material But was this fair when Fitzgerald s novels were based on their life together Sally Cline s biography first published in 2003 makes use of letters journals and doctor s records to detail the development of their marriage and to show the collusion between husband and doctors in a misdirected attempt to cure Zelda s illness Their prescription no dancing no painting and above all no writing left her creative urges with no outlet and was bound to make matters worse for a woman who thrived on the expression of allure and wealth
