*The Nude* C. Michelle Lindley, 2025-05-27 Art historian Elizabeth Clarke is sent to a remote island in Southern Greece to acquire a rare female nude sculpture for a Los Angeles collection Disoriented by time zones migraines and suspicious details surrounding the figure's discovery she's dependent on her flirtatious but guileless translator The last thing she expects is to be so pulled to his wife Theo a subversive artist who has amassed a small following for her provocative self portraits which seek to deconstruct the objectification of the female form As Elizabeth immerses herself in the island's cobblestoned mazes and sumptuous cuisine and falls deeper into an infatuation with Theo and Theo's art she starts to question her role in the acquisition of cultural artifacts And when after a hazy night out both Elizabeth and the nude are violated in divergent but damaging ways Elizabeth begins to see a parallel between the sculpture and herself What does it mean for a woman to navigate morally complicated negotiations of property in a male directed world What other kinds of ownership or self ownership might be possible

*Sleeping Naked Is Green* Vanessa Farquharson, 2009-08-06 No one likes listening to smug hippies bragging about how they don't use toilet paper or worse yet lecturing about the evils of plastic bags and SUVs But most of us do want to lessen our ecological footprint With this in mind Farquharson takes on the intense personal challenge of making one green change to her lifestyle every single day for a year to ultimately figure out what's doable and what's too hardcore Vanessa goes to the extremes of selling her car unplugging the fridge and washing her hair with vinegar but she also does easy things like switching to an all natural lip balm All the while she is forced to reflect on what it truly means to be green Whether confronting her environmental hypocrisy or figuring out the best place in her living room for a compost bin full of worms and rotting cabbage Vanessa writes about her foray into the green world with self-deprecating humorous and accessible insight This isn't a how to

*Running Naked Through the Streets* which refers to the utter helplessness and vulnerability she often felt is neither an autobiography nor a travel book Although Dr White does include some interesting information for tourists the crux of the book is how being so alone and dependent can encourage and even accelerate personal growth It is told with a great deal of humor and honesty

Interwoven throughout the text are humorous essays recounting some of her bizarre adventures during the year which range from belly dancing to marathon running from inadvertently taking part in a Polish Confirmation ceremony to becoming the object of affection for a mentally challenged homeless man
