As You Seek so Shall You Find Barbara Knapp, 2016-12-29 The content of this book is about the awakening of the soul and the connection to our source of life. As we evolve and grow spiritually, we begin to search and seek for answers to some of the questions we have in our minds. We look for the purpose of our existence and what that all means. In seeking, you find that there really is a higher purpose and that your soul yearns to find that. The soul begins the process of awakening and begins its ascension back to its source. This is the journey of the soul.
