Nursing Consultation A Framework For Working With Communities:

Nursing Consultation Susan Leslie Norwood, 2003 Today's advanced practice nurses are faced with challenging and exciting new opportunities for consultation. While nursing consultation has always been an integral part of the health care environment, increasingly apparent and important is the need for a community perspective. Revised and updated to include this new emphasis on consulting within communities, *Nursing Consultation* continues to provide nurses with both the theoretical background and practical strategies that are needed to successfully respond in today's health care environment. Three New Chapters: Communities, Nurses and Consultation, Team Building in Consultation and Working with Consultants. Emphasizes a 5 phase process to resolve actual or potential problems related to the health status of clients or to health care delivery. Rural Community Health and Well-being: A Guide to Action, **The Clinical Nurse Specialist Handbook** Patti Zuzelo, 2010-10-15 The only resource designed specifically for Clinical Nurse Specialists, the Second Edition of this best selling text addresses the specific practical day to day responsibilities and challenges of the CNS role. Concrete, user friendly strategies and exemplars are drawn from real practice and offer suggestions as well as considerations for CNS practice.
