The Comprehensive Commentary on the Holy Bible: Genesis-Judges William Jenks, 1835 **Florence Nightingale's Spiritual Journey: Biblical Annotations, Sermons and Journal Notes** Lynn McDonald, 2006-01-01

Florence Nightingale 1820-1910 is widely known as the heroine of the Crimean War and the founder of the modern profession of nursing. She was also a scholar and political activist who wrote and worked assiduously on many reform causes for more than forty years. This series will confirm Nightingale as an important and significant nineteenth-century scholar and illustrate how she integrated her scholarship with political activism. Indispensable to scholars and accessible and revealing to the general reader, it will show there is much more to know about Florence Nightingale than the lady with the lamp. Although a life-long member of the Church of England, Nightingale has been described as both a Unitarian and a significant nineteenth-century mystic. Volume 2 begins with an introduction to the beliefs, influences, and practices of this complex person. The second and largest part of this volume consists of Nightingale's biblical annotations made at various stages of her life; some dated, some not. The third part of volume 2 contains her journal notes, including her diary for 1877, which is published here for the first time. Much of this material is highly personal, even confessional in nature. Some of it is profoundly moving and will serve to show the complexity and power of Nightingale's faith. Currently, Volumes 1 to 11 are available in e-book version by subscription or from university and college libraries through the following vendors: Canadian Electronic Library, Ebrary, MyiLibrary, and NetLibrary.

God's Hotel Victoria Sweet, 2013-04-02 Victoria Sweet's new book *SLOW MEDICINE* is on sale now. For readers of Paul Kalanithi's *When Breath Becomes Air*, a medical page-turner that traces one doctor's remarkable journey to the essence of medicine. The San Francisco Chronicle: San Francisco's Laguna Honda Hospital is the last almshouse in the country, a descendant of the Hôtel Dieu, God's hotel that cared for the sick in the Middle Ages. Ballet dancers and rock musicians, professors and thieves, anyone who had fallen or often leapt onto hard times and needed extended medical care ended up here. So did Victoria Sweet, who came for two months and stayed for twenty years. Laguna Honda, relatively low-tech but human-paced, gave Sweet the opportunity to practice a kind of attentive medicine that has almost vanished. Gradually, the place transformed the way she understood her work. Alongside the modern view of the body as a machine to be fixed, her extraordinary patients evoked an older idea of the body as a garden to be tended. God's Hotel tells their story and the story of the hospital itself, which, as efficiency experts, politicians, and architects descended, determined to turn it into a modern health-care facility, revealed its own surprising truths about the essence, cost, and value of caring for the body and the soul.

each other It was while I was in LPN school that the Lord showed me the parallel of His blood to our blood You can read about it in the devotion Life is in the Blood In this little book I have taken a nursing concept and applied a biblical principle resulting in a daily devotional for 31 days It is intended to bring encouragement and inspiration to nurses as well as other healthcare professionals All the devotions have an individual title and scripture reference Also at the end of the daily devotion there is a special prayer I have prayed for the reader My goal is that for all caregivers who read this little book of devotions to be assured that the Lord is here to help them in whatever need they may have He is a personal God who knows and cares for us individually Secondly my goal is to help all caregivers to see how important they are to the service of the Lord It is through our hands and words that He often ministers to His people who are sick The reader will also get a special treat with two poems written by Belinda Looney While reading Expectations one will identify very quickly with the early and comical expectations of a fresh nursing graduate A Nurse s Prayer is a poem expressing how many of us feel about nursing but are unable to convey as beautifully as Belinda has
