**Red's Magic Comb** Lawanda Howard,2023-01-15 Red s Magic Comb Pressing Through the Kinks of Life is an

inspirational story that chronicles Henrietta Red Howard's journey from a childhood of extreme poverty in the restricted South and personal challenges to becoming the First Black Female Salon Owner in the town of Talbotton Georgia. The book relies on the recollection of Red who is currently 90 years old as of January 16, 2023, to give accounts of her everyday life as a child, a teenager, and an adult. It tells how she always sought positivity and overcame some of life's most devastating blows to stay on course to achieve what she believed she deserved. Because of her own experiences early in her life, she had a vision of what she wanted and did not want for herself and her family. She once proclaimed about her then unborn children, "My children will NEVER work in no white man's field." Red's views on love, relationships, and life served as the wind beneath her wings to realizing her dreams, being a beacon of hope for others, and making history in the world of hair and beauty. Red's *Magic Comb Pressing: Though the Kinks of Life* will take the reader through emotional highs and lows but serve as inspiration in the end.

**Altered Egos** H. Heaberlin, 2005-02 The old woman stirred and with reluctance raised her head saying "I can tell you this as she strained to sit up straight: The man with you now will always serve you well. There is another, a flamboyant person in much distress who will come to you very shortly who will prove to be invaluable." She paused to take some more breaths before continuing "There is yet another, a very powerful soul, a male who is now a child. As an adolescent he will come to you seeking information and again as a young man seeking guidance. These people are your family, you are soul mates and as a group you will be a remarkable force." With that said Charlene again slumped back into her chair. In *Altered Egos* four unique individuals join forces for an exciting adventure into the realm of the paranormal. Introducing Leola, an exceptional psychic and intellectual who has raised herself since she was a child; Claude, the gentle giant and faithful friend; Zah, the flamboyant former barmaid whose gender is sometimes difficult to define; Wesley, the handsome virile yet troubled young man who can hear what people are thinking.
