embroiderer and designer and an apparently reclusive silent invalid who was the lover of Dante Gabriel Rossetti and Wilfred Scawen Blunt Jane Morris and the Burden of History particularly focuses on textual representations in letters diaries memoirs and novels from the Victorian period onwards in order to investigate the cultural transmission and resilience of the stereotype of Jane Morris Drawing on recent reconceptualisations of gender auto biography and afterlives this book urges readers to think differently about an extraordinary woman and about life writing in the Victorian period *Publishers' circular and booksellers' record* ,1866 *The American Bookseller's Complete Reference Trade List, and Alphabetical Catalogue of Books in this Country* Alexander Vietts Blake,1847
