Scars of Gold Xavier Dagba, 2025-09-23 A blueprint to reconcile with our shadow resolve the emotional conflicts that keep us stuck and in self sabotage and dissolve the hidden forces that hinder our ability to thrive In this book integrative life coach Xavier Dagba explores our relationship to the dark side of the human psyche This includes wounds from the past aspects of ourselves we've been conditioned to see as unlovable and more importantly our repressed brightness the golden shadow Many books on shadow work focus only on the more painful or dark aspects of the shadow They do not necessarily address the golden shadow Scars of Gold places shadow work into a well crafted framework of personal transformation that meets the reader where they are and guides them toward a fuller and more integrated life Other books on the topic may leave the reader lost in the vastness of the concept of shadow work without teaching how to integrate the practice into their lives This book offers an archetypal exploration of the shadow that will allow the reader to understand their life with more grace It dives into the exploration of resistance and self sabotage under the lens of shadow integration and helps the reader dissolve the hidden forces that keep them stuck

Stripe on a Jackass Stephen B. Sloane, 2008 Gold Stripe on a Jackass is a conceptually rich description of one naval officer's career journey. Author Stephen B. Sloane began his career in Annapolis where the commandment of obedience holds sway and finished in Berkeley a place where questioning authority is woven deeply into the cultural fabric. Sloane rejects the conventional role of corporate government and military ideals by demonstrating that efficiency can be attained without sacrificing morality. He maintains that the person who dons the gold stripe of authority should reject the role of jackass and strive for moral efficiency by regarding the expenditure of human life as a cost rather than the utilization of a tangible resource. Inspired by Admiral James Bond Stockdale's experience as a prisoner of war in Vietnam, Sloane asserts that a man's ethical posture and philosophical outlook can enable him and others to survive even the direst conditions with honor. Gold Stripe on a Jackass provides readers with a guide to individual responsibility for leadership decision making that emphasizes the requirement to question authority and the need to speak truth to power. This is an original and enlightening contribution to scholarship and education as well as a moral compass for those who occupy positions of authority in the corporate and governmental sectors of society.
