Social, Structural and Technological Changes in Agriculture, 1977-85 Mary E. Lassanyi, 1986 *Research Methods for Anthropological Studies of Food and Nutrition* Janet Chrzan, John Brett, 2017-02-01 The dramatic increase in all things food in popular and academic fields during the last two decades has generated a diverse and dynamic set of approaches for understanding the complex relationships and interactions that determine how people eat and how diet affects culture These volumes offer a comprehensive reference for students and established scholars interested in food and nutrition research in Nutritional and Biological Anthropology Archaeology Socio Cultural and Linguistic Anthropology Food Studies and Applied Public Health **Handbook of Hispanic Cultures in the United States: Anthropology** Nicolàs Kanellos, Claudia Esteva-Fabregat, Thomas Weaver, 1994-01-01 Recovering the U S Hispanic Literary Project is a national project to locate identify preserve and make accessible the literary contributions of U S Hispanics from colonial times through 1960 in what today comprises the fifty states of the United States **Adding a Food Consumption Perspective to Farming Systems Research** Timothy R. Frankenberger, 1985 **Fragile Lands Of Latin America** John O. Browder, 2019-04-11 This book of selected research papers originally presented at the Symposium of Fragile Lands of Latin America The Search for Sustainable Uses presents some fresh evidence of the viability of a few non conventional strategies for natural resource development and management Food and Everyday Life on Kentucky Family Farms, 1920-1950 John van Willigen, Anne van Willigen, 2021-12-14 The foods Kentuckians love to eat today biscuits and gravy country ham and eggs soup beans and cornbread fried chicken and shucky beans and fried apple pie and boiled custard all were staples on the Kentucky family farms in the early twentieth century Each of these dishes has evolved as part of the farming lifestyle of a particular time and place utilizing available ingredients and complementing busy daily schedules Though the way of life associated with these farms in the first half of the twentieth century has mostly disappeared the foodways have become a key part of Kentucky s cultural identity In Food and Everyday Life on Kentucky Family Farms 1920 1950 John van Willigen and Anne van Willigen examine the foodways the practices knowledge and traditions found in a community regarding the planting preparation consumption and preservation of Kentucky family farms in the first half of the last century This was an era marked by significant changes in the farming industry and un rural communities including the introduction of the New Deal market quota system the creation of the University of Kentucky Agricultural Extension Service the expansion of basic infrastructures into rural areas the increased availability of new technologies and the massive migration from rural to urban areas The result was a revolutionary change from family based subsistence farming to market based agricultural production which altered not only farmers relationships to food in Kentucky but the social relations within the state s rural communities Based on interviews conducted by the University of Kentucky s Family Farm Project and supplemented by archival research

photographs and recipes Food and Everyday Life on Kentucky Family Farms 1920 1950 recalls a vanishing way of life in rural Kentucky By documenting the lives and experiences of Kentucky farmers the book ensures that traditional folk and foodways in Kentucky s most important industry will be remembered Making Our Research Useful John van Willigen,2019-04-11

This book presents case studies that address how to improve the use of applied or policy research done by anthropologists It documents the applications of anthropology and in so doing improves practice The case studies treat the problem of knowledge use from a variety of perspectives **Building a New Biocultural Synthesis** Alan H. Goodman,Thomas Leland Leatherman,2010-03-23

Anthropology with its dual emphasis on biology and culture is or should be the discipline most suited to the study of the complex interactions between these aspects of our lives Unfortunately since the early decades of this century biological and cultural anthropology have grown distinct and a holistic vision of anthropology has suffered This book brings culture and biology back together in new and refreshing ways Directly addressing earlier criticisms of biological anthropology Building a New Biocultural Synthesis concerns how culture and political economy affect human biology e g people s nutritional status the spread of disease exposure to pollution and how biological consequences might then have further effects on cultural social and economic systems Contributors to the volume offer case studies on health nutrition and violence among prehistoric and historical peoples in the Americas theoretical chapters on nonracial approaches to human variation and the development of critical humanistic and political ecological approaches in biocultural anthropology and explorations of biological conditions in contemporary societies in relationship to global changes Building a New Biocultural Synthesis will sharpen and enrich the relevance of anthropology for understanding a wide variety of struggles to cope with and combat persistent human suffering It should appeal to all anthropologists and be of interest to sister disciplines such as nutrition and sociology Alan H Goodman is Professor of Anthropology Hampshire College Thomas L Leatherman is Associate Professor of Anthropology University of South Carolina *Human Biology* Sara Stinson,Barry Bogin,Dennis H. O'Rourke,2012-04-10

This comprehensive introduction to the field of human biology covers all the major areas of the field genetic variation variation related to climate infectious and non infectious diseases aging growth nutrition and demography Written by four expert authors working in close collaboration this second edition has been thoroughly updated to provide undergraduate and graduate students with two new chapters one on race and culture and their ties to human biology and the other a concluding summary chapter highlighting the integration and intersection of the topics covered in the book

Anthropology and Food Policy Della E. McMillan,Jeanne Harlow,1991 Starting from a base of anthropological fieldwork in particular societies and communities in sub Saharan East Africa Mexico Ecuador Honduras Malawi and the Sudan the authors utilize case studies to examine the meaning of their findings for the understanding needed for specific policy interventions Annotation copyrighted by Book News Inc Portland OR **Human Evolutionary Biology** Michael P.

Muehlenbein,2010-07-29 Wide ranging and inclusive this text provides an invaluable review of an expansive selection of

topics in human evolution variation and adaptability for professionals and students in biological anthropology evolutionary biology medical sciences and psychology The chapters are organized around four broad themes with sections devoted to phenotypic and genetic variation within and between human populations reproductive physiology and behavior growth and development and human health from evolutionary and ecological perspectives An introductory section provides readers with the historical theoretical and methodological foundations needed to understand the more complex ideas presented later Two hundred discussion questions provide starting points for class debate and assignments to test student understanding

Intra-household Resource Allocation Beatrice Lorge Rogers,Nina P. Schlossman,1990 United Nations sales no E 90 III A 2 Food Culture Janet Chrzan,John Brett,2017-02-01 This volume offers a comprehensive guide to methods used in the sociocultural linguistic and historical research of food use This volume is unique in offering food related research methods from multiple academic disciplines and includes methods that bridge disciplines to provide a thorough review of best practices In each chapter a case study from the author s own work is to illustrate why the methods were adopted in that particular case along with abundant additional resources to further develop and explore the methods Anthropological Praxis Robert M.
