Look Out The Pentecostals Are Coming:

Look Out! the Pentecostals are Coming C. Peter Wagner, 1974

The Changing Church C. Peter Wagner, 2004-07-07

Peter Wagner tells readers exactly how they can contribute to the Church's worldwide fulfillment of God's kingdom on earth. The Changing Church sheds light on the exciting things that are happening by the power of the Holy Spirit. The Church is being aligned with God's plan for the Great Harvest. While we might feel small in the scheme of things, we can make a huge impact when we unite with what God is doing worldwide. This new vision overlooks denominational barriers, asking one and all to join together for the ultimate fulfillment of God's purposes.

SPIRITUAL WARFARE: A Struggle for Truth Russell

Sharrock, 2007-03-01. Much in the Church is being touted as biblical spiritual warfare, even to changing it from being spiritual to being geographical. This book criticizes spiritual warfare teaching, comparing it to the Bible and offering a biblically reasoned discussion on spiritual warfare.

The Holiness-Pentecostal Tradition Vinson

Synan, 1997-08-25. Called a pioneer contribution by Church History when it was first published in 1971 as *The Holiness Pentecostal Movement in the United States*, this volume has now been revised and enlarged by Vinson Synan to account for the incredible changes that have occurred in the church world during the last quarter of the twentieth century. Synan brings together the stories of the many movements usually listed as holiness, pentecostal, or charismatic and shows that there is an identifiable second blessing tradition in Christianity that began with the Catholic and Anglican mystics that was crystallized in the teaching of John Wesley and that was further perpetuated through the holiness and Keswick movements of the nineteenth and twentieth centuries to the appearance of modern Pentecostalism. Synan then chronicles the story of the spread of Pentecostalism around the world after the heady days of the Azusa Street awakening, with special attention given to the beginnings of the movement in those nations where Pentecostalism has become a major religious force. He also examines the rise of various mainline church charismatic movements that have their roots in Pentecostalism. Because of the explosive growth of the Pentecostal movement in the last half of the century, Pentecostals and Charismatics now constitute the second largest family of Christians in the world after the Roman Catholic Church. This could well be the major story of Christianity in the twentieth century, writes Synan. Pentecostalism has grown beyond a mere passing movement and can now be seen as a major Christian tradition alongside the Roman Catholic, Orthodox, and Reformation Protestant traditions. *The Holiness Pentecostal Tradition* will continue to be an important handbook for shaping our understanding of this phenomenon.

Facing West David R. Swartz, 2020-04-09. In 1974, nearly 3,000 evangelicals from 150 nations met at the Lausanne Congress on World Evangelization. Amidst this cosmopolitan setting and in front of the most important white evangelical leaders of the United States, members of the Latin American Theological Fraternity spoke out against the American Church. Fiery speeches by Ecuadorian René Padilla and Peruvian Samuel Escobar revealed a global weariness with what they described as an American style of coldly efficient mission wedded to a myopic right-leaning politics. Their bold critiques

electrified Christians from around the world The dramatic growth of Christianity around the world in the last century has shifted the balance of power within the faith away from traditional strongholds in Europe and the United States To be sure evangelical populists who voted for Donald Trump have resisted certain global pressures and Western missionaries have carried Christian Americanism abroad But the line of influence has also run the other way David R Swartz demonstrates that evangelicals in the Global South spoke back to American evangelicals on matters of race imperialism theology sexuality and social justice From the left they pushed for racial egalitarianism ecumenism and more substantial development efforts From the right they advocated for a conservative sexual ethic grounded in postcolonial logic As Christian immigration to the United States burgeoned in the wake of the Immigration Act of 1965 global evangelicals forced many American Christians to think more critically about their own assumptions The United States is just one node of a sprawling global network that includes Korea India Switzerland the Philippines Guatemala Uganda and Thailand Telling stories of resistance accommodation and cooperation Swartz shows that evangelical networks not only go out to but also come from the ends of the earth
