Marching Spain Victor Sawdon Pritchett, 1928 **Marching Spain** Victor Sawdon Pritchett, 1928 *Marching Spain* Victor Sawdon Pritchett, 1920 *Old Spain and New Spain* David Henn, 2004 This is the first book length study of the six travel narratives published by the 1989 winner of the Nobel Prize for Literature Preliminary chapters focus on technical and thematic aspects of travel writing and on the author's approach to the genre Cela's travel works which appeared between 1948 and 1986 are examined in turn with a focus on the construction of the narratives and also on the themes that are developed in each of them There is an assessment of the author's treatment of topographical cultural historical and social material in his accounts of the journeys he made through various areas and regions of Spain as well as a consideration of the way in which these narratives reflect changes taking place in Spain during the Franco regime and in the decade following the dictator's death David Henn teaches modern Spanish fiction drama and travel literature at University College London

Spain in Our Ears Igor Contreras Zubillaga, Eva Moreda Rodriguez, 2023-09-06 This book intends to reflect the variety and diversity of the musical responses that arose in favour of the Republic and against fascism during the Spanish Civil War 1936-1939 encompassing a wide range of music classical music film music popular music geographies the US the USSR Britain Germany and individuals from well known figures such as Paul Robeson and Dimitri Shostakovich to unknown men and women In doing so the book expands upon existing bibliography on the Spanish Civil War which has enjoyed significant advances in the last fifteen years but has paid limited attention to the international dimensions of such musical activity In particular the six chapters of this book together bring in pioneering perspectives to the study of music and the Spanish Civil War e.g. race issues while at the same time calling for an increased transnational approach to the study of music and war more generally Spain in our Ears will be of great value to students and researchers interested in Spanish politics and history as well as the relationship between music and politics The chapters in this book were originally published as a special issue of *Journal of War and Cultural Studies* *Spain* Lucy McCauley, 2002 What's it like to be there *Travellers Tales* gives the best possible answer through the true stories of other travelers Journey into Spain with some of the world's best writers and discover a country of heightened senses bougainvillea blossoming in crimson and orange and air pungent with sizzling olive oil A sensuous journey into a land of mystery and beauty *The Bible in Spain* Borrow, 1894 **Bulletin of Spanish Studies**, 1928 *The armed strength of Spain* War office intell. div, 1883 **On Foot in Spain** J. S. Campion, 1879 *The Spanish Temper* V.S. Pritchett, 2011-09-28 Eliciting comparisons to Orwell's *Homage to Catalonia* Pritchett's meditative work on Spain is comprised of a string of sketches woven around the author's musings on the Spanish character Having lived in Spain for four years during the 1920s Pritchett is well placed to deliver such a report and his resulting narrative is both well informed and delightfully written **Spain's Cause Was Mine** Hank Rubin, Peter N. Carroll, 1999-12-17 In 1937 Hank Rubin a 20 year old pre-med student volunteered for service in the International Brigades fighting fascists in the Spanish
