Looking At Cuba Essays On Culture And Civil Society:

Looking at Cuba Rafael Hernández Rodríguez, 2003 Rafael Hernandez one of the most visible intellectuals living and writing in Cuba today addresses such controversies as the current social diversity brought about by socialist policies the presence of well educated new generations and the emergence of growing inequality that accompanied and has followed the crisis of the 1990s He also discusses the role played by Fidel Castro in this transitional period Cuban foreign relations the revival of religious practices on the island the new debate over racial prejudice and discrimination and the new environment for artistic freedom of expression BOOK JACKET Culture and the Cuban State Yvon Grenier, 2017-11-08 Culture and the Cuban State examines the politics of culture in communist Cuba It focuses on cultural policy censorship and the political participation of artists writers and academics such as Tania Bruguera Jes s D az Rafael Hern ndez Kcho Reynier Leyva Novo Leonardo Padura and Jos Toirac The cultural field is important for the reproduction of the regime in place given its pretense and ambition to be eternally revolutionary and to lead a genuine cultural revolution Cultural actors must be mobilized and handled with care given their presumed disposition to speak their mind and to cherish their autonomy This book argues that cultural actors also seek recognition by the main for a long time the only sponsor and patron of the art in Cuba the curator state The curator state is also a gatekeeper state arbitrarily and selectively opening and closing the space for public expression and for access to foreign currencies and the global market The time when everything was either mandatory or forbidden is over in Cuba The regime seems to have learned from egregious mistakes that led to a massive exodus of artists writers and academics In a country where things change so everything could stay the same the controlled opening in the cultural field playing on the actors ambition and fear illuminates a broader phenomenon the evolving rules of the political game in the longest standing dictatorship of the hemisphere *The Quality of Home Runs* Thomas F. Carter, 2008-11-13 Uses the sport of baseball about which most Cubans are passionate to look at what it means to be Cuban and at how Cuba deals with the outside world as well as to compare various disciplinary approaches to the sport **Cuba in a Global Context** Catherine Krull, 2014-01-20 Cuba in a Global Context examines the unlikely prominence of the island nation s geopolitical role The contributors to this volume explore the myriad ways in which Cuba has not only maintained but often increased its reach and influence in Latin America Europe Africa and Asia From the beginning the Castro regime established a foreign policy that would legitimize the revolutionary government if not in the eyes of the United States at least in the eyes of other global actors The essays in this volume shed new light on Cuban diplomacy with communist China as well as with Western governments such as Great Britain and Canada In recent years Cubans have improved their lives in the face of the ongoing U S embargo The promotion of increased economic and political cooperation between Cuba and Venezuela served as a catalyst for the Petrocaribe group Links established with countries in the Caribbean and Central America have increased tourism medical diplomacy and food sovereignty across the region Cuban transnationalism has also succeeded in creating

people to people contacts involving those who have remained on the island and members of the Cuban diaspora While the specifics of Cuba's international relations are likely to change as new leaders take over the role of Cubans working to assert their sovereignty has undoubtedly impacted every corner of the globe *Cuban Intersections of Literary and Urban Spaces* Carlos Riobó, 2011-10-01 A collection of essays on theories of space in relation to Havana *Cuba's Forgotten Decade* Anna Clayfield, Emily J. Kirk, Isabel Story, 2018-08-24 The 1970s have largely been overlooked in scholarly studies of the Cuban Revolution or at the very least dismissed simply as a period of Sovietization characterized by widespread bureaucratization institutionalization and adherence to Soviet orthodoxy Consequently scant research exists that examines the major changes that took place across the decade and their role in determining the course of the Revolution This book provides for the first time a comprehensive assessment of the 1970s which challenges prevailing interpretations Drawing from multidisciplinary perspectives and exploring a range of areas including politics international relations culture education and healthcare its contributing authors demonstrate that the decade was a time of intense transformation which proved pivotal to the development of the Revolution Indeed many of the ideas approaches policies and legislation developed and tested during the 1970s maintain a very visible legacy in contemporary Cuba In highlighting the complexity of the 1970s this volume ultimately aims to contribute to a greater understanding of the Cuban Revolution and how it chooses to face the challenges of the twenty first century *The Tricontinental Revolution* R. Joseph Parrott, Mark Atwood Lawrence, 2022-01-20 The Tricontinental Revolution provides a major reassessment of the global rise and impact of Tricontinentalism the militant strand of Third World solidarity that defined the 1960s and 1970s as decades of rebellion Cold War interventions highlighted the limits of decolonization prompting a generation of global South radicals to adopt expansive visions of self determination Long associated with Cuba this anti imperial worldview stretched far beyond the Caribbean to unite international revolutions around programs of socialism armed revolt economic sovereignty and confrontational diplomacy Linking independent nations with non state movements from North Vietnam through South Africa to New York City Tricontinentalism encouraged marginalized groups to mount radical challenges to the United States and the inequitable Euro centric international system Through eleven expert essays this volume recenters global political debates on the priorities and ideologies of the Global South providing a new framework chronology and tentative vocabulary for understanding the evolution of anti imperial and decolonial politics This title is also available as Open Access on Cambridge Core **Cuba** Adrian H. Hearn, 2008-08-18 Argues that grassroots cultural actors and religious organizations have come to play an important role in social development in Cuba since the early 1990s and that this process occurred with the active support and regulation of the state despite the st *Structure of Cuban History* Louis A. Pérez, Louis A. Perez, Jr., 2013-09-16 In this expansive and contemplative history of Cuba Louis A Perez Jr argues that the country's memory of the past served to transform its unfinished nineteenth century liberation project into a twentieth century revolutionary metaphysics The ideal of *Cuba* Ted A. Henken, 2007-10-03 This

fascinating work provides an enlightening guided tour of the island of Cuba's historical political economic and sociocultural development from the pre-Columbian period to the present. Cuba: A Global Studies Handbook offers a revealing look at a nation that in its ongoing pursuit of freedom has been a colonial pawn, a neocolonial paradise for corrupt politicians and dictators, an alluring vacation destination, a defiant Communist holdout, and an embarrassing thorn in the side of the powerful United States. Drawing heavily on his own research and experiences on the island, the author follows Cuba's political economic and sociocultural development from the pre-Columbian period to the present, with an emphasis on the revolutionary period. The book's reference section includes alphabetically organized entries on important people, places, and historical events, as well as shorter sections on Cuban Spanish national traditions and holidays, cuisines, and important organizations. Also featured is a chart tracing the development of Cuban popular music and a listener's guide to some of the best available recordings.

Looking At Cuba Essays On Culture And Civil Society Introduction

In the digital age, access to information has become easier than ever before. The ability to download Looking At Cuba Essays On Culture And Civil Society has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Looking At Cuba Essays On Culture And Civil Society has opened up a world of possibilities. Downloading Looking At Cuba Essays On Culture And Civil Society provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Looking At Cuba Essays On Culture And Civil Society has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Looking At Cuba Essays On Culture And Civil Society. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Looking At Cuba Essays On Culture And Civil Society. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When

downloading Looking At Cuba Essays On Culture And Civil Society, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Looking At Cuba Essays On Culture And Civil Society has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
