Numbered Days Poems:

Our Numbered Days Neil Hilborn, 2017-10-10 When you're dumb enough for long enough you're gonna meet someone too smart to love you and they're gonna love you anyway and it's gonna go so poorly Neil Hilborn writes in his debut full length collection OUR NUMBERED DAYS In 2013 Hilborn's poem OCD went viral and has amassed over 11 million views to date While this collection ruminates on love heartbreak and mental illness these poems are anything but saccharine Hilborn uses the same humor and self deprecation that propelled OCD to success in order to make his unmatched vulnerability all the more powerful Ultimately Hilborn is a poet of the people his work is accessible honest and entertaining a revitalizing entry in contemporary poetry *Numbered Days* Dagmar Nick, 1998 These poems are filled with the sadness of loss that is ultimately gained in the psyche of one unerring voice Each poem is jewel sharp and distinct yet many faceted in its knowledge of light and dark This book is ideal for classes in translation and in world literature because the original German text and the English translation are on facing pages **Numbered Days** J. J. King, 1990 *Numbered Days* Aaron B. York, 1906 Schools of forestry *From Pain to Poetry* Mark Tanner, 2014-06-04 This collection of poems was written with pen and tears through pain filled years Sometime during the year of 1996 I began a journey It was a journey that took me to places that I never knew existed I went into places in this life and thought of things and did things that I otherwise would have never thought of doing I stayed there much longer than I ever wanted to stay That place was a place that I call The Altar of No Mercy There you will find yourself and the people that surround you with tombstones in their eyes roaming through the earth and going back and forth in it Job 1 7 Through that journey I have come to understand that everything that is evil is just a mimic of everything that is good Just as you will find the mercy seat at the altar of God you will likewise find the seat of no mercy and the altar of our enemy satan **Trap Street (Able Muse Book Award for Poetry)** Will Cordeiro, 2021-08-27

Will Cordeiro's *Trap Street* travels a shifting landscape Keenly observed deserts woods highways seaside enclaves mountainsides and motels parade in an expansive sweep of the natural and the manmade often returning to inhabited settings and navigating spirited to tense family and social situations Cordeiro's vivid musings are deployed with a precision of craft and diction buttressed by symphonic wordsmithing worthy of a lexicographer This exceptional debut poetry collection winner of the 2019 Able Muse Book Award does not look away from either grime or beauty but lays bare the nature of things PRAISE FOR TRAP STREET The formal elegance and beauty of these poems clash smartly with the hardscrabble world where they occur Back road towns and landscapes down and out rust belt cities the worn out West this is a book that bears witness to the fizzled American dream What's left Mindless jobs litter distraction addiction voiceless anxiety environmental desecration and we are to make a meaningful life from this These are poems written in the long pastoral tradition except the pristine inspiring pasture scene starkly is no longer there I expect there is a bit of exaggeration here along with the honest depiction and that makes this a book both of witness and warning Maurice Manning author of *Railsplitter* *Trap Street* is a map of vanishing dreams true to the country as it struggles to exist Yet the person who inhabits these poems has dignified the writing of them with real care and an ear for the elevated vernacular His declaration that Earth's everything I am runs through every page of the book mordant restless and abiding David Mason 2019 Able Muse Book Award judge author of *The Sound* Not everything must have some cosmic meaning That is the sort of red wheelbarrow faith Will Cordeiro depends on as his adventurous eye records the variegated appearance of the natural and manmade world no detail too small to merit commemoration The scholastic philosopher Duns Scotus cited the *haecceitas* this-ness of observed experience as one component in the quest for the divine so there is every reason to regard Cordeiro's poems as bridging the gap between life's overlooked detritus and exalted vision itself And visual acuity here is matched by a strenuous verbliness color coordinated vowels informing chewable consonants in a lexicon ranging from cattywampus to glumes to blear It's a pious beauty diction and syntax that remind me of Hopkins and Marianne Moore We should all join in welcoming Will Cordeiro's amazing debut Alfred Corn author of *The Poem's Heartbeat* ABOUT THE AUTHOR Will Cordeiro has work published in *Agni* *Best New Poets*

L. West, 1997-10-23 Over the last sixty years scholars have increasingly become aware of links connecting early Greek poetry with the literatures of the ancient Near East Martin West s new book

far surpasses previous studies in comprehensiveness demonstrating these links with massive and detailed documentation and showing they are much more fundamental and pervasive than has hitherto been acknowledged Ever since Neolithic times Greek lands lay open to cultural imports from western Asia agriculture metal working writing religious institutions artistic fashions musical instruments and much more Over the last sixty years scholars have increasingly become aware of links connecting early Greek poetry with the literatures of Mesopotamia Anatolia Canaan and Israel Martin West s new book far surpasses previous studies in comprehensiveness demonstrating these links with massive and detailed documentation and showing that they are much more fundamental and pervasive than has hitherto been acknowledged His survey embraces Hesiod the Homeric epics the lyric poets and Aeschylus and concludes with an illuminating discussion of possible avenues of transmission between the orient and Greece He believes that an age has dawned in which Hellenists will no more be able to ignore Near Eastern literature than Latinists can ignore Greek *Poetry Breathes Life into Bible Characters* Pat Morrell-Donnelly, 2016-05-14 Pats fifth book is a book of poems based on the lives of people in the Bible She hopes these Bible poems will in some way bring to life information about each person their faith their strength and for some their failings Just wherever the spirit has led her has been her way She does not profess to be a Bible scholar Her aim and hope is to use any talent she possesses to glorify God She didnt start out with a plan about which person she would write about first In the beginning it was going to be about lives of women in the Bible then it branched out to the men also Many times she would hear a sermon or her sister or a friend would mention a Bible person and she would then write a poem about that person Or when writing about a particular person she would then feel compelled to write about their spouse or someone connected to them Her information was collected from the Bible and other sources To make the verses all rhyme and still tell the story was another challenge Her hope was to make it more interesting for a novice or for young people to understand Many in this country have turned their backs on God We have even been told This is not a Christian nation Believers in God have made this country great Millions of lives have been sacrificed for our freedom Sadly as in the book of Jeremiah we have become a divided country Pat believes only if we turn back to God will our country remain great and free May the pleasure of reading these poems about lives of people in the Bible bless each reader and bring to life the story of each Bible character
