Long Road Home:

The Long Road Home Lori Wick, 2005-01-01 She can't be dead the young pastor cried as he looked down at the still white face of his new bride Blinded by bitterness Paul Cameron leaves his church and flees to a logging camp deep in the north woods of Wisconsin There he wrestles with his loss unable to get Corrine out of his mind and unwilling to make peace with God When a falling tree crushes his legs Paul can run no further Broken now in body as well as spirit he must face his own heart as he encounters the love of God in the patient care of his nurse Abigail Finlayson The Long Road Home touches shattered dreams with God's faithfulness and the possibility of new love in this turn of the century romance

The Long Road Home Martha Raddatz, 2007-03-01 ABC News Chief Global Affairs Correspondent Martha Raddatz shares remarkable tales of heroism hope and heartbreak in her account of Black Sunday a battle during one of the deadliest periods of the Iraq War The First Cavalry Division came under surprise attack in Sadr City on Sunday April 4 2004 Over 7 000 miles away their families awaited the news for forty eight hellish hours expecting the worst In this powerful unflinching account Martha Raddatz takes readers from the streets of Baghdad to the home front and tells the story of that horrific day through the eyes of the courageous American men and women who lived it A masterpiece of literary nonfiction that rivals any war related classic that has preceded it The Washington Post

Coming In Ron Jordan, 2007-01-24 A wind comes blowing bringing another new day with each breaking dawn Another day of toil and oftentimes tribulation mixed with affection for the land upon which he lives and works the cowhand's existence is a bond between nature and the folks he has come to know and respect His very existence is the epitome of a freedom that most folks will never know but merely dream of These are the heart rending tales of life in southeastern Wyoming living and working with ranchers and ranch hands cowboys and cowpokes and the occasional suburbanite in search of the real west The edge of civilization rises on a near horizon and with its arrival ushers the end of a western heritage and the cowboy culture that few outsiders will ever comprehend Written with truthfulness and candor the author weaves a tapestry of stories and personal experiences forever mindful of the fabric of life that holds this vanishing and fragile rural society together Provocative this is a perspective unlike any other ever presented Anguish coupled with brutal honesty and compassion for the working ranch hand in the American west this is a brotherhood of understanding

The Warburgs Ron Chernow, 2016-11-15 From the Pulitzer Prize winning bestselling author of Alexander Hamilton the inspiration for the hit Broadway musical comes this definitive biography of the Warburgs one of the great German Jewish banking families of the twentieth century Bankers philanthropists scholars socialites artists and politicians the Warburgs stood at the pinnacle of German and later of German American Jewry They forged economic dynasties built mansions and estates assembled libraries endowed charities and advised a German kaiser and two American presidents But their very success made the Warburgs lightning rods for anti-Semitism and their sense of patriotism became increasingly dangerous in a Germany that had declared Jews the enemy Ron Chernow's hugely fascinating history is a group

man behind When some of America's military men are captured or go missing during the Vietnam War a small group of military wives become their champions Never had families taken on diplomatic roles during wartime nor had the fate of our POWs and missing men been a nationwide concern In cinematic detail authors Taylor Baldwin Kiland and Judy Silverstein Gray plunge you directly into the political maneuvering the women navigated onto the international stage they shared with world leaders and through the landmark legacy they created *Women Fight, Women Write* Mildred Mortimer, 2018-11-29 Today the fight to write the struggle to become the legitimate chronicler of one's own story is being waged and won by women across mediums and borders But such battles of authorship extend well beyond a single cultural moment In her gripping study of unsung female narratives of the Algerian War Mildred Mortimer excavates and explores the role of women's individual and collective memory in recording events of the violent anticolonial conflict Presenting close readings of published works spanning five decades from Assia Djebar's 1962 *Children of the New World* to Zohra Drif's 2014 *Inside the Battle of Algiers* *Memoir of a Woman Freedom Fighter* *Women Fight Women Write* traces stylistic and material transformations in Algerian women's writings as it reveals evolving attitudes toward memory trauma historical objectivity and women's political empowerment Refuting the stale binary of men in battle women at home these testimonial texts let women lay claim to the Algerian War story as participants and also as chroniclers through fiction historical studies and memoir Algeria's patriarchal norms long kept women from speaking publicly about private matters silencing their experiences of the war Still the conflict has ceaselessly sparked creative work The country's dark decade of violent struggle between the Algerian army and Islamist fundamentalists in the 1990s brought the liberation struggle back into focus inspiring and emboldening many more women to defiantly write *Women Fight Women Write* advances the broken silence illuminating its vital historical revisions and literary innovations **Cycle World Magazine**, 2006-01 *Heart Felt* Larry H. prewar Soviet citizens and people from West Ukraine and the Baltic states forcibly incorporated into the Soviet Union in 1939 refused to repatriate to the Soviet Union despite its demands Thus began one of the first big conflicts of the Cold War In *Lost Souls* Sheila Fitzpatrick draws on new archival research including Soviet interviews with hundreds of DPs to offer a vivid account of this crisis from the competitive maneuverings of politicians and diplomats to the everyday lives of DPs American enthusiasm for funding the refugee organizations taking care of DPs quickly waned after the war It was only after DPs were redefined from victims of war and Nazism to victims of Communism in 1947 that a solution was found the United States would pay for the mass resettlement of DPs in America Australia and other countries outside Europe The Soviet Union protested this theft of its citizens But it was a coup for the United States The choice of DPs to live a free life in the West and the West's welcome of them became an important theme in America's Cold War propaganda battle with the Soviet Union A compelling story of the early Cold War *Lost Souls* is also a rare chronicle of a refugee crisis that was solved **Where**

Poppies Grow Denniele Bohannon, Janice Britz, 2014-09-01 Quilts and projects rooted in history and honoring heroes Denniele Bohannon's great grandfather Almo O Kell served as a medic in World War I and was one of the many soldiers who never came home Together with Janice Britz she created the Kansas City Star's block of the month quilt Remembering Almo to honor those who served their country at the centennial of the Great War Two color variations and setting options are given for the main quilt Three more striking quilts two variations of a table runner and a poppy pin and pincushion round out the projects Also included is information about Almo's life with photos and brief excerpts from his letters [The Rebel Yell & the Yankee Hurrah](#) John W. Haley, 2014-09-07 On an I will if you will dare John Haley enlisted in the 17th Maine Regiment in August 1862 for three years unless sooner discharged Discharged shot or starved would have been more accurate Haley later wryly observed Though a reluctant soldier at first he served steadfastly in the Army of the Potomac for nearly three years participating in some of the most significant battles of the Civil War John Haley was not the only soldier to record each day's events in his journal by firelight or by picket's lantern for his was a literate generation He was unusual in that he later painstakingly rewrote his battlefield notes reflecting at leisure and adding fascinating political and personal commentary to produce the remarkable volume he calls Haley's Chronicles **Destination Elsewhere** Ruth Balint, 2021-11-15 In this

unique history from below *Destination Elsewhere* chronicles encounters between displaced persons in Europe and the Allied agencies who were tasked with caring for them after the Second World War The struggle to define who was a displaced person and who was not was a subject of intense debate and deliberation among humanitarians international law experts immigration planners and governments What has not adequately been recognized is that displaced persons also actively participated in this emerging refugee conversation Displaced persons endured war displacement and resettlement but these experiences were not defined by passivity and speechlessness Instead they spoke back creating a dialogue that in turn helped shape the modern idea of the refugee As Ruth Balint shows what made a good or convincing story at the time tells us much

about the circulation of ideas about the war the Holocaust and the Jews Those stories depict the emerging moral and legal distinction between economic migrants and political refugees They tell us about the experiences of women and children in the face of new psychological and political interventions into the family Stories from displaced persons also tell us something about the enduring myth of the new world for people who longed to leave the old Balint focuses on those persons whose storytelling skills became a major strategy for survival and escape out of the displaced persons camps and out of the Europe Their stories are brought to life in *Destination Elsewhere* alongside a new history of immigration statelessness and the institution of the postwar family
