

A woman in a hospital gown is looking at a tablet displaying a patient's vital signs and medical data. The tablet screen shows a line graph of heart rate over time, with a red line indicating a rising trend. Below the graph, there are several buttons labeled 'ALERT', 'CHARGE', 'PULSE', and 'STOP'. The woman is holding the tablet with her right hand, and her left hand is resting on the patient's chest. The patient is lying in a hospital bed, looking up at the woman. The room is dimly lit, with a warm orange glow from the tablet screen.
