Drezner,2013-04-17 Winner of the Association of Fundraising Professionals 2014 Skystone Partners Research Prize in Philanthropy and Fundraising Traditionally institutions have relied on wealthy White men to reach their fundraising goals But as state investment in public higher education lessens and institutions look to philanthropy to move from excellence to eminence advancement officers continually need to engage all populations including many that have historically been excluded from fundraising strategies Based on theory research and past practice Expanding the Donor Base in Higher Education explores how colleges and universities can build culturally sensitive fundraising and engagement strategies This edited book presents emerging research on different communities that have not traditionally been approached for fundraising including Lesbian Gay Bisexual Transgender and Queer LGBTQ alumni African Americans Latinos graduate students young alumni women and faculty donors Chapters discuss and analyze successful programs and provide practical suggestions and strategies to create and implement fundraising programs that engage these new donor populations Expanding the Donor Base in Higher Education is an essential resource for any institution looking to expand their pool of donors and cultivate a more philanthropic mindset among alumni and students Philanthropy and Fundraising in American

Higher Education, Volume 37, Number 2 Noah D. Drezner,2011-05-17 From gifts of blankets chickens and candles to multimillion dollar gifts and billion dollar campaigns voluntary support of American higher education has been part of the American ethos since the founding of the colonial colleges Peter Dobkin Hall in 1992 noted that no single force is more responsible for the emergence of the modern university in America than giving by individuals and foundations Institutions are turning to private giving to meet budgetary demands This book provides a review of the philanthropy and fundraising literature and addresses the impact of philanthropy on American higher education the theoretical under pinnings and motivations for voluntary support and a comprehensive look at the mechanics of fundraising *Fundraising and Institutional Advancement* Noah D. Drezner,Frances Huehls,2014-09-04 In this timely textbook authors Drezner and Huehls take the interdisciplinary complex nature of the study of philanthropy and fundraising and apply it to the field of higher education Covering issues of increasing importance to institutions including donor cultivation growth of fundraising at community colleges and minority institutions engagement of young alumni volunteerism and the competing roles of

stakeholders this book helps readers apply theory to the practice of advancement in post secondary education Special Features Coverage of historical and theoretical underpinnings and insights from related literature and research Discussion of new donor populations including women communities of color the LGBTQ population students and young alumni On the ground case studies bring theories into focus by creating a bridge to experience and action Practical implications for the design of fundraising campaigns and strategies Guiding questions that encourage students to think beyond the current literature and practice This textbook bridges research theory and practice to help higher education administrators and institutions effectively negotiate the fundraising terrain and advance their institution A Future for Everyone David Maurrasse, 2004 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company **Cultivating Diversity in Fundraising** Janice Gow Pettay, 2002-02-26 An important roadmap for fundraising in today s multicultural communities Raising money in today s diverse communities is a growing challenge for fundraisers and philanthropists requiring thoughtful strategies successful collaborations and a respectful understanding of people s differences In this groundbreaking new book the author examines today s four major ethnic groups African American Asian American Hispanic Latino and Native American in terms of their diverse histories traditions and motivations and then applies this information to the proven components of successful fundraising The result is a timely and important look at how fundraisers can use an understanding of ethnic differences to create a vibrant and balanced nonprofit center through both individual and collective efforts In clear easy to understand language Cultivating Diversity in Fundraising answers the following critical questions Who are diverse donors What are their charitable traditions and interests What fundraising methods will be successful in diverse communities What can fundraisers do to include more diversity in fundraising efforts Designed as a guide to fundraising as well as a strategic update for existing fundraisers this book should be required reading for anyone working in today s nonprofit sector We Got Mojo! Raul A Deju, 2016-07-21 Thirty five of my BFF and I decided last year to write snippets of our lives reflecting on how we used our mojo to survive and thrive Many of us escaped adversity in our home countries including the genocide of the Killing Fields in Cambodia the Cuban Revolution and the brutal life in the rural mountain villages of Peru Others in my list of BFF escaped the equally harsh demons of drug addiction while others survived poverty racism war and all forms of discrimination However nothing could stop any of us in our aim to lead a successful life with no sulking None of us considered success the result of becoming rich and famous instead to us success meant bettering ourselves bettering the world innovating where we could and creating businesses such as Charles Schwab Energy Solutions Yahoo HBO MTV Nickelodeon parts of the Virgin Group and many others We have accomplished our goals through passion leadership and perseverance without sacrificing our values and we continue to do so today The book contains our stories in our own words and just like Napoleon Hill did in his famous book Think and Grow Rich in 1937 we have analyzed our life trips and derived the twenty rules that we have consciously or unconsciously followed to achieve our

individual success The stories represent three dozen lifetimes of successes and failures or perhaps we should call them learning steps Through it all we have used our mojo to the max and still do so today We truly got mojo and these are our stories of inspiration and perspiration *The Nonprofit Sector* Walter W. Powell,Richard Steinberg,2006-01-01 Provides a multi disciplinary survey of nonprofit organizations and their role and function in society This book also examines the nature of philanthropic behaviours and an array of organizations international issues social science theories and insight

Emerging Voices, Urgent Choices ,2006-02-01 The strength of U S Hispanic churches is an untold story documented in Emerging Voices Urgent Choices Essays on Latino a Religious Leadership In this pioneering volume experts from various disciplines examine the remarkable contribution of Hispanic churches to U S society and the challenges their leaders face in serving the country s growing Latino population Chapters analyze success stories in Latino a ministry specific issues for Catholic leadership and Protestant denominations and the political and community serving activities of diverse congregations Together the essays demonstrate how Hispanic churches of every denomination are generating social capital in neglected communities The book updates previous research on religion that largely ignores U S Latino as and adds a new dimension to Latino Studies scholarship by recognizing the important role that religion plays in Hispanic life Contributors are Rebecca Burwell Jackson W Carroll Kenneth G Davis Gast n Espinosa Mary L Gautier Mark M Gray Andrew Hern ndez Edwin I Hern ndez Philip E Lampe Adair Lummis Melissa D Mauldin Milagros Pe a Marciana Popescu Juan Carlos Rivera and Amy L Sherman **Leading Up** Lilya Wagner,2005-10-13 Fundraisers at all levels discover the art of leading up Fundraisers know that in order to be successful in their demanding profession they have to get things done And to get things done they need to exercise leadership from whatever rank or position they hold often from the middle This concept is called leading up Recognizing that all fundraisers must be leaders Leading Up teaches professionals the skills and traits they need to be successful in their philanthropic roles Leading Up centers around author Lilya Wagner s unique model which exemplifies the concept of leading up Here fundraisers will discover how to get things done when they re not in charge how to motivate others when they don t have formal authority how to convince or persuade their colleagues and superiors about their need for action and involvement and how to lead when they re not recognized leaders by virtue of power or position Focusing on problem solving concepts Leading Up is packed with thought provoking questions exercises and practical application steps that allow professionals to practice and implement the principles they ve just learned The book also includes inspirational quotes on leadership from recognized and successful professionals and leaders Leadership qualities have to be learned and practiced by all who wish to achieve success in fundraising whether boss or not Leading Up provides readers with the groundwork they need to not only build up their causes and organizations but also influence a professional field that is still developing *Race, Gender, and Leadership in Nonprofit Organizations* Marybeth Gasman,N. Drezner,E. Epstein,T. Freeman,V. Avery,2011-11-15 This volume centers on the lives and experiences of female and African American leaders of

foundations and nonprofits Contributors to the volume examine race and gender as constructs and provide a theoretical background for understanding their effect on the psycho social development of the individuals

The Columbia History of Latinos in the United States Since 1960 David Gregory Gutiérrez, 2004 Offers a comprehensive historical overview of the Latinization of the United States that has occurred over the past four decades Brings together the views of some of the foremost scholarly interpreters of the recent history of Latinos in the United States

The Politics of Patronage Benjamin Márquez, 2021-07-20 Founded in 1968 the Mexican American Legal Defense and Educational Fund MALDEF is the Latino equivalent to the NAACP a source of legal defense for the Latino community in cases centered on education state immigration laws redistricting employment discrimination and immigrant rights Unlike the NAACP however MALDEF was founded by Mexican American activists in conjunction with the larger philanthropic structure of the Ford Foundation a relationship that has opened it up to controversy and criticism In the first book to examine this little known but highly influential organization Benjamin Márquez explores MALDEF's history and shows how it has thrived and served as a voice for the Latino community throughout its sixty years of operation But he also looks closely at large scale investments of the Ford Foundation Rockefeller Foundation and others considering how their ties to MALDEF have influenced Mexican American and Latino politics Its story crafted from copious research into MALDEF and its benefactors this book brings to light the influence of outside funding on the articulation of minority identities and the problems that come with creating change through institutional means

Mongrels, Bastards, Orphans, and Vagabonds Gregory Rodriguez, 2008-10-14 An unprecedented account of the long term cultural and political influences that Mexican Americans will have on the collective character of our nation In considering the largest immigrant group in American history Gregory Rodriguez examines the complexities of its heritage and of the racial and cultural synthesis mestizaje that has defined the Mexican people since the Spanish conquest in the sixteenth century He persuasively argues that the rapidly expanding Mexican American integration into the mainstream is changing not only how Americans think about race but also how we envision our nation Brilliantly reasoned highly thought provoking and as historically sound as it is anecdotally rich *Mongrels Bastards Orphans and Vagabonds* is a major contribution to the discussion of the cultural and political future of the United States
