David K. Naugle

Looking Into The Lives Of Children A Worldwide View:

Looking Into the Lives of Children Edith W. King, 1999 Eleanor Roosevelt once described Edith King as a worldminded woman In *LOOKING INTO THE LIVES OF CHILDREN A WORLDWIDE VIEW* Edith King maintains this tradition which has guided her observation research writing and university teaching Taking as her central theme the wide ranging diversity and cultural pluralism which she sees as one of the key features of postmodern nations she looks at the ways in which education should be delivered to young children ages four to ten years in the complex and diverse contemporary society in which they grow up Her ultimate goal is that her writing will help teachers around the world to develop teaching strategies that acknowledge our human diversity within an overall context of equality and peacefulness

Fast-Forward Family Elinor Ochs, Tamar Kremer-Sadlik, 2013-03-01 Called the most unusually voyeuristic anthropology study ever conducted by the New York Times this groundbreaking book provides an unprecedented glimpse into modern day American families In a study by the UCLA Sloan Center on Everyday Lives and Families researchers tracked the daily lives of 32 dualworker middle class Los Angeles families between 2001 and 2004 The results are startling and enlightening *Fast Forward Family* shines light on a variety of issues that face American families the differing stress levels among parents the problem of excessive clutter in the American home the importance and decline of the family meal the vanishing boundaries that once separated work and home life and the challenges for parents as they try to reconcile ideals regarding what it means to be a good parent a good worker and a good spouse Though there are also moments of connection affection and care it s evident that life for 21st century working parents is frenetic with extended work hours children s activities chores meals to prepare errands to run and bills to pay

Children's Views on Their Lives and Well-being Gwyther Rees, 2017-08-30 This book presents a comprehensive overview of findings from the Children s Worlds project the most extensive and diverse study to have been conducted globally on children s own views of their lives It provides a unique comparative insight into the similarities and differences in children s lives and well being around the world including findings that challenge prevailing assumptions of where and in what contexts children might experience a good childhood The book draws out the key messages and implications from the study and identifies directions for future work on child well being It will be of interest to researchers and students in the field of childhood studies as well as a wide range of professionals and organisations concerned with improving children s quality of life

Worldview David K. Naugle, 2002-07-16 Conceiving of Christianity as a worldview has been one of the most significant events in the church in the last 150 years In this new book David Naugle provides the best discussion yet of the history and contemporary use of worldview as a totalizing approach to faith and life This informative volume first locates the origin of worldview in the writings of Immanuel Kant and surveys the rapid proliferation of its use throughout the English speaking world Naugle then provides the first study ever undertaken of the insights of major Western philosophers on the subject of worldview and offers an original examination of the role this concept has played in the natural and social sciences Finally

Naugle gives the concept biblical and theological grounding exploring the unique ways that worldview has been used in the Evangelical Orthodox and Catholic traditions This clear presentation of the concept of worldview will be valuable to a wide range of readers

The Global Covenant to Protect the Sacred Lives of Children Elizabeth Evans ,2023-12-22 The Global Covenant to Protect the Sacred Lives of Children represents my soul s mission to advocate for children and my life s work to be a voice for children I want the content of this book to be a global light to bring humanity to an understanding of how of the welfare of our children must be our priority I believe that we can change the world s perspective of who children are to us and what we must do to love and protect them I have a dream and I hold a vision that we will stand up speak up and show up for our children They deserve the best of who we are They deserve the fullness of a life filled with loving attentive and righteous adults at the helm of their ship on this life s voyage This conversation is not a document that is governmental in texture like a Bill of Rights This goes deeper reaching out to the soul essence of mankind This is a covenant something that is a spiritual agreement that cannot be broken repealed or amended It reaches beyond anyone s lifetime and for that matter is beyond linear timelines It just is

See The World Through Child's Eyes Rúben G.T., The journey through our emotional inner longings while meeting ourselves in a deeper way It's truly undeniable that our lives are a reflection of what we believe in and what we feel deep inside And because words can easily become places I would love to share some of the scenic emotional transitions of some of my deepest life changing decisions some metaphors and some real life knowledge that later became wisdom to myself To help better decide on how to act in many different life scenarios in different stages of our human evolution Born from a love seedling that blossomed from the depths of me urging to breathe it incubated into physical form at its own inner rhythm May these bridges we call words bring you the comfort your soul longs for let their beat carry you back to your innate wholeness one that your heart knows so well They will guide you gently into a silent awakening to a deeper truth to a much more meaningful life experience every time you are open enough to receive it In the deep knowing that it no longer belongs to me I open my hands and set it free so that it can become all that it can be to all those who might feel the calling to more than read it fully experience it May my loving embrace in every word gently guide you back home **The Dove in the Consulting**

Room Greg Mogenson, 2004-06-02 Psychoanalysis began as a treatment for hysteria over a century ago and recently has returned to hysteria as a focus most notably in the works of Christopher Bollas and Juliet Mitchell This provocative and original book critically engages with psychoanalysis and in particular the phenomenon of the return of hysteria to analysis from a Jungian perspective asking such questions as what is the purpose of the concept of hysteria in psychoanalysis What does it say about the concept of the soul and of the analytical culture What place does spirituality generally have in psychoanalysis what place for the dove in the consulting room Drawing on the works of Jung Bollas Hillman and Giegerich the author provides a rich rejoinder to Bollas's proposed theory of hysteria and provides a unique Jungian analysis of analysis itself both Freudian and Jungian The Dove in the Consulting Room is illuminating reading for the professional analyst and for anyone interested in the spiritual and cultural importance of psychoanalysis and analytical psychology Views from the Spectrum Ron Sandison, 2021-05-25 A remarkable inside look at the intersection of faith and autism for parents longing to connect their children with God's love Raising a child with autism is both a challenge and an adventure and sometimes parents need to know there can also be wonderful potential for blessings Views from the Spectrum shares the inspiring

stories of twenty amazing young adults with autism and how each of their family's unwavering support and faith in God led them to accomplish what was thought impossible. As a thriving adult with autism himself, Ron Sandison is determined to educate the world on the gifts and talents autism can cultivate, even when they differ from our expectations of typical success. While it is primarily a much-needed how-to guide for parents of children with special needs, this book is also a stunning view into the world of autism. Readers will witness the courage of Tyler Gianchetta, who rescued his mother from a burning vehicle. They'll marvel at the artistic talent of nonverbal poet and artist Kimberly Dixon, admire the determination of Armani Williams competing as a NASCAR driver, and find encouragement in the many other stories within these pages. In addition to these experiences, Sandison has also interviewed top experts in the autism field and shares their insights here. Sandison weaves narrative with Scripture, sharing his own journey with autism throughout the book. Full of anecdotes, scientific research, parenting tips, prayers, devotions, and more, *Views from the Spectrum* is a celebration of autism, faith, and the possibilities at their intersection.
