Alberta soldiers stationed in England and in the muddy trenches of the Western Front Give Your Other Vote to the Sister describes MacAdams journey overseas her work at a large military hospital in London and the personal sacrifices she endured during the war It also chronicles Debbie Marshall s own journey to reclaim MacAdams life one that took her across Canada and to the places where MacAdams lived and worked in England and France It was a search that would change her own perceptions about how and why so many women willingly participated in the world s first great war The Moving Picture World ,1916 **One Tree, Many Branches** Di Gammage,Bozena Merrick,2023-09-15 The book includes contributions from Audrey Adeyemi Tasha Bailey Kelly Brackett Jamie Butterworth Alix Hearn Evania Inward Irene Mburu Sasha Morphitis Magda Raczynska Nadja Rolli Zisi Schleider and Anna Tuttle One Tree Many Branches The Practice of Integrative Child and Adolescent Psychotherapy celebrates the twentieth anniversary of the pioneering child and adolescent psychotherapy and counselling training organisation Terapia and the achievements of its trainees tutors and staff who provide highly specialised counselling psychotherapy and bespoke mental health services for young people children parents and families Terapia works with individuals organisations schools and the statutory and non statutory sector and is a strong voice for child psychotherapy as a distinct and specialist profession Therapeutic work with children requires a different set of skills and knowledge to that of adult psychotherapists For example much of the work is non verbal and uses play and metaphor alongside talking It also requires involvement with the system around the child such as parents families
