## **Nurture That Is Christian Developmental Perspectives On Christian Education:**

**Nurture That Is Christian** James C. Wilhoit, John M. Dettoni, 1995-11-01 This book seeks to aid Christian educators in becoming more intentional in their use of a developmental perspective that is integrated with their theology as well as to the art of teaching In this book noted educators offer a clear statement of developmental theory from a Christian perspective and suggest practical applications to local church ministry contexts thereby aiding teachers everywhere *The Choice to Exceed Our Christian Education* Dr. Clara J. Ushman, 2024-06-03 Christian education is a phrase that is extremely vast Here is a chance to discover Christian education such as its origins histories successes difficulties and continuing challenges The Choice to Exceed Our Christian Education is an adventure into the past present and future of Christian education Where did Christian education come from We travel back into a long ago history lesson How has it changed Has history repeated itself over time For better or for worse What is being done to ensure that Christian education will continue ten fifty or one hundred years from now All these thought provoking questions and more inside *Foundational Issues in Christian Education* Robert W. Pazmiño, 2008-09-01 For almost twenty years Foundational Issues in Christian Education has been a key text for many Christian education courses Its perceptive analysis coupled with clear writing make it a resource without peer In the book Christian education expert Robert Pazmiño guides readers through a comprehensive discussion of the interdisciplinary foundations of Christian education calling all Christian educators to reevaluate the fundamentals of their discipline A careful exploration of foundations writes Pazmiño is essential before specifying principles and guidelines for practice This updated edition includes interaction with professional developments over the past ten years and appendixes that assess the impact of postmodernism as an educational philosophy In addition each chapter includes points to ponder for personal reflection or classroom use *Encyclopedia of Christian Education* George Thomas Kurian, Mark A. Lamport, 2015-05-07 Christianity regards teaching as one of the most foundational and critically sustaining ministries of the Church As a result Christian education remains one of the largest and oldest continuously functioning educational systems in the world comprising both formal day schools and higher education institutions as well as informal church study groups and parachurch ministries in more than 140 countries In The Encyclopedia of Christian Education contributors explore the many facets of Christian education in terms of its impact on curriculum literacy teacher training outcomes and professional standards This encyclopedia is the first reference work devoted exclusively to chronicling the unique history of Christian education across the globe illustrating how Christian educators pioneered such educational institutions and reforms as universal literacy home schooling Sunday schools women's education graded schools compulsory education of the deaf and blind and kindergarten With an editorial advisory board of more than 30 distinguished scholars and five consulting editors The Encyclopedia of Christian Education contains more than 1 200 entries by 400 contributors from 75 countries These volumes covers a vast range of topics from Christian education History spanning from the church's founding through the Middle Ages to the

modern day Denominational and institutional profiles Intellectual traditions in Christian education Biblical and theological frameworks curricula missions adolescent and higher education theological training and Christian pedagogy Biographies of distinguished Christian educators This work is ideal for scholars of both the history of Christianity and education as well as researchers and students of contemporary Christianity and modern religious education *Practicing Christian Education* Mark A. Maddix, James Riley Jr. Estep, 2017-07-18 This accessible introduction to the broad scope of Christian education focuses on its practice in the local church Two leading experts argue that Christian education encompasses all of the intentional practices of the local church including worship mission sacraments and teaching They explore Christian education not only as a field of study but as a vital congregational ministry showing how congregations can engage in discipleship and formation for spiritual growth The book features exercises and other pedagogical devices and includes reflection questions and suggestions for further reading Christianity and Developmental Psychopathology Kelly S. Flanagan, Sarah E. Hall, 2014-03-19 Since its origin in the early 1980s developmental psychopathology has become one of the most significant frameworks for child clinical psychology This volume of essays explores this framework from an integrative Christian viewpoint combining theory empirical research and theology to explore a holistic understanding of children's development

*Christian Faith and English Language Teaching and Learning* Mary Shepard Wong, Carolyn Kristjansson, Zoltán Dörnyei, 2013 Ideological and educational political aspects of the link between language and faith especially between Global English and Christianity is a topic of growing interest in the field of English language teaching This book explores the possible role and impact of teachers and students faith in the English language classroom Bringing together studies representing a diversity of experiences and perspectives on the philosophies purposes practices and theories of the interrelationship of Christianity and language learning and teaching it is on the front line in providing empirical data that offers firm insights into the actual role that faith plays in various aspects of the language learning teaching experience By adding a data based dimension the volume contributes to the cultivation of valid research methods and innovative ways to analyze and interpret studies of the intersection of Christian faith and the practice of teaching and learning language

**Reframing Christian Education for a Global Generation** Heesung Hwang, 2024-09-24 This groundbreaking book serves as a case study delving into the unique challenges faced by the global generation as they navigate the complexities of their hybrid identities Heesung Hwang drawing from her extensive experience as both a minister and theologian presents a compelling vision for religious education inspired by the traditional Korean concept of madang In this open space faith communities gather to engage in communal interaction fostering generative environments where all members are valued and their contributions esteemed Through the lens of madang Hwang invites readers to reimagine religious education as a holistic experience that transcends traditional boundaries encompassing storytelling conversation play and relationship building This transformative work challenges religious educators to embrace innovative approaches that honor the diverse

cultural and religious backgrounds of young people ultimately paving the way for redemptive communities that empower the next generation to shape new cultural and religious expressions within society Reframing Christian Education for a Global Generation promises to ignite important conversations and inspire meaningful change within faith communities worldwide

Critical Perspectives on Christian Education Jeff Astley, Leslie J. Francis, 1994      **Toward a Prophetic Youth Ministry** Fernando Arzola Jr., 2008-02-18 Fernando Arzola Jr addresses the gap in the literature of youth ministry resources conceived and realized in an urban setting He brings together three dominant paradigms traditional liberal and activist to create an approach that is informed by Scripture and the contemporary realities of adolescent development in an urban setting

**The Development of Vocational Stewardship among Indonesian Christian Professionals** Sutrisna Harjanto, 2018-07-31 Christian professionals through their daily work have important roles in God's mission However little empirical research has been done to understand their journey to connect their daily work with God's If the church of Jesus Christ is to have the transformational impact that the world needs then we must better understand our vocations from a biblical and missional perspective In this thorough study Dr Sutrisna Harjanto explores the formational elements of the integration of faith work and mission among Indonesian Christian professionals From detailed semi structured interviews with twenty eight participants this study provides deeper insight into the development of vocational stewardship and the role of empowering relationships and communities Through careful analysis and evaluation the resulting book is an educational perspective on the theology of work and mission beneficial for those in positions to equip and support Christian professionals as they work to fulfil God's mission through daily work      **An Introduction to Ministry** Ian S. Markham, Oran E.

Warder, 2015-10-28 An Introduction to Ministry is a comprehensive and ecumenical introduction to the craft of ministry for ministers pastors and priests that make up the mainline denominations in the United States Ecumenically focused It offers a grounded account of ministry covering areas such as vocation congregational leadership and cultivation of skills for an effective ministry Covers the key components of the M Div curriculum offering a map and guide to the central skills and issues in training Explores the areas of vocation skills for ministry and issues around congregational leadership Each topic ends with an annotated bibliography providing an indispensable gateway to further study Helps students understand both the distinctive approach of their denomination and the relationship of that approach to other mainline denominations Advocates and defends a generous understanding of the Christian tradition in its openness and commitment to broad conversation

*Pursuing Excellence for the Glory of God* Keith A. Currivean, 2022-01-13 What is education How and why do educators do what we do And in what way can and ought education be distinctively Christian These are a few of the probing questions for which this book seeks answers Among other contributions Currivean's book explores a biblical philosophy of Christian education with unprecedented breadth and depth To accomplish this objective it considers what education is chapter 1 what philosophy of education is chapter 2 and what the ultimate goal of education is chapter 3 Additionally this book provides a

never before Christian overview of twelve philosophies of education chapters 4 15 Each of those chapters provides an introduction of a particular philosophy of education and some of that philosophy s exemplars Each of those chapters also contributes a constructive Christian critique Chapter 16 highlights a biblical philosophy of Christian education featuring some people some principles and some priorities for a biblical philosophy of Christian education viz pursuing excellence for the glory of God

Creative Bible Teaching Lawrence O. Richards, Gary J. Bredfeldt, 2020-08-04 Bring the Bible to Your Students like Never Before Communicating the Scriptures is much like building a bridge However instead of ravines or rivers the teacher must span both cultural boundaries and great gulfs of time between the present and the pasts of Moses David Jesus and Paul Though God s Word is always relevant the teacher must help students see Scripture s vast treasures The effective engaging Bible teacher must therefore become creative Together Lawrence Richards and Gary Bredfeldt have created the ultimate guide to building bridges for those seeking to learn about God s Word Creative Bible Teaching offers a five step process by which Christian educators can construct a bridge across time geography and culture to help students of all ages connect with God s Word This newly revised edition makes learning about God s Word more accessible for both teachers and students today Simple clear and memorable the method laid out in Creative Bible Teaching provides a sure fire way of communicating God s Word in a way that sticks

Transforming Theological Education, 2nd Edition Perry Shaw, 2022-01-31 For several decades concern has been expressed about the need for greater integration and contextual significance in the curricular design of theological education In addition there has been a growing awareness of the role theological schools should play in strengthening the missional vision and practice of local churches Drawing on Dr Perry Shaw s experience as faculty member educational engineer and acting academic dean for Arab Baptist Theological Seminary Transforming Theological Education provides theoretical foundations and practical principles for purposeful curriculum design as well as tools for facilitating integrated and contextually significant learning in the classroom This updated second edition has been reorganized for thematic clarity and expanded to provide a stronger foundation for thinking theologically rather than just educationally about theological education It also contains a wider range of curricular examples from innovative theological programs around the world along with practical advice for implementing change in change resistant environments This handbook continues to be a one of a kind resource for theological educators and all those involved in Christian leadership training

**Teaching the Faith, Forming the Faithful** Gary A. Parrett, S. Steve Kang, 2013-03-05 With the decline of traditional Sunday school and education programs in recent years many Christians have not learned the fundamental doctrinal content of the faith In this text Gary Parrett and Steve Kang set forth a thoroughly biblical vision for intentional teaching of the Christian faith that attends to both the content and process of educational and formational ministries

*The Child in American Evangelicalism and the Problem of Affluence* David A. Sims, 2009-06-01 This work presents an evangelical theology of the child nurtured in the context of American evangelicalism and affluence It employs an

eclectic theological critical method to produce a theological anthropology of the affluent American evangelical child AAEC through interdisciplinary evangelical engagement of American history sociology and economics Sims articulates how affluence constitutes a significant impediment to evangelical nurture of the AAEC in the discipline and instruction of the Lord Thus the problem he addresses is nurture in evangelical affluence conceived as a theological anthropological problem Nurture in the cultural matrices of the evangelical affluence generated by technological consumer capitalism in the U S impedes spiritual and moral formation of the AAEC for discipleship in the way of the cross This impediment risks disciplinary formation of the AAEC for capitalist culture cultivates delusional belief that life consists in an abundance of possessions and hinders the practice of evangelical liberation of the poor on humanity s underside The result is the AAEC s spiritual moral lack in late modernity Chapter 1 introduces the problem of the AAEC Chapters 2 and 3 provide a diachronic lens for the theological anthropology of the AAEC through critical assessment of the theological anthropologies of the child in Jonathan Edwards Horace Bushnell and Lawrence Richards Chapters 4 and 5 constitute the synchronic perspective of the AAEC Chapter 4 presents an evangelical sociology of the AAEC drawing upon William Corsaro s theory of interpretive reproductions and chapter 5 constructs an evangelical theology of the AAEC through critical interaction with John Schneider s moral theology of affluence Chapter 6 Whither the AAEC concludes with a recapitulation of the work and a forecast of possible futures for the AAEC in the twenty first century

**An Evaluative Template for Peer-to-peer Models of Evangelism Applied to the "3Story" Model** John James Eitel ,2009 This ministry focus paper examines the 3Story evangelism model through an evaluative template to establish if the model considers the theological historical developmental and environmental factors of the task of peer to peer evangelism While the language and methodology of evangelism seem to have remained unaltered within Christendom the surrounding culture continues to change Expectations and techniques that existed in the past now are being placed on an adolescent culture that neither understands nor connects with them The result of this evaluation will be a greater awareness of the issues facing both models and practitioners when approaching the task of adolescent peer to peer evangelism This study will be divided into four sections The first section will examine the historical approaches to evangelism in North America and the efforts made to adapt these strategies for the task of adolescent peer to peer evangelism This information will create evaluation markers for the evaluative template The second section will explore the theology of peer to peer evangelism along with the dynamic of human relationships in both the Old and New Testament the dynamics of how Jesus His disciples and the early Church shared the Good News in an interpersonal context and the role of the Church This information will create evaluation markers for the theological measure of the evaluative template The third section will explore the psychosocial development spiritual development and environmental issues of peer relationships and their implication to the task of peer to peer evangelism in a North American context This information will create additional markers for the evaluative template Finally the last section will examine the 3Story model

through the template presented It will discuss if the model is a viable strategy for adolescent peer to peer evangelism

**Wouldn't You Love to Know?** Ian W. Payne, 2014-08-08 With all the jumble of human disagreements how can we know Can the Christian church think coherently about knowledge Can it regain confidence in teaching what it knows In an increasingly divided and pessimistic postmodern world this book offers a theology for epistemology and for pedagogy that aims to be faithful and fruitful Building on Karl Barth it argues that God's knowing guides how humans know We should imitate God's epistemic stance his love for that is the best model for knowing anything The Trinitarian theme in Barth identifies three key concepts committedness openness and relationality These mean being committed and open towards what we wish to know Relational open committedness also profoundly clarifies and shapes what love means in knowing and in teaching This book unpacks an epistemology and pedagogy of love Wouldn't you love to know

**Ecologies of Faith in a Digital Age** Stephen D. Lowe, Mary E. Lowe, 2018-06-19 Many Christian institutions have embraced new technologies especially online education But is it possible for us to grow spiritually through our digital communities Steve Lowe and Mary Lowe longtime proponents of online education trace the motif of spiritual growth through Scripture and consider how students and professors alike might foster digital ecologies in which spiritual transformation can take place
