Buttaro, Kate A. Barba, 2012-11-28 *Nursing Care for the Hospitalized Older Patient* is a comprehensive quick reference resource for registered and advanced practice nurses working with older patients in a hospital setting. Organized in a user-friendly format, the book provides vital information on all aspects of hospital care and the full range of health issues encountered by elderly patients. The book is organized into four major sections. The first section provides an overview of the aging patient, including demographics, normal aging changes, and the general impact of hospitalization. The second section covers proper health assessment, providing guidance on history taking and evaluating laboratory values. The third section is the largest part of the book and is made up of short, similarly structured chapters dedicated to individual clinical issues, ranging from burns to depression. These chapters are organized by body system to maximize ease of use. The book concludes with a section on special considerations that cross common clinical areas such as palliative care, pain management, fall prevention, and discharge planning.

Gerontological Nursing Care Shirley Rose Tyson, 1999. Using a caring and wellness framework, this text promotes a humanistic approach to the care of older adults of diverse cultural backgrounds in all care settings. The book examines and discusses the complete cross-section of the lives and difficulties of the elderly and the nurses who care for them, under topics such as spirituality, cultural diversity, sexuality, polypharmacy, falls, and other safety issues, sensory alterations, immunologic concerns, Alzheimer's disease, caregiver stress, professional stress, and homelessness.

Geriooperative Nursing Care Raelene V. Shippee-Rice, Susan Fetzer, Jennifer V. Long, Alexandra Armitage, 2011-11-14. The authors of this book share decades of geriatric perioperative nursing care experience with readers in a thorough, systematic manner. This book would be an excellent addition to the library of any health care professional, especially a perioperative nurse who provides care to older adults. *AORN Journal*, the official publication of the Association of Perioperative Registered Nurses. This is a solid, well-thought-out book. The text has a clarity and focus which enhances understanding of the topics presented. It is particularly notable for crisp reading and uncomplicated, meaningful illustrations. Kudos to the authors for presenting such a medically solid book without losing the art of nursing care or the vision of a well-tended patient.

Nursing News. This timely volume introduces geriooperative care, a new model of surgical care for the elderly designed to improve surgical outcomes and prevent complications through a focus on communication and relationship-centered care. It is the only book to specifically address the care of older adults undergoing surgery, providing practitioners with critical practical and theoretical information from the initial decision to have surgery through the first follow-up visit post-discharge. The text includes the anatomy and physiology of aging, preoperative care, intraoperative and post-anesthesia care, postoperative care, returning home, risk appraisal, education, prevention, early intervention, multidisciplinary team collaboration, and effective communication across all systems of care.

Nursing Care Of The Elderly Introduction

In today's digital age, the availability of Nursing Care Of The Elderly books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Nursing Care Of The Elderly books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Nursing Care Of The Elderly books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Nursing Care Of The Elderly versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Nursing Care Of The Elderly books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Nursing Care Of The Elderly books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Nursing Care Of The Elderly books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts

Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Nursing Care Of The Elderly books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Nursing Care Of The Elderly books and manuals for download and embark on your journey of knowledge?
