Portraits Michiko Matsumoto, Soho Photo Gallery, 1988 North American Women Artists of the Twentieth Century Jules Heller, Nancy G. Heller, 2013-12-19 First Published in 1997 Routledge is an imprint of Taylor Francis an informal company **Louise Nevelson** Robert Indiana, Anthony Haden-Guest, 2012 Louise Nevelson 1899 1988 is one of the most important sculptors of the last century famous for her large scale monochromatic wood assemblages and outdoor works Nevelson was born in Czarist Russia immigrating to the US with her family at the age of three and had her first solo exhibition at the prestigious Nierendorf Gallery in 1941 This extensively illustrated publication with 157 images in color is the first to focus on her collage work Made throughout her career and every bit as important as her parallel work of the time Nevelson's collages have been out of the public eye for three decades With never before published documentary images alongside personal essays by Robert Indiana and Bill Katz this long overdue publication repositions these treasures of art history as well as the reputation of their creator for today's audience *Colette* Colette, 1985 **Flash Art**, 1988 **The Photograph Collector**, 1987 **Women in Photography International Archive**, 1997 Feminism in Modern Japan Vera Mackie, 2003-02-26 Feminism in Modern Japan is an original and path breaking book which traces the history of feminist thought and women's activism in Japan from the late nineteenth century to the present The author offers a fascinating account of those who struck out against convention in the dissemination of ideas which challenged accepted notions of thinking about women men and society generally Feminist activism took diverse forms as women questioned their roles as subjects of the Emperor or explored the limits of citizenship under the more liberal post war constitution The story is brought to life through translated extracts of the writings of Japanese feminists This cogent carefully documented analysis will be welcomed by students from a range of disciplines including those working on gender studies and feminist history where nothing comparable is currently available Bibliography of Books by and about Women Photographers Women in Photography International Archive, Peter E. Palmquist, 1998 *The Bishop's Daughter* Honor Moore, 2012-03-07 An eloquent argument for speaking even the most difficult truths New York Times Book Review Paul Moore's vocation as an Episcopal priest took him with his wife Jenny and their family of nine children from robber baron wealth to work among the urban poor leadership in the civil rights and peace movements and two decades as the bishop of New York The Bishop's Daughter is his daughter's story of that complex visionary man a chronicle of her turbulent relationship with a father who struggled privately with his sexuality while she openly explored hers and a searching account of the consequences of sexual secrets

Asiaweek, 1989-04 **The Toho Studios Story** Stuart Galbraith IV, 2008-05-16 Since its inception in 1933 Toho Co Ltd Japan's most famous movie production company and distributor has produced and or distributed some of the most notable films ever to come out of Asia including Seven Samurai Godzilla When a Woman Ascends the Stairs Kwaidan Woman in the Dunes Ran Shall We Dance Ringu and Spirited Away While the western world often defines Toho by its iconic classics which

include the Godzilla franchise and many of the greatest films of the legendary director Akira Kurosawa and actor Toshiro Mifune these pictures represent but a tiny fraction of Toho's rich history The Toho Studios Story A History and Complete Filmography provides a complete picture of every Toho feature the Japanese studio produced and released as well as foreign films that it distributed during its first 75 years Presented chronologically each entry in the filmography includes where applicable the original Japanese title a direct translation of that title the film's international U S release and alternate titles production credits including each film's producers director screenwriters cinematographers art directors and composers among others casts with character names production companies technical specs running times and release dates U S release data including distributor whether the film was released subtitled or dubbed and alternate versions domestic and international awards and plot synopses *Intersex Figures in Modern Japanese Literature and Art* Leslie

Winston,2025-10-29 *Intersex Figures in Modern Japanese Literature and Art* explores the history of intersex or futanari figures in modern Japanese literature and culture to examine the provocative discourses that defied a sexual regime as the modern nation state of Japan advanced its national and imperial designs As sexologists and medical practitioners continued reinforcing categories of male and female normal and pathological intersex literary figures garnered attention because the perceived subject was expected to be male or female any variation was unintelligible Many of the same century old tropes and societal attitudes of needing to cure intersex persist At the same time the 1991 novel Ringu by Suzuki K ji testifies to a denial of futanari subjectivity while the 1998 Japanese horror film Ringu and its 2002 American remake The Ring erase intersex all together Winston interrogates how the trope of the futanari is deployed for pragmatic or aesthetic purposes thereby complicating the trajectory of the dominant sexological ideology of the time Winston reads the figurative futanari in the works of Shimizu Shikin Tanizaki Jun ichir and Takabatake Kash and reveals how the artists different approaches to the futanari served their agendas and expressed views that challenged the dominant discourse on intersex The Japanese

Filmography Stuart Galbraith IV,1996-01-01 This encyclopedic reference work treats a near century's worth of Japanese films released in the United States in theaters or on video and the important actors directors producers and technical personnel involved in them For people each entry provides birth date education death when appropriate a brief biography and a filmography The movies are arranged by original U S release titles and include cast and production credits studio Japanese and U S distributor sound format running time in both the U S and Japanese versions release dates in both countries alternate titles and rating when appropriate of U S release *Graphic Design* ,1985 *Takashi Shimura* Scott

Allen Nollen,2019-03-28 Considered one of the finest performers in world cinema Japanese actor Takashi Shimura 1905 1982 appeared in more than 300 stage film and television roles during his five decade career He is best known for his frequent collaborations with Akira Kurosawa including major roles in the landmark classics Rashomon 1950 Ikiru 1952 and Seven Samurai 1954 and for his memorable characterizations in Ishiro Honda's Godzilla 1954 and several Kaiju sequels This is the

first complete English language account of Shimura's work In addition to historical and critical coverage of Shimura's life and career it includes an extensive filmography **Feeling Media** Miryam Sas,2022-08-22 In *Feeling Media* Miryam Sas explores the potentialities and limitations of media theory and media art in Japan Opening media studies and affect theory up to a deeper engagement with works and theorists outside Euro America Sas offers a framework of analysis she calls the affective scale the space where artists and theorists work between the level of the individual and larger global and historical shifts She examines intermedia experimental animation and Marxist theories of the culture industries of the 1960s and 1970s in the work of artists and thinkers ranging from filmmaker Matsumoto Toshio photographer Nakahira Takuma and the Three Animators Group to art critic Hanada Kiyoteru and landscape theorist Matsuda Masao She also outlines how twenty first century Japanese artists especially those responding to the Fukushima disaster adopt and adapt this earlier work to reframe ideas about collectivity community and connectivity in the space between the individual and the system *Art, Anti-art, Non-art* Reiko Tomii,Getty Research Institute,2007 Introduction to two decades of artistic ferment in postwar Japan As that devastated nation confronted the fraught legacy of World War II a rapid succession of avant garde groups began experimenting with new media and processes of making art disrupting conventions to address the changes occurring around them The works that remain from this era are largely ephemeral exhibition flyers programs for performances musical scores issues of short lived journals documentary photographs pieces of mail art and multiples made from the detritus of modern life but the ideals of engagement and innovation that invigorated this creative surge are not **The Oriental Economist** Tanzan Ishibashi,1959 **Contemporary Photographers** ,1982
