**Nurse Brenda's Husband** Quenna Tilbury,1989 Romance      *Nurse Brenda's Husband* Quenna Tilbury,1966

Gender, Bodies and Work Berit Brandth,2017-05-15 All work is gendered and all work is embodied Yet in common with so many features of social life these connections have remained largely unnoticed in most areas of social enquiry All three topics gender bodies and work have their own history and theoretical concerns and have recently showed signs of convergence This volume recognizes this convergence and explores the inter connections more specifically The authors provide a set of questions which draw together themes already present in existing studies and which provide the basis for further analysis and theoretical elaboration The chapters explore processes of embodiment and dis embodiment within working settings and discuss the implications of these for the construction of gendered identities Enhancing our knowledge of all three terms Gender Bodies and Work develops a perspective that has considerable potential both for assessing the past and exploring the future

**Caring for Elderly Parents** Deborah M. Merrill,1997-05-30 Based on open ended interviews with adult children and children in law this book documents how plain folk from the working and middle classes manage to provide care for their frail elderly parents while simultaneously meeting the obligations of their jobs and their own immediate families Adult children who care for elderly parents are pressured daily trying to juggle the responsibilities of work family and caregiving Deborah Merrill shows how plain folk as one caregiver termed herself from the working and lower middle classes manage to provide care for their frail elderly parents while simultaneously meeting the obligations of their jobs and their own immediate families The evidence is drawn from open ended in depth interviews with adult children and children in law all of whom have worked outside of the home at some point during caregiving Merrill examines the strategies that caregivers use to combine work and caregiving and the accommodations they make in their jobs She also points to the pathways that lead family members to caregiving roles and how those pathways vary according to family history gender and in law status By focusing on class differences in caregiving and pointing to policy implications Merrill has provided an invaluable resource for students researchers and policymakers in social work gerontology family studies and social issues

**Maternal Child Nursing Care - E-Book** Shannon E. Perry,Marilyn J. Hockenberry,Deitra Leonard Lowdermilk,David Wilson,Kathryn Rhodes Alden,Kitty Cashion,2017-09-09 Maternal Child Nursing Care E Book

Restoring the Healer William Dorman,2016-02-28 Burn out Two words that haunt those in high stress jobs especially in the medical profession Long hours and the literal life and death nature of the field creates expectations to not only be on call

at all hours but to be at one's best even at 3:00 AM after a twenty hour shift So much energy is devoted to the care of others that self care is forgotten Yet more are noticing and research confirms that self care is needed not only for personal sanity but also for quality of work Unwell medical professionals are not the best at treating others And this self care includes not just rest food and water but a deeper care one that tends the spiritual side as well To both the spiritually active and the spiritually resistant hospital chaplain William Dorman offers a guide to understand a more comprehensive full bodied self care Each chapter begins with case studies concrete experiences that help unpack abstract concepts which bring much needed peace to stressed individuals Dorman also structures each chapter to end with prayers and action steps which offer more concrete ways to care for the self From working as a hospital chaplain for over 18 years and serving as the director of chaplaincy services for the largest integrated health care system in New Mexico Rev Dorman recognizes the stresses that come to those who have made it their profession to heal others Healers need healing too and this guide is the first step

"Sonlight" for Living Carolyn Best, 2009-09 This book is not about me It is about God and how He worked in every detail of my life to confirm that He is real oceans lakes rivers streams **Purple Robin** Calvin Dirickson, 2012-10-18 Calvin Dirickson was born in 1938 and spent his early childhood in stark poverty During his four year hitch in the navy he took writing courses This is his second book to be published He has completed writing his third and has begun on his fourth

Klassen, 2021-06-08 Blessed Events explores how women who give birth at home use religion to make sense of their births and in turn draw on their birthing experiences to bring meaning to their lives and families Pamela Klassen introduces a surprisingly diverse group of women in their own words while also setting their birth stories within wider social political and economic contexts In doing so she emerges with a study that disrupts conventional views of both childbirth and religion by blurring assumed divisions between conservative and feminist women and by taking childbirth seriously as a religious act Most American women who have a choice give birth in a hospital and request pain medication Yet enough women choose and advocate unmedicated home birth and do so for carefully articulated reasons social resistance among them to constitute a movement Klassen investigates why women whose religious affiliations range from Old Order Amish to Reform Judaism to goddess centered spirituality defy majority opinion the medical establishment and sometimes the law to have their babies at home In considering their interpretations including their critiques of the dominant medical model of childbirth and their views on labor pain she

examines the kinds of agency afforded to or denied women as they derive religious meanings from childbirth Throughout she identifies tensions and affinities between feminist and traditionalist appraisals of the symbolic meaning of birth and the power of women What does home birth a woman centered movement working to return birth to women s control mean in practice for women s gender and religious identities Is this supreme valuing of procreation and motherhood constraining or does it open up new realms of cultural and social power for women By asking these questions while remaining cognizant of religion s significance Blessed Events challenges both feminist and traditionalist accounts of childbearing while broadening our understanding of how religion is lived in contemporary America

**Family Affair** Lord Walker,2012-07-06 In the pursuit of wealth power an influence Nick Siros a disenfranchised Native American will let nothing stop him from achieving his goal of becoming a major player in the burgeoning Casino industry Bent on the drive to succeed and to overcome the obstacles of displacement by the Country he calls his home only motivates him to face these challenges This suspense drama is based on the life of Nick Siros Fictional Character identified by many family s struggle to hold on to family principles without sacrificing the true meaning of loyalty The dilemmas of personal sacrifice leads to resentment and shame In these dynamic turn of events this novel will question your sense of accomplishment and what is the true cost of success and is it worth it This family saga enumerates with outside conflicts in the pursuit of these goals leading to vengeance and retribution by their deceptible and cold hearted choices

**The December angel** N.M. Lander,2013-09 With the blink of an eye Mariella a professional writer who once felt she was on top of the world watches as her life crumbles right before her eyes The love of her life and her strength her husband Daniel a powerful business attorney was diagnosed with leukemia After hearing that he collapsed while in his law firm s office Mariella rushes to be at Daniel s side As a writer Mariella would write month after month in her own Journal and during times when she was facing situations as a person that she is trying to become Mariella and her two young girls watch while Daniel becomes weaker and sicker struggling each day with a disease that the doctors were unable to cure All they could do was stand there and watch and make whatever time left to be memorable As Mariella was trying to keep strong for her husband and two young girls Cassidy and Ryder she found herself building a wall to block out her own emotions a wall Mariella had put up for strength while dealing with Daniel s sickness Faced with the challenges of moving on without him at her side she tried to keep life normal in New England After losing Dan she found that the changes she was making in her life were not enough It is not that she didn t want to lose memories of Dan however she wanted to wipe off those bad memories the ones of him becoming weak and sick Mariella and her two young girls would soon find their new home in a town outside of Nashville Tennessee called Golden Oaks Moving to the South and leaving her northern life behind her she began running a local bed and breakfast while still writing Here she met Brenda a woman who she became good friends with and who introduced her to Jordan a man who she would soon consider the new love of her life Soon finding love again with a professional hockey player and also a coach for her daughter s hockey team she began to

regain the part of her that was missing from her life love Mariella started to find happiness strength and hope all of which she had needed after meeting Jordan Brenda's Bargain Helen Leah Reed,1903 *Death by Autopsy* Jane Bennett Munro,2014-10-07 Pathologist Toni Day is faced with a situation most pathologists only joke about Beulah Pritchard comes back to life on her autopsy table Beulah was a coworker of Toni's at Cascade Perrine Regional Medical Center where she was known as a merciless gossip happiest to attack female doctors with slander and lies Beulah drove her car off a snow covered road with her husband's dead body in the trunk Although Beulah survived her injuries and hypothermia she died only to come alive on Toni's table and die again Beulah's estranged sister threatens to sue both Toni and the hospital for wrongful death but it's soon apparent both Beulah and her husband were murdered To save her career and the hospital Toni investigates the mysterious deaths of Mr and Mrs Pritchard Her inquiries uncover a decades old scheme of embezzlement blackmail and more Soon someone is on Toni's tail the killer desperate to stop the curious pathologist from uncovering the truth In order to stay alive Toni must confront a vicious and clever murderer who will do anything to keep the past under wraps **As**

**Written by the Water** Pilar Lepe,2021-02-02 They say that somewhere in the world we all have an identical twin Brenda's marriage to Jack was worn out and she thought a second honeymoon while enjoying the cold nature in Norway would be a good idea But a fatal accident saw her shoved to the bottom of the fjord from where Rolf rescues her Brenda didn't want to be revived but daring hands pushed her back into the world of the living Upon meeting Rolf she thought that she was finally reaching the elusive happiness But things are never that easy especially if they are not what they seem Unfortunately for Brenda her happiness depends on the whims the water hides What would you do if your shadow crossed your path *Ava Finds Time* Ann Colbert MD,2024-04-12 This semi autobiographical fiction written by a hospice doctor describes the uneasy balance between a health provider's personal and professional life Using flashbacks touching patient encounters and the sometimes sardonic notes Ava takes while reading a medical dictionary from cover to cover the reader lives through one eventful year in the young doctor's life and watches as the delicate balance falls apart Braided together with the doctor's story is that of a musician friend Rosella who has lost her brother With the support of family community and friends Ava is able to emerge on the other side of grief and eventually finds time in both a temporal and literal sense This book is a good read for those working in care giving health related or otherwise And for those who know the heartache of grief

Exploring Brenda's Path and Her Journey to Self-Discovery Barbara J. Davis, PhD, 2019-02-11 Everyone knows someone who has been molested sexually abused or raped The problem No one talks about it Brenda s Path A Journey to Self Discovery is a novel about perceptions of sexuality It brings to life the rape of a 12 year old girl Brenda lives with her family in a working class suburb of Detroit Michigan She is a good student and popular Her leadership qualities are obvious She plays sports and loves to dance She is active with her church youth group and serves as a counselor in summer youth camps On the surface Brenda appears to be socially emotionally and spiritually healthy However she hides an ugly secret that weighs heavily on her She is a survivor of rape Hopefully this Guide for Discussion Leaders will motivate readers of all ages to examine their own perceptions of sexuality and more importantly to explore what a healthy and ethical sexual self might look like After reading Brenda s story and after follow up discussions communities may want to consider developing a comprehensive action plan to reduce the incidence of abuse in families neighborhoods schools clubs and the larger community Once they can agree on a clear portrait of what is meant by a healthy and ethical sexual self these representatives can then build a plan and timeline to educate the broader community through age appropriate channels This plan should reflect input from the educational spiritual and mental health communities and must reach beyond survivors and perpetrators so the broader community knows understands and is prepared to act if and when sexual abuse occurs
