An Eagle's View Paul Moss,2022-08-18 There are items that if obtained can open the heavens for further enlightenment before the second coming of the Lord Through a series of surprise events a cast of characters begins to come together a gathering of peoples that unbeknownst to some have entered into a potentially dangerous and life threatening situation dealing with the items mentioned above One of these characters Darren Brown a Colorado native with a wife and three children begins to feel disenfranchised unsettled and concerned about the world around him As he sets off to find some personal answers he is shortly swept into something that he knows nothing about changing his and his family s lives forever Another character Misty Butler an elderly Native American widow arrives on the scene and she too after experiencing some powerful and emotional spiritual visions is wrapped up into the plot From the first chapter to the last the plot twists and turns leaving the reader in suspense over what will happen next The Eagle Magazine ,1919 *Little Painted Eagle and The Teaching Rocks* Larry Busch,2025-08-18 *Little Painted Eagle and The Teaching Rocks* A Journey of Self Discovery is a free verse poem about a young mixed blood European and Indigenous male who during a solo canoe trip discovers hundreds of petroglyphs and pictographs By accident he incites the petroglyphs to dance He commits a grave error by making a rubbing and taking it home It won t dance He returns to the native community of his youth and asks his elders for help He returns to the petroglyph site to make amends and almost dies in the process With the aid of his grandmother s spirit he communicates with many powerful petroglyph and pictograph spirits His native spirit is rekindled as each imparts their particular wisdom The spirits lead him to previously unknown historical sites around the Great Lakes as he unravels his band s history of culture and war This story will attract the attention of native and non native readers It will generate interest into native petroglyphs and pictographs at home and around the world The story will enhance and rekindle interest and education into native spiritual beliefs *Eagle* Birgit "B" Holzmann,2025-03-04 Peter Manner known by his codename Madman leads a glorious life as a military pilot Together with his team he has a reputation for being unbeatable at the most difficult missions But then the base receives a mission that is beyond even their abilities America is to become the target of a test of a new bio weapon which the team must incapacitate Their only option is to use stealth bombers but this raises a problem none of them has any experience with this aircraft *Lone Eagle* Philip Kaplan,2017-05-16 Take someone with superior intelligence unusual strength perfect vision catlike reflexes exceptional marksmanship and nerves of steel and you just might have what it takes The fighter pilot had total control of an airborne vehicle traveling hundreds of miles an hour and was capable of leaving a devastating path of destruction in his wake Navigating with brains and stamina making life or death decisions in the blink of an eye these unique heroes succeeded or failed by their skill and wit And although their planes have changed over the years from World War I s precarious contraptions made of wood wire and cloth to the metal monsters of the second World War and finally to sleek computerized birds able to cruise at speeds that exceed Mach 1 fighter pilots still must out think and

out fly opponents in a one on one contest where everything is at stake Profusely illustrated throughout with action photos paintings memorabilia and mementoes Lone Eagle is a vivid volume recalling the thrill of flying Spitfires Phantoms Zeroes and other fighter planes throughout aviation history Through engaging personal stories and remembrances this book examines the combat missions and evolution of tactics gathered over the last 70 years where every hour of every day was an unforgettable and marvelous experience *Once They Were Eagles* Frank Walton,2013-04-06 Marine Corps Fighter Squadron 214 was hastily organized in the field during World War II to meet the urgent need for another combat squadron in the South Pacific The squadron self named the Black Sheep went on under the leadership of the swashbuckling Pappy Boyington to become the most famous in Marine Corps history Now comes the true story of the Black Sheep Squadron and the men who wrote its record in the Pacific skies Once They Were Eagles tells how and why the squadron was formed provides brief sketches of every member and creates a vivid picture of the exciting but deadly aerial sorties over the South Pacific Frank E Walton located the thirty four survivors of the fifty one original Black Sheep In a unique series of interviews former Eagles share their recollections of those days of high adventure and their experiences in the years to follow

Wounded Warriors Robert C. Vallery,Jacquelyn M. Howard,2014-02-01 Robert C Vallieres struggled to find his new normal when he returned home after serving in the military An accident in Kuwait left him suffering from traumatic brain injury TBI internal injuries leaving him in constant pain After clinics bottles of painkillers and behavior modification pills hope seemed to vanish Then a local weekly newspaper ad caught his eye a bird watching trip to see raptors in the mountains of New Hampshire An Emily Dickinson poem that states Hope is the thing with feathers that perches in the soul and sings the tune without the words and never stops at all sprang to his mind Wounded Warriors is Vallieres s story of self healing from crippling invisible wounds through the help of birds The problems of TBI and post traumatic stress disorder do not have definitive solutions His story of recovery offers a winged hope to thousands of military personnel who suffer these physical and mental battles On the Wings of the Eagle Kathleen Sherwood,2012-05 Jack saw the ground rushing up to meet him He glanced fleetingly at Katie Beth s picture and whispered Forgive me as he tried to level her out before she hit Only able to pull the massive plane up slightly he knew the landing was going to be rough Too rough God help me Jack and Katie Beth have been friends their whole lives but they are the last to realize they are in love When they go to their senior high school dance separately but leave together no one else is surprised in the least What does surprise them however are the choices Jack and Katie Beth make after the devastating attack on Pearl Harbor Katie Beth and Jack are passionate about each other but more passionate about the roles they will play for their country Raised in a time when love for God family and country takes priority above all else they are forced to come to terms with which of these loves will ultimately win out Only time will tell if their sacrifices will keep them separated forever Through Katie Beth and Jack Kathleen Sherwood tells the perfect love story Set against the intensely emotional backdrop of World War II On the Wings of the Eagle is a soaring breathtaking novel
