César Chávez Kathlyn Gay, 2017-07-15 César Chávez is best known for uniting Mexican American farmworkers and for his efforts to obtain civil rights for his people He followed the nonviolent methods of Mahatma Gandhi and Martin Luther King Jr A dedicated stubborn religious leader Chávez stuck to his cause in spite of tremendous obstacles With numerous documented quotes from Chávez union members and even Pope Paul VI the Chávez story recounts his difficult early life and how he inspired countless people to advocate for farmworker justice Students will be guided through their reading with a glossary of important words a timeline and references for further reading on the topic

The Rhetorical Career of Cesar Chavez John C. Hammerback, Richard J. Jensen, 2003-04 Although born into one of the least powerful segments of American society César Chávez led the farm labor movement to unprecedented heights His powerful effect on audiences is well known but award winning scholars John C Hammerback and Richard J Jensen offer the first explanation of how Chávez achieved that effect Although other studies of Chávez exist none has examined so thoroughly his rhetoric nor analyzed in depth such a large number of Chávez's own texts scores of which have previously been unstudied Chávez was an indefatigable speaker writer and non discursive communicator who developed a well thought out approach to his rhetorical discourse and placed his speaking and writing at the very center of his career By merging thought and character in his themes arguments and explanations and in his first and second personae Chávez was able to identify with the character of his listeners That identification induced many audience members to support Chávez's agenda for union activism The authors have developed a model to help explain Chávez's startling transformation of some audiences and persuasion of others Hammerback and Jensen reveal that Chávez's world view motivated him to work tirelessly and directed him to the particular rhetorical qualities and techniques that characterized his discourse The authors also demonstrate Chávez's surprising effectiveness as a rhetor despite his soft spoken style uncharacteristic of most powerful orators
