I Am a Japanese Writer Dany Laferrière, 2011 A devilishly intelligent new novel by the internationally bestselling author and Prix M dicis winner A black writer from Montreal has found the perfect title for his next book I Am a Japanese Writer His publisher gives him an advance on the strength of the title alone The problem is he can't seem to write a word of it He can scarcely summon the energy to put pen to paper and so he nurses his writer's block by taking long baths re-reading the works of Japanese poet Basho and engaging in amorous intrigues with rising pop star Midori and her entourage of vampire girls For the writer though the title isn't just a title he really does believe he is a Japanese writer He makes this declaration in a mall and the next thing he knows he's an international celebrity The book becomes a cult phenomenon even though he still hasn't written a word of it In Japan it sets off a cultural revolution A Japanese writer even publishes a book called I Am a Malagasy Writer On the nightly news a Japanese officer declares I Am a Korean Soldier No wonder a pair of attachés from the Japanese embassy has been following our hero around At first he is delighted to discover his celebrity But things quickly go wrong Part postmodern fantasy part Kafkaesque nightmare and part travelogue to the inner reaches of the self I Am a Japanese Writer calls into question everything we think we know about what and who makes a work of art

H. Lawrence** Alistair Niven,1978-02-23 Since his death in 1930 D H Lawrence has become not only one of the most controversial English novelists of the twentieth century but also one of the most widely read and quoted writers in the

language In this new study of his major fiction Alistair Niven revalues all the novels tracing Lawrence s development through them both as an artist and as a thinker At the centre of the book Dr Niven discusses *The Rainbow* and *Women in Love* as the diverse products of a single creative intention nothing less than an exploration of where modern man is going Lawrence s early novels *The White Peacock* and *The Trespasser* receive exceptionally close scrutiny There are also full length chapters on Lawrence s well known fiction of sexual self discovery *Sons and Lovers* and *Lady Chatterley s Lover* The travel novels *The Lost Girl* *Aaron s Rod* *The Plumed Serpent* and especially the Australian novel *Kangaroo* which the author believes has been seriously underestimated by previous critics are given prominence as evidence of Lawrence s restless desire to find a superior set of values to those he believed had failed in England Dr Niven s conclusions are derived solely from his close reading of the novels themselves and when relevant from Lawrence s correspondence and short stories This study with its unusually lively and commonsense approach confirms Lawrence as not only a great novelist but a central figure in the development of the modern mind
