comes with a price **Streak of Fire** Frank E Webb III,2016-12-06 The Korean War or conflict as it s known by only those who weren t on the battlefield was a devastating time in world history Although most of modern American society has forgotten just how devastating the toll was those in the upper echelons of power are particularly aware of the uneasy truce that has existed since the ceasefire A truce so precarious that the slightest misstep may send the two countries back into the crosshairs of a multi national war Meanwhile Jessica DeLucca is a seemingly normal teenager A drummer in a surprisingly successful band Jess is reveling in the success of her music while simultaneously navigating interfamilial drama During her band s gig at the Navajo Nation Fair a mysterious woman gives her an even more mysterious necklace This otherwise ordinary trinket may hold the key to world peace that is if Jess can steer clear of the bloodthirsty agents who seek to wield this power for less peaceable outcomes **The Shy Nurse's Rebel Doc** Alison Roberts,2018-08-01 From playing it safe To falling for her rebel boss In this Bondi Bay Heroes story ER nurse Samantha Braithwaite has learnt never to put limits on herself But working with Dr Blake Cooper is her biggest challenge yet He thinks she s shy but that makes her more determined to prove she can make the Specialist Disaster Response team And as days spill into nights the chemistry they ve tried to hide is about to explode The Beaumont Brothers Leslie North, The Billionaire s Sham Girlfriend Gregor Beaumont is in a world of hurt that all the charm in his gorgeous well toned body can t fix His late grandfather God rest his soul wanted to make sure Gregor and his two playboy brothers settle down He had the brilliant idea of buying up a huge share of the brothers engine company and using that as incentive for each brother to find Mrs Right Settle down or lose the company to a competitor Well that s just not happening to Gregor not when life s so good at the moment Gregor likes racing fast cars and seducing fast women and not necessarily in that order Settle down Not a chance Gregor has his own brilliant idea find some wholesome and desperate girl to pretend to be his girlfriend No harm No foul Unless things start getting a little bit too real Kara Alerby knows she s a sucker for blues eyes and a great smile so when Gregor comes into her theater wanting to hire her to act the part of his adoring girlfriend she s already got her defenses on high alert But Kara s a practical girl and Gregor s offering a boatload of money that would go a long way toward making her dream a reality All she has to do is remind herself every second of every day they re together that it s all make believe even when it doesn t always feel that way The Billionaire s False Fianc e Jess Green has had to fight for everything she has When she sees her future about to slide into an abyss thanks to an offhand comment made by her sexy but oblivious boss Alistair Beaumont she decides to take things into her own hands Everyone in the financial world knows the Beaumont brothers need to settle down else the company that Jess depends upon will go under So when Alistair is overheard discussing his disbelief in love and marriage the company stock price plunges When Alistair suffers a bout of amnesia on a skiing trip Jess sees a way to save the company and decides to tell him one teeny tiny lie she s his fianc Alistair loves one thing and one thing only his freedom and certainly not the girl he finds in his bed claiming to be his future wife Amnesia or not something s not right Sure she s got that girl next door sexiness about

her and his attraction to her is powerful but deep in his gut he's rebelling against the idea of being tied down Snowed in and isolated from the world in an exclusive lodge Alistair begins to believe they are a couple and he actually finds himself falling in love But when Alistair gets his memories back will he choose to stay with Jess who he can't get out of his mind or out of his heart or will he choose to take back the freedom he's always craved The Billionaire's Last Chance Conall Beaumont CEO and COO of B3 Motors was just about to propose to the woman of his dreams when it all went south Turns out the lady had a habit of killing her husbands so Conall will have to look elsewhere if he wants to find a wife It just so happens that the stunningly beautiful woman who witnessed his humiliation is the daughter of the lawyer who's executing his grandfather's will a will Conall would do just about anything to get his hands on in order to save his company and the livelihoods of the people who work for him If putting his hands on a beautiful woman will get him closer to that goal then he's game Besides there's something about Bernadette Rowland that has him thinking she could be more than just a pawn in his grandfather's game Bernadette wasn't looking for a man but when Conall inserted himself into her life she didn't put up much of a struggle He's sexy and smart and seems genuinely interested in her work as a wolf researcher Bernadette can't resist his charm and before long she's swept up into his world But just when she thinks she's found someone who could be her mate for life she discovers the real reason he's been piling on the charm and their perfect romance crumbles Nights to Remember ,

Djandjay Baker,Bob Baker,2023-11-16 Aboriginal and Torres Strait Islander people are warned that the cover and inside pages of this book contain images of people who have died We pay our respects to those who have passed away The Aboriginal tribe the Yolngu of North east Arnhem Land had always fiercely resisted intruders into their little known and untamed country Why then did Methodist missionaries seek them out One answer could be due to the Bible another could be that by the 1920s the future of the Aboriginal Yolngu people of North east Arnhem Land was dire due to European contact

throughout the country What did happen to the Yolngu living by their own laws at the time of the arrival of the first Christian mission balanda foreigners who settled into Yolngu land Yolngu Rom law was enforced by the spear until the arrival of the missionaries carrying their Bibles and Crosses Although the missionaries were few the Australian Police then began to visit support new western laws that were being introduced to the Yolngu Justice was meted out by law courts and enforced by the power of the gun When the law was broken there was the possibility of imprisonment or even capital punishment With the arrival of the Methodist Overseas Mission offering modern conveniences and living conditions for the Yolngu other Yolngu clans living on the mainland became attracted to the idea of settling at Milingimbi The Methodist Mission became a buffer between the Yolngu and the encroaching dominant western society Yolngu communities began to grow and prosper unlike Aboriginal communities down south There the Europeans had fenced tribal lands and disempowered the Aboriginal people who had died in large numbers By the 1920s Europeans considered Aboriginal people to be a dying race which of course was incorrect
