Nursing Home Horrors Memoirs Of A Nurse:

Nursing Home Horrors, Memoirs of a Nurse Christine Nicole Bowman, 2002 *The Trained Nurse and Hospital Review*, 1915 A monthly magazine of practical nursing devoted to the improvement and development of the graduate nurse **The Art of Caregiving in Fiction, Film, and Memoir** Jeffrey Berman, 2020-10-29 Bringing together the human story of care with its representation in film fiction and memoir this book combines an analysis of care narratives to inform and inspire ideas about this major role in life Alongside analysis of narratives drawn from literature and film the author sensitively interweaves the story of his wife s illness and care to illuminate perspectives on dealing with human decline Examining texts from a diverse range of authors such as Leo Tolstoy Edith Wharton and Alice Munro and filmmakers such as Ingmar Bergman and Michael Haneke it addresses questions such as why caregiving is a dangerous activity the ethical problems of writing about caregiving the challenges of reading about caregiving and why caregiving is so important It serves as a fire starter on the subject of how we can gain insight into the challenges and opportunities of caregiving through the creative arts

Scattershot David Lovelace, 2008 An account of the author s predominantly bipolar family discusses his parents and brother s struggles with their symptoms his own development of bipolar disorder and his observations on the connection between his family s illness and their religious faith *A Matter of Life and Death* Rosalind Bradley, 2016-08-18 This book brings together contributors from different backgrounds including a Holocaust survivor and a death row inmate to explore perspectives on death Each contributor offers commentary on a written or visual work that best expresses death to them A meaningful volume for the bereaved and those working in bereavement or spirituality *Nursing World*, 1919

Negotiating nursing Jane Brooks, 2018-05-17 This electronic version has been made available under a Creative Commons BY NC ND open access license Negotiating Nursing explores how the Queen Alexandra s Imperial Military Nursing Service Q A s salvaged their soldier patients within the sensitive gender negotiations of what should and could constitute nursing work and where that work could occur The book argues that the Q A s an entirely female force during the Second World War were essential to recovering men from the battlefield and for the war despite concerns about women s presence on the frontline Using personal testimony the book maps the developments in nurses work as they created a legitimate space for themselves in war zones and established their position as the expert at the bedside Yet despite the acknowledgement of nurses vital role in the medical service their position was gendered As the women of Britain were returned to the home post war it was the military nurses womanhood that stymied their considerable skills from being transferred to the new welfare state *Issues and Trends in Nursing: Essential Knowledge for Today and Tomorrow* Gayle Roux, Judith Halstead, 2009-10-07 Issues and Trends in Nursing synthesizes the scientific technical ethical and organizational issues that are essential for nurses to understand in order to work in today s ever evolving healthcare arena Arranged into four major units to provide a comprehensive examination of issues impacting the nursing metaparadigm person environment health and

nursing this relevant timely text covers issues pertinent to everyday practice including safety confidentiality technology regulatory compliance and global health

Soviet Nightingales Susan Grant,2022-04-15 In *Soviet Nightingales* Susan Grant tracks nursing care in the Soviet Union from its nineteenth century origins in Russia through the end of the Soviet state With the advent of the USSR nurses were instrumental in helping to build the New Soviet Person and in constructing a socialist society Disease and illness were rampant in the early 1920s after years of war revolution and famine The demand for nurses was great but how might these workers best serve the country s needs By examining living and working conditions nurse patient relations education and attempts at international nursing cooperation Grant recounts the history of the Bolshevik effort to define the Soviet nurse and organize a new system of socialist care for the masses Although the Bolsheviks aimed to transform healthcare along socialist lines they ultimately failed as the struggle to train skilled medical workers became entangled in politics *Soviet Nightingales* draws on rich archival research from Russia the United States and Britain to describe how ideology reinvented the role of the nurse and shaped the profession

War-Torn Exchanges Andrea McKenzie,2016-05-15 Laura Holland and Mildred Forbes an inseparable duo set off from Montreal in June 1915 to serve as nursing sisters in the Great War Over the next four years the two cared for each other through sickness and health air raids and bombings unrelenting work and adventurous leaves *War Torn Exchanges* offers unprecedented insight into the daily lives of Canada s First World War nurses from the privations of Gallipoli to the heavy casualties of Passchendaele and beyond This carefully curated and contextualized collection of letters challenges the popular myth of nurses as wartime angels Instead Mildred and Laura s letters are filled with the nurses fears and frustrations humour and keen observations revealing how they relied on friendship wry wit and professional ethics to carry on in the face of mismanagement discrimination illness deprivation and trauma

We Also Served Vivien Newman,2014-11-30 A social history of British women s brave yet forgotten service during WWI from a historian of female wartime experiences includes photos At the outbreak of World War I women looking to contribute to the Allied effort were told by the war office to go home and sit still Thankfully hundreds of thousands of women from all corners of society ignored that advice and lent their collective strength to the cause In *We Also Served* Vivien Newman digs beneath the myths surrounding women s war efforts to reveal stories of determination and heroism Becoming nurses munitions workers members of the Land Army ambulance drivers and surgeons women stepped readily into a world normally occupied by men Some served with the Armed Forces others funded and managed their own hospitals within sight and sound of the guns At least one British woman bore arms and over a thousand women lost their lives as a direct result of their involvement with the war This profoundly important history by an expert in female wartime experiences lets these all but forgotten voices finally be heard A short book rich in facts and personal testimonies

Historical Novel Society

Residents at Risk? United States. Congress. Senate. Special Committee on Aging,1999

First World War Nursing Alison S. Fell,Christine E. Hallett,2013-06-07 This book brings together a collection of works by scholars who

have produced some of the most innovative and influential work on the topic of First World War nursing in the last ten years. The contributors employ an interdisciplinary collaborative approach that takes into account multiple facets of Allied wartime nursing: historical contexts, history of the profession, recruitment, teaching, different national socio-political contexts, popular cultural stereotypes in propaganda, popular culture, and longstanding gender norms: woman as nurturer. They draw on a wide range of hitherto neglected historical sources including diaries, novels, letters, and material culture. The result is a fully rounded new study of nurses' unique and compelling perspectives on the unprecedented experiences of the First World War.

A Memoir—Delivering Health Care in Cambodian Refugee Camps, 1979-1980 Charlotte J. Knaub, 2014-09-19
People would rather forget. The years of United States involvement in Southeast Asia, the Viet Nam years, ended for most Americans in 1975. For the Cambodian people, whose history seems an endless succession of wars, occupations, and sufferings, 1975 marked the beginning of an era of terror unknown in previous times. Khmer Rouge soldiers overthrew the corrupt regime of Lon Nol. Literally overnight, whole populations of Cambodian cities were ordered to move to the countryside under the ruse that America was going to bomb them. The Khmer Rouge tortured and starved the people. Death from disease, malnutrition, and execution were rampant in what became known as the killing fields. When the horrors of Pol Pot and his regime were followed by the Vietnamese invasion, thousands of surviving Khmers rather than live under the rule of their traditional enemies fled and crossed Thailand's borders. In 1979, Charlotte J. Knaub was a public health nursing consultant with the Montana State Department of Health when she was offered a three-month contract to work in Thailand's refugee camps. As she became aware that the relief operations reflected the unique opportunity for people around the world to join together in relieving the suffering and meeting the desperate needs of the Cambodian refugees, she determined to remain a part of it. Her three-month assignment was extended to thirteen months. This is a memoir of those life-changing events.

California Nurse, 1983 **We Were in the Big One** Mark P. Parillo, 2002-02-01
World War II was truly the largest and greatest conflict in U.S. history. *We Were in the Big One: Experiences of the World War II Generation* is a collection of diary entries, letters, photographs, and other documents from that era. Carefully selected from the Eisenhower Library's World War II Participants Collection and other archives, this material generated in response to the historical events themselves reflects the mindset of the people who produced it. These documents shed light on one of the most important periods of American history. *We Were in the Big One* is one of the first books to make primary source material on this era widely available for use in the classroom. These contemporary documents reveal a great deal about the attitudes of the World War II generation toward matters such as gender, political beliefs, race, religion, social and cultural mores, and personal values. With a concise introduction and headnotes that introduce each document, Prof. Parillo provides an interpretive framework that puts the selections in context for students. Parillo shows how the war affected Americans across gender lines, across social and political spectrums, on the home front and on the battlefield. This compelling text enables students to discover how the war

truly influenced an entire generation of Americans *We Were in the Big One* is an excellent resource for courses in American twentieth century history World War II and U S social and cultural history

Women and the Work of Benevolence Lori D. Ginzberg, 1990-01-01 Nineteenth century middle class Protestant women were fervent in their efforts to do good Rhetoric especially in the antebellum years proclaimed that virtue was more pronounced in women than in men and praised women for their benevolent influence moral excellence and religious faith In this book Lori D Ginzberg examines a broad spectrum of benevolent work performed by middle and upper middle class women from the 1820s to 185 and offers a new interpretation of the shifting political contexts and meanings of this long tradition of women s reform activism During the antebellum period says Ginzberg the idea of female moral superiority and the benevolent work it supported contained both radical and conservative possibilities encouraging an analysis of femininity that could undermine male dominance as well as guard against impropriety At the same time benevolent work and rhetoric were vehicles for the emergence of a new middle class identity one which asserts virtue not wealth determined status Ginzberg shows how a new generation that came of age during the 1850s and the Civil War developed new analyses of benevolence and reform By post bellum decades the heirs of antebellum benevolence referred less to a mission of moral regeneration and far more to a responsibility to control the poor and vagrant signaling the refashioning of the ideology of benevolence from one of gender to one of class According to Ginzberg these changing interpretations of benevolent work throughout the century not only signal an important transformation in women s activists culture and politics but also illuminate the historical development of American class identity and of women s role in constructing social and political authority

Memoirs of Miracles Tim Mondy, 2008-03-12 In early November 2006 6 year old Ryan had a headache that lasted for several days His mother took him to the doctor and Ryan was treated for a sinus infection After the antibiotics were all taken Ryan s symptoms persisted A return trip to the doctor s office revealed a mass in Ryan s head The pressure was causing the headache Within hours Ryan was airlifted to Arkansas Children s Hospital in Little Rock Arkansas Following the initial discovery Ryan underwent two major brain surgeries thirty radiation treatments and nearly one hundred chemotherapy treatments His contagious smile and Bring it on attitude inspired therapists doctors nurses and nearly everyone else he met during his treatments Ryan s story has touched countless lives This book was written in stages during the ongoing battle The intensity of the struggle is not glossed over This account is the struggle for life Join the journey and share in these *Memoirs of Miracles*

A Diary From Dixie (Civil War Memoir) Mary Boykin Chesnut, 2019-12-18 *A Diary From Dixie* is a Civil War diary which paints a vivid picture of a society in the throes of its life and death struggle The author described the war from within her upper class circles of Southern planter society but encompassed all classes in her book Literary critics have praised Chesnut s diary The influential writer Edmund Wilson termed it a work of art masterpiece of the genre and the most important work by a Confederate author

The Healing Hearts Pasquale De Marco, 2025-07-13 In the spring of 1942 the Japanese invaded the Philippines quickly

overwhelming the American and Filipino forces Among those caught in the crossfire were a group of nurses who would come to be known as the Angels of Bataan These brave women served on the front lines of World War II providing care to the wounded and dying in the face of unimaginable hardship They worked tirelessly often in primitive conditions with little food or medicine Despite the overwhelming odds they never gave up hope After the fall of Bataan the nurses were captured and forced to endure the horrors of the Bataan Death March During this brutal trek they witnessed countless atrocities and suffered unimaginable hardships Many died along the way but those who survived never gave up hope Eventually the nurses were liberated and returned home to a country that had changed forever They had seen the worst that humanity had to offer but they had also witnessed the best They had seen the power of love and compassion in the face of unimaginable suffering The nurses of Bataan are a reminder of the resilience of the human spirit They faced unimaginable challenges but they never gave up Their story is one of courage hope and the power of the human spirit This book tells the story of these extraordinary women from their early lives to their service in the war and beyond It is a story of courage resilience and the power of the human spirit It is a story that will stay with you long after you finish reading it If you like this book write a review
