

LOOKING FOR HISTORY

DISPATCHES FROM
LATIN AMERICA

ALMA GUILLERMOPRIETO

Author of The Heart That Bleeds and Samba

"Guillermoprieto has set the standard for elegant writing in English on Latin America. . . . [She] gets at the truth the way a psychological novelist might." —*The New York Times Book Review*

Looking For History Dispatches From Latin America

Shawn C. Smallman

Looking For History Dispatches From Latin America:

Looking for History Alma Guillermoprieto, 2002-03-12 From the esteemed New Yorker correspondent comes an incisive volume of essays and reportage that vividly illuminates Latin America's recent history Only Alma Guillermoprieto the most highly regarded writer on the region could unravel the complex threads of Colombia's cocaine wars or assess the combination of despotism charm and political jiu jitsu that has kept Fidel Castro in power for more than 40 years And no one else can write with such acumen and sympathy about statesmen and campesinos leftist revolutionaries and right wing militias and political figures from Evita Peron to Mexico's irrepressible president Vicente Fox Whether she is following the historic papal visit to Havana or staying awake for a pre dawn interview with an insomniac Subcomandante Marcos Guillermoprieto displays both the passion and knowledge of an insider and the perspective of a seasoned analyst *Looking for History* is journalism in the finest traditions of Joan Didion V S Naipaul and Ryszard Kapucinski observant empathetic and beautifully written

The History of Latin America Marshall C. Eakin, 2007-06-12 Publisher description **A History of Modern Latin America** Teresa A. Meade, 2011-09-09 A History of Modern Latin America 1800 to the Present examines the diverse and interlocking experiences of people of indigenous African and European backgrounds from the onset of independence until today Illustrates and analyzes the major and minor events that shape history the triumphs and defeats and the everyday lives of people of varied classes and racial and ethnic backgrounds Intersperses accounts of the lives of prominent figures with those of ordinary people Emphasizes gender's role in influencing political and economic change and shaping cultural identity Student and instructor resources available at <http://minerva.union.edu/meadet/modernlatinamerica/index.html> Wiley disclaims all responsibility and liability for the content of any third party websites that can be linked to from this website Users assume sole responsibility for accessing third party websites and the use of any content appearing on such websites Any views expressed in such websites are the views of the authors of the content appearing on those websites and not the views of Wiley or its affiliates nor do they in any way represent an endorsement by Wiley or its affiliates

Encyclopedia of War Crimes and Genocide Leslie Alan Horvitz, Christopher Catherwood, 2014-05-14 Entries address topics related to genocide crimes against humanity and peace and human rights violations profile perpetrators including Joseph Stalin Pol Pot and Idi Amin and discuss institutions set up to prosecute these crimes in countries around the world

Forging Latin America Russell Crandall, 2023-08-29 A sweeping yet intimate exploration of Latin America's political history Forging Latin America profiles fifty two of the region's most influential figures who for better or worse have shaped its character and destiny from the Spanish Conquest to the present day This polyphonic gathering of dictators reformers revolutionaries artists writers priests and activists not only foregrounds the major political developments since 1492 but also spotlights lesser known stories of hope change and resistance from the ground up Along the way the book shows how ideas can bring down a government or build one how power corrodes ideology until the perpetuation of power becomes an ideology

in and of itself and how the intellectual heritage of Latin America has been used, disputed and reinvented over five astonishing centuries

Subcomandante Marcos Henck Nick Henck, 2019-10-15 The unexpected insurrection of the Zapatista Army of National Liberation in 1994 toppled the notion that the triumph of neoliberalism represented the end of history. In the clamor that followed, a masked pipe smoking horseman appeared as the spokesperson for the indigenous rebels. In this book, Nick Henck provides a concise and accessible overview of the life, thought and achievements of the professor turned guerrilla, Subcomandante Marcos. Through his academic exodus and immersion in the indigenous communities of the Lacandon jungle to his participation in a guerrilla army to his eloquent articulation of the struggles of oppressed peoples around the world, Marcos became a revered and inspiring enigma. Henck explores Marcos's considerable accomplishments in four main fields: his role as spokesperson for the Zapatistas, his contribution to Latin American literature and a new political language for the left, his work in making Mexico a more democratic, inclusive and just nation, and his role as an inspirational international political icon. Published for the twenty-fifth anniversary of the Zapatista uprising, this book is not just a biography but also a reminder that there are alternative ways of doing politics that another world is possible.

Colombia Michael J. LaRosa, Germán R. Mejía, 2023-09-08 Michael J. LaRosa and Germán R. Mejía offer a comprehensive approach to Colombian history in the post-independence era from about 1810 to the present. This third edition includes vital updates that dive into the historic 2022 presidential election and signing of the Peace Accords with FARC in 2016. This deeply informed and accessible book thematically traces the history of Colombia, moving beyond the common perception of a failed state to explore the rich heritage and dynamism that have characterized Colombia past and present. The book focuses on the factors that have contributed to Colombia's unification and development and looks at political projects, economic activity and cultural development that have pushed Colombia forward. Also included are a photo essay, detailed chronology for further study and research, and a chapter dealing with Colombians abroad.

The Guerrilla Legacy of the Cuban Revolution Anna Clayfield, 2019-05-16 This book examines the way in which the guerrilla origins of the Cuban Revolution have shaped the beliefs and values that have underpinned it since 1959. The book proposes that it is this guerrilla discourse which holds the key to understanding not only the survival of the Revolution itself but the longevity of its leadership.

Forgotten Peace Robert A. Karl, 2017-03-28 *Forgotten Peace* examines Colombian society's attempt to move beyond the Western Hemisphere's worst mid-century conflict and shows how that effort molded notions of belonging and understandings of the past. Robert A. Karl reconstructs encounters between government officials, rural peoples, provincial elites and urban intellectuals during a crucial conjuncture that saw reformist optimism transform into alienation. In addition to offering a sweeping reinterpretation of Colombian history, including the most detailed account of the origins of the FARC insurgency in any language, Karl provides a Colombian vantage on global processes of democratic transition, development and memory formation in the 1950s and 1960s. Broad in scope, *Forgotten Peace* challenges contemporary theories of violence in Latin America.

The Palgrave

Handbook of Literature and the City Jeremy Tambling, 2017-02-17 This book is about the impact of literature upon cities world wide and cities upon literature It examines why the city matters so much to contemporary critical theory and why it has inspired so many forms of writing which have attempted to deal with its challenges to think about it and to represent it Gathering together 40 contributors who look at different modes of writing and film making in throughout the world this handbook asks how the modern city has engendered so much theoretical consideration and looks at cities and their literature from China to Peru from New York to Paris from London to Kinshasa It looks at some of the ways in which modern cities whether capitals shanty towns industrial or rust belt have forced themselves on people s ways of thinking and writing

Life Stories Maureen O'Connor, 2011-08-23 Memoirs autobiographies and diaries represent the most personal and most intimate of genres as well as one of the most abundant and popular Gain new understanding and better serve your readers with this detailed genre guide to nearly 700 titles that also includes notes on more than 2 800 read alike and other related titles The popularity of this body of literature has grown in recent years and it has also diversified in terms of the types of stories being told and persons telling them In the past readers advisors have depended on access by names or Dewey classifications and subjects to help readers find autobiographies they will enjoy This guide offers an alternative organizing the literature according to popular genres subgenres and themes that reflect common reading interests Describing titles that range from travel and adventure classics and celebrity autobiographies to foodie memoirs and environmental reads *Life Stories A Guide to Reading Interests in Memoirs Autobiographies and Diaries* presents a unique overview of the genre that specifically addresses the needs of readers advisors and others who work with readers in finding books **What Every**

American Should Know About the Rest of the World Melissa Rossi, 2003-04-29 Confused about the news Slip out of the room when friends talk current events Now you can keep up with ease and learn to talk like a diplomat Among the things you ll soon be able to slip into everyday conversation What is the difference between Kurdistan and Kazakhstan Why did North Korea s leader kidnap his favorite actress Why is Osama bin Laden so mad Which countries still have slaves Why is Kashmir the most dangerous place in the world What country has the most Muslims Why are they fighting in Chechnya What little box prompted Hutus to kill Tutsis Who is Prince Turki and how did his hunting trip change history How are cows fueling the fighting between India s Muslims and Hindus Which country drew maps that have resulted in the most intractable wars What is controversial UN Resolution 242 What makes Qatar stand out What country does Sumatran coffee come from What country s fakes forced the US to redesign the 100 bill Who is the FARC and why have they been fighting for decades An entertaining guide to political science current events foreign affairs and history *What Every American Should Know about the Rest of the World* gives you the vocabulary and background you need to decipher the modern world in a simple to understand format

The Cuba Reader Aviva Chomsky, Pamela Maria Smorkaloff, Barry Carr, 2004-02-04 The essential collection of fiction nonfiction poetry journalism history and cultral writing from and about Cuba The latest in the series that also includes the

Mexico Argentina Brazil and Peru Readers **The Cinema of Sara Gómez** Susan Lord, María Caridad Cumaná, 2021-07-06 Throughout the 1960s until her untimely death in 1974 Afro Cuban filmmaker Sara G mez engaged directly and courageously with the social political economic and cultural transformations promised by the Cuban Revolution G mez directed numerous documentary films in 10 prolific years She also made De cierta manera One way or another her only feature length film Her films navigate complex experiences of social class race and gender by reframing revolutionary citizenship cultural memory and political value Not only have her inventive strategies become foundational to new Cuban cinema and feminist film culture but they also continue to inspire media artists today who deal with issues of identity and difference The Cinema of Sara G mez assembles history criticism biography methodology and theory of G mez s work in scholarly writing interviews with friends and collaborators the film script of De cierta manera and a detailed and complete filmography Featuring striking images this anthology reorients how we tell Cuban cinema history and how we think about the intersections of race gender and revolution By addressing G mez s entire body of work The Cinema of Sara G mez unpacks her complex life and gives weight to her groundbreaking cinema The Commander's Dilemma Amelia Hoover Green, 2018-10-15 No detailed description available for The Commander s Dilemma Vargas Llosa and Latin American Politics N. Birns, 2010-10-11 Mario Vargas Llosa is a heterogeneous writer whose positions have often not been consistent from novel to novel between his fictional and nonfictional work between his literary and political commentary and as his political commentary has proceeded over the decades This analysis of his work reveals his insights into socio political matters The AIDS Pandemic in Latin America Shawn C. Smallman, 2012-09-01 Of the more than 40 million people around the world currently living with HIV AIDS two million live in Latin America and the Caribbean In an engaging chronicle illuminated by his travels in the region Shawn Smallman shows how the varying histories and cultures of the nations of Latin America have influenced the course of the pandemic He demonstrates that a disease spread in an intimate manner is profoundly shaped by impersonal forces In Latin America Smallman explains the AIDS pandemic has fractured into a series of subepidemics driven by different factors in each country Examining cultural issues and public policies at the country regional and global levels he discusses why HIV has had such a heavy impact on Honduras for instance while leaving the neighboring state of Nicaragua relatively untouched and why Latin America as a whole has kept infection rates lower than other global regions such as Africa and Asia Smallman draws on the most recent scientific research as well as his own interviews with AIDS educators gay leaders drug traffickers crack addicts transvestites and doctors in Cuba Brazil and Mexico Highlighting the realities of gender race sexuality poverty politics and international relations throughout Latin America and the Caribbean Smallman brings a fresh perspective to understanding the cultures of the region as well as the global AIDS crisis Annual Report Woodrow Wilson International Center for Scholars, 2001 Colombian Agency and the making of US Foreign Policy Alvaro Mendez, 2017-06-26 This book studies a significant event in US relations with Latin America shedding light on the role of dependent states and their foreign

policy agency in the process by which local concerns become intertwined with the dominant state's foreign policy. Plan Colombia was a large scale foreign aid programme through which the US intervened in the internal affairs of Colombia by invitation. It proved to be one of the major successes of US foreign policy and has been credited with stemming a potentially catastrophic security failure of the Colombian state. This book discusses the strategies and practices deployed by the Colombian government to influence US foreign policy decision making at the bureaucratic, legislative and executive levels and is a distinctive contribution to our understanding of the dynamics of small power agency. Giving a clearer insight into the decision making processes in both the US and Colombia, this book founds its argument on solid empirical analysis assembled from interviews of the major players in the events including Andres Pastrana, President of Colombia; Thomas Pickering, US State Department; Arturo Valenzuela, Senior Director for Inter American Affairs at the NSA; General Barry McCaffrey, the US Drug Czar; and Dennis Hastert, Speaker of the US House of Representatives. Approaching the events in question from a bottom up theoretical perspective that puts the emphasis on the facts of the case, this book will be of great interest to academics, students and policy makers in the field of foreign policy analysis, US foreign policy studies and Latin American studies.

The Poorer Nations Vijay Prashad, 2013-07-30. In *The Darker Nations*, Vijay Prashad provided an intellectual history of the Third World and told the story of the rise and fall of the Non Aligned Movement. With *The Poorer Nations*, Prashad takes up the story where he left it. Since the 70s, the countries of the Global South have struggled to express themselves politically. Prashad analyzes the failures of neoliberalism as well as the rise of the BRIC countries, the Group of 12, the World Social Forum, the Latin American revolutionary revival, in short, all the efforts to create alternatives to the neoliberal project advanced militarily by the US and its allies, among whom number the IMF, the World Bank, the WTO and other economic instruments of the powerful. A true global history, *The Poorer Nations* is informed by interviews with leading players such as senior UN officials as well as Prashad's pioneering research into archives of the Julius Nyerere led South Commission.
