Nuno Ramos:

Morte das casas Nuno Ramos, Paulo Venancio Filho, Vilma Sant'Anna Arêas, 2004* **The Senses of Democracy**

Francine R. Masiello, 2018-05-02 In *The Senses of Democracy* Francine R Masiello traces a history of perceptions expressed in literature the visual arts politics and history from the start of the nineteenth century to the present day A wide transnational landscape frames the book along with an original and provocative thesis when the discourse on democracy is altered when nations fall into crisis or the increased weight of modernity tests minds and nerves the representation of our sensing bodies plays a crucial role in explaining order and rebellion cultural innovation and social change Taking a wide arc of materials periodicals memoirs political proclamations and travel logs along with art installations and fiction and focusing on the technologies that supplement and enhance human perception Masiello looks at the evolution of what she calls sense work in cultural texts mainly from Latin America that wend from the heights of romantic thought to the startling innovations of modernism in the early twentieth century and then to times of posthuman experience when cyber bodies hurtle through globalized space and human senses are reproduced by machines Tracing the shifting debates on perceptions *The Senses of Democracy* offers a new paradigm with which to speak of Latin American cultural history and launches a field for the comparative study of bodies experience pleasure and pain over the continental divide In the end sense work helps us to understand how culture finds its location [Heat and Mass Transfer in Porous Media](#) J.M.P.Q. Delgado, 2011-10-08 This

book *Heat and Mass Transfer in Porous Media* presents a set of new developments in the field of basic and applied research work on the physical and chemical aspects of heat and mass transfer phenomena in a porous medium domain as well as related material properties and their measurements The book contents include both theoretical and experimental developments providing a self contained major reference that is appealing to both the scientists and the engineers At the same time these topics will encounter of a variety of scientific and engineering disciplines such as chemical civil agricultural mechanical engineering etc The book is divided in several chapters that intend to be a short monograph in which the authors summarize the current state of knowledge for benefit of professionals **The Environmental Imaginary in Brazilian Poetry and Art** M. McNee, 2014-07-10 This study contributes to ongoing discussions on the connections between the environmental imaginary and issues of identity place and nation Utilizing a delimited ecocritical approach McNee puts

Brazilian culture through the work of contemporary poets and visual artists into a broader transnational dialogue **Crisis and Communitas** Dorota Sajewska, Małgorzata Sugiera, 2023-05-29 This book is a critical transdisciplinary examination of a broad range of philosophical ideas theoretical concepts and artistic projects of community in the 20th and 21st century in the context of global local social and political changes This volume opens new vitas by focusing on carefully selected instances of multipronged crises in which existing concepts of commonality are questioned reformulated or even speculatively designed with a better future in view As many authors of this volume argue in the face of today s unprecedented global ecological and

economic challenges speculative design is of utmost importance as it can foster alternative unthought of forms of connectivity that go far beyond progressivist narratives of nation corporation and nuclear family Focusing on the situations of upheaval both historical and fabulated the collection not only examines how multipronged crises trigger antagonisms between egalitarian forms of communitas and the normative concept of the nation and other normative forms of communities as a community that separates and excludes It also looks closely at philosophical and artistic projects that strive to go beyond the dichotomies and typically extrapolated utopias envisaging new political economies ways of living and alternative relational structures It will be of great interest to students and scholars in performance studies cultural studies political studies media studies postcolonial and decolonial studies critical anthropology

The Fascism of Ambiguity Marcia Cavalcante Schuback, 2022-08-25 This book contributes to the work of elucidating the new forms of fascism and authoritarianism that arise today in intimate relation with new mediatic and information technologies It presents elements of the connection between capitalism and fascism and makes clear how fascism today uses the ambiguity of senses and meanings as its most efficient way of infiltrating our reality and thereby becoming unequivocal The fascism of ambiguity is a fascism that grows the more the ambiguities and paradoxical dimensions of the contemporary situation become explicit It departs from some lessons of history regarding both historical fascism and some of the main critical lines and thoughts produced in the beginning of the 20th Century It shows what is new in today's form of fascism discussing its connection to techno mediatic capitalism to the dynamics of emptying meanings and senses through a technique of rendering them ambiguous and exacerbated It outlines some guiding thoughts regarding the question of ambiguity and metapolitics today and concludes by proposing two exercises of precision through the lenses of poetry and music as a way to resist and counteract the fascist metapolitics of the ambiguity of meanings and senses

Semiotics and Visual Communication III

Evripides Zantides, 2019-11-12 The chapters in this book consist of selected papers that were presented at the 3rd International Conference and Poster Exhibition on Semiotics and Visual Communication at the Cyprus University of Technology in November 2017 They investigate the theme of the third conference The Semiotics of Branding and look at branding and brand design as endorsing a reputation and inhabiting a status of almost mythical proportion that has triumphed over the past few decades Emerging from its forerunner corporate identity to incorporate advertising consumer lifestyles and attitudes image rights market research customisation global expansion sound and semiotics and the consumer as the brand the word branding currently appears to be bigger than its own umbrella definition From tribal markers such as totems scarifications and tattoos to emblems of power language fashion architectural space insignias of communal groups heraldic devices religious and political symbols national flags and the like a form of branding is at work that responds to the need to determine the presence and interaction of specific groups persons or institutions through shared codes of meaning
