**Be My Baby** Ronnie Spector, 2022-05-03 Do I have to tell you that Ronnie s got one of the greatest female rock and roll voices of all time She stands alone Keith Richards Be My Baby is the behind the scenes story newly updated and with an especially timely message of how the original bad girl of rock and roll Ronnie Spector survived marriage to a monster and carved out a space for herself amid the chaos of the 1960s music scene and beyond Ronnie s first collaboration with producer Phil Spector Be My Baby shot Ronnie and the Ronettes to stardom No one sounded like Ronnie with her alluring blend of innocence and knowing but her voice would soon be silenced as Spector sequestered her behind electric gates guard dogs and barbed wire It took everything Ronnie had to escape her prisonlike marriage and wrest back control of her life her music and her legacy And as shown in this edition which includes a 2021 postscript from Ronnie her life became proof that our challenges do not define us and there is always the potential to forge a fuller life In Be My Baby the incomparable Ronnie Spector offered a whirlwind account of the ever shifting path of an iconic artist And more than anything else she gave us an inspiring tale of triumph
