your health and it is also affected by what's going on in your life. Regardless of the cause, improving your breathing can bring relief, sometimes even within days. This is especially true for those living with stress, anxiety, and panic, as incorrect breathing can cause and contribute to these disorders. This practical book by registered nurse and breathing retraining expert Mary Birch contains a week-by-week, step-by-step program to retrain the breathing pattern, as well as guidelines on lifestyle, exercise, food, and nutrition. It also contains stories of people who have positively transformed their lives by learning to breathe properly. Part 1 provides an explanation of the link between overbreathing and stress, anxiety, and panic symptoms. Part 2 contains a four-week program with weekly guidelines to help people experiencing these issues to improve their breathing pattern and gain long-term relief.

[The Chi of Change](#) Peter Field, 2014-05-30. Is there a way out of anxiety, depression, overeating, fear, phobias, addiction, insomnia, trauma, and low self-esteem without taking pills? Is there really an alternative to Prozac and anti-depressants? Can you really recapture the simple joy of living? The answer to all these questions is Yes. This book will show you how your subconscious mind has been programmed to make you feel the way you feel. How these programs can be rapidly changed through the right kind of hypnotherapy. How even your most difficult feelings and emotions can help you change your life for the better. How you can live a balanced, meaningful life and move forward in confidence and harmony with yourself and your world.
