Look Within:

A Look Within Heather Koelle,2023-12-15 A nice read for a cold wintry night filled with unusual characters In this anthology of short stories you will encounter a man s greatest fear A mist which contains something evil You will read a scary experience as seen by a toddler and his grandmother A budding athlete who is the queen of basketball And a teenage girl who searches for the missing family dog in a snowstorm *Take a Look Within* Dane T. Cunningham,2002-12 **An Open Envelope: A Look Within** Stewart Hall,2007 **LOOKING FOR A MIRACLE...LOOK WITHIN YOUR LIFE** May Lewis,2017-06-03 This book is about how miracles and signs are constantly happening in our lives We keep looking for miracles and signs as if they do not exist I had to take a step back and look at my life and seen that more miracles and signs had already taken place in my life than I could have ever imagined I have incorporated those experiences into this book to give you a clearer picture of what happens when you truly believe in the One and Only God ReLovenship™: Look Within to Love Again! Mario P. Cloutier ,2015-05-19 We all long for a blissful relationship No matter how many attempts you have made in the past to find the one or how many break ups you may have had if you are still determined to get another shot at finding or attracting your true soul mate let ReLovenship Look Within to Love Again be your next step **Looking Within A Book Of Poems By Michelle Carpenter** Michelle D. Carpenter,2004-10-01 These poems are meant to challenge and inspire the reader You will see that poetry is a matter of perception My poems will make you laugh cry shout hurrah and search for the humanity in society My Search for God Through the Akashic Records Lee Fisher,2014-05-29 What is a soul Does the soul have a personality The Akashic Records response was The soul is the personality There is no determining factor as to how many times the soul re incarnates This is left up to the individual as to how many times they re incarnate There is no such thing as a failed incarnation The soul is never discarded or destroyed Once the soul reaches perfection it rejoins the spirit of God for all eternity **The Subjective Self** Harwood Fisher,2001-01-01 For all their strides in understanding how we create and think about cultures psychologists linguists and logicians have had difficulty explaining how we conceive our selves how the self can in fact be both the object and the subjective originator of its surroundings Harwood Fisher s purpose in this far reaching interdisciplinary book is to depict the subjective self in its true complex duality In The Subjective Self Fisher argues that the key to depicting both aspects of the self simultaneously and thus modeling it more holistically than before is to visualize the self in a logical space From an origin point inside this space the self tries out metaphors and launches categories to logically order what it wants sees and encounters This is a creative cognitive process metaphoric framing by which the self invents new forms and depicts new organizations of its experiences impressions and information It is also a generative linguistic process bracketing by which the self can step outside its own expressed thoughts gain new levels of awareness re position itself as an agent responsible for its ideas and statements and in short empower its own identity The framing sets in motion versatile mental categories forms that are projected into mental space where they

become objectified The bracketing sets in motion the logical bounds of the I stabilizing the individual s identity and giving thrust to the subjective self s dynamic causal role In elaborating this theory Fisher extends the ideas of Kurt Lewin Jean Piaget and C S Peirce among others By drawing on each of these thinkers he is able to bring their common themes of perspective and construction together in his portrait of the self as a creative iconic space Adam, Take Your Position Gloria Ward, Ph.D,2013 Marriage was created and designed by the Creator God not man made marriage God designed marriage between one man and one woman uniting them in holy matrimony The two are to come together as one flesh in a joyous and fulfilling relationship Marriage is covenant commitment and companionship meant for a lifetime Gloria Ward s insightful sequel to Eve Get In Your Place is a call for Christian husbands to take their rightful leadership positions in the home It provides biblical principles on the husband s role and responsibility in the marriage Just as God made marriage He also established a divine order for the home God commands that husbands love their wives as Jesus loved the church and gave Himself for it Wives are to submit unto their husbands as unto the Lord It is not about the husband being superior Rather a husband s authority lies in being an obedient responsible leader servant to his family Submission does not mean that a wife is slave to her husband Rather she is submitting to her Lord and obeying His direction for her home The Bible the inspired Word of God gives instructions on how the husband and wife are to treat each other Since God is the designer why not try marriage His way before heading to divorce court God hates divorce Dr Ward will help you discover what God has said on the subject of marriage Knowing God s perspective will help both husband and wife to properly function in what will be a blissful union *The Four Books* Daniel K. Gardner,2007-03-15 In this engaging volume Daniel Gardner explains the way in which the Four Books Great Learning Analects Mencius and Maintaining Perfect Balance have been read and understood by the Chinese since the twelfth century Selected passages in translation are accompanied by Gardner s comments which incorporate selections from the commentary and interpretation of the renowned Neo Confucian thinker Zhu Xi 1130 1200 This study provides an ideal introduction to the basic texts in the Confucian tradition from the twelfth through the twentieth centuries It guides the reader through Zhu Xi s influential interpretation of the Four Books showing how Zhu through the genre of commentary gave new coherence and meaning to these foundational texts Since the Four Books with Zhu Xi s commentary served as the basic textbook for Chinese schooling and the civil service examinations for more than seven hundred years this book illustrates as well the nature of the standard Chinese educational curriculum *Report of Annual Meeting* United States.
