

Lopera De Paris

Paul-marie Mason

L'opera De Paris:

L'opera De Rameau Paul-marie Mason,1972-02-21 **Le Guide Musical** ,1880 **The Operatic State** Ruth Bereson,2003-09-02 The Operatic State examines the cultural financial and political investments that have gone into the maintenance of opera and opera houses in Europe the USA and Australia It analyses opera s nearly immutable form throughout wars revolutions and vast social changes throughout the world Bereson argues that by legitimising the power of the state through universally recognised ceremonial ritual opera enjoys a privileged status across three continents often to the detriment of popular and indigenous art forms Gaetano Donizetti James P. Cassaro,2009-07-15 Gaetano Donizetti A Research and Information Guide offers an annotated reference guide to the life and works of this important Italian opera composer The book opens with a complete chronology of Donizetti s life 1797 1848 and career relating it to contemporary events The balance of the book details secondary resources and other works including general sources catalogs correspondence biographical sources critical works production review sources singers and theaters and the individual operas

First Nights at the Opera Thomas Forrest Kelly,2006-05-01 A renowned music scholar narrates the social history of European opera during its golden age in the 18th and 19th centuries by taking readers behind the scenes at the premiere performances of five extraordinary and influential operas 88 illustrations **The Comedians of the King** Julia Doe,2021-03-21 Lyric theater in ancien r gime France was an eminently political art tied to the demands of court spectacle This was true not only of tragic opera trag die lyrique but also its comic counterpart op ra comique a form tracing its roots to the seasonal trade fairs of Paris While historians have long privileged the genre s popular origins op ra comique was brought under the protection of the French crown in 1762 thus consolidating a new venue where national music might be debated and defined In *The Comedians of the King* Julia Doe traces the impact of Bourbon patronage on the development of op ra comique in the turbulent prerevolutionary years Drawing on both musical and archival evidence the book presents the history of this understudied genre and unpacks the material structures that supported its rapid evolution at the royally sponsored Com die Italienne Doe demonstrates how comic theater was exploited in and worked against the monarchy s carefully cultivated public image a negotiation that became especially fraught after the accession of the music loving queen Marie Antoinette *The Comedians of the King* examines the aesthetic and political tensions that arose when a genre with popular foundations was folded into the Bourbon propaganda machine and when a group of actors trained at the Parisian fairs became official representatives of the sovereign or com diens ordinaires du roi Opera in Context Mark A. Radice,1998 These essays by respected scholars examine representative operatic productions from diverse national schools and periods together forming a comprehensive history of the staging techniques of opera over the centuries The Cambridge Companion to French Music Simon Trezise,2015-02-19 France has a long and rich music history that has had a far reaching impact upon music and cultures around the world This accessible Companion provides a comprehensive

introduction to the music of France With chapters on a range of music genres internationally renowned authors survey music making from the early middle ages to the present day The first part provides a complete chronological history structured around key historical events The second part considers opera and ballet and their institutions and works and the third part explores traditional and popular music In the final part contributors analyse five themes and topics including the early church and its institutions manuscript sources the musical aesthetics of the Si cle des Lumi res and music at the court during the ancien r gime Illustrated with photographs and music examples this book will be essential reading for both students and music lovers Bulletin of the New York Public Library New York Public Library,1908 Includes its Report 1896 19 **The Impressionist and the City** Richard R. Brettell,Camille Pissarro,Joachim Pissarro,1992-01-01 Examines the problematic serial nature of Pissarro s urban works Foreword **The Diaries of Giacomo Meyerbeer: The last years, 1857-1864** Giacomo Meyerbeer,1999 Volume 4 is devoted to the last years 1857 64 while age and declining health saw a waning of the composer s personal optimism It contains a series of glossaries listing his compositions and the musical and theatrical works he attended throughout his life as well as a bibliography *Catalogue of the Allen A. Brown Collection of Music in the Public Library of the City of Boston* Boston Public Library. Allen A. Brown Collection of Music,Allen A. Brown Collection (Boston Public Library),1912 D'une scène à l'autre, l'opéra italien en Europe: La musique à l'épreuve du théâtre Damien Colas,Alessandro Di Profio,2009 L op ra italien n a cess de s enrichir au contact de la litt rature fran aise Les changes entre ces deux genres se caract risent par le double jeu de proximit et de distance qui existe entre eux La recherche en dramaturgie musicale claire les questions auxquelles sont confront s traducteurs librettistes et compositeurs dans leur travail de r critique pour la sc ne lyrique italienne *The Companion to The Mechanical Muse: The Piano, Pianism and Piano Music, c.1760-1850* Derek Carew,2016-03-23 Intended as a supplement to The Mechanical Muse The Piano Pianism and Piano Music c 1760 1850 this Companion provides additional information which largely for reasons of space but also of continuity it was not possible or desirable to include in that volume The book is laid out alphabetically and full biographical entries are provided for all musical figures mentioned including composers performers theoreticians and teachers as well as piano makers and publishers of music within the period covered by The Mechanical Muse There are also entries on figures of importance from outside the period but whose influence is palpably important within it such as J S Bach As well as biographical information all these entries contain lists of principal works and a section on further reading so that readers can follow up people and matters of particular interest Also included in The Companion are entries devoted to particular works and other information of relevance such as descriptions of musical forms characteristics of dances and so on as well as some technical information on music and explanations of technical terms pertaining to keyboard instruments themselves and to ways of playing them This Companion is not intended to replace existing reference books such as Grove or Musik in Geschichte und Gegenwart but will be useful for those who desire to know more about a particular topic and do not

necessarily have access to more specialist reference works or time to visit large or specialist libraries As such it is indispensable to users of The Mechanical Muse *Music Glocalization* David Hebert, Mikolaj Rykowski, 2018-06-11 This unique edited volume offers a distinctive theoretical perspective and advanced insights into how music is impacted by the interaction of global forces with local conditions As the first major book to apply the timely notion of glocality to music this collection features robust scholarship on genres and practices from many corners of the world from studies of European opera professions and the oeuvre of several contemporary art music composers to music in Uzbekistan and Indonesia urban street musicians and even the didjeridoo The authors interrogate theories of glocalization distinguishing this notion from globalization and other more familiar concepts and demonstrate how its application illuminates the mechanisms that link changing musical practices and technologies with their social milieu This incisive book is relevant to scholars of many different specializations particularly those with a deep interest in relationships between music and society both past and present More broadly its discussions will be of value to those concerned with how changing policies and technologies impact cultural heritage and the creative approaches of performing artists worldwide Manet/Velázquez Gary Tinterow, Geneviève Lacambre, Metropolitan Museum of Art (New York, N.Y.), Musée d'Orsay, 2003 Here approximately two hundred works by French and Spanish artists chart the development of this cultural influence and map a fascinating shift in the paradigm of painting from Idealism to Realism from Italy to Spain from Renaissance to Baroque Above all these images demonstrate how direct contact with Spanish painting fired the imagination of nineteenth century French artists and brought about the triumph of Realism in the 1860s and with it a foundation for modern art BOOK JACKET Pierre Key's Music Year Book, 1926 **Ballet and Opera in the Age of Giselle** Marian Smith, 2010-08-09 Marian Smith recaptures a rich period in French musical theater when ballet and opera were intimately connected Focusing on the age of Giselle at the Paris Op ra from the 1830s through the 1840s Smith offers an unprecedented look at the structural and thematic relationship between the two genres She argues that a deeper understanding of both ballet and opera and of nineteenth century theater going culture in general may be gained by examining them within the same framework instead of following the usual practice of telling their histories separately This handsomely illustrated book ultimately provides a new portrait of the Op ra during a period long celebrated for its box office successes in both genres Smith begins by showing how gestures were encoded in the musical language that composers used in ballet and in opera She moves on to a wide range of topics including the relationship between the gestures of the singers and the movements of the dancers and the distinction between dance that represents dancing entertainment staged within the story of the opera and dance that represents action Smith maintains that ballet pantomime and opera continued to rely on each other well into the nineteenth century even as they thrived independently The divorce between the two arts occurred little by little and may be traced through unlikely sources controversies in the press about the changing nature of ballet pantomime music shifting ideas about originality complaints

about the ridiculousness of pantomime and a little known rehearsal score for Giselle **Bankers' Directory of the United States and Canada** ,1917 *Berlioz* D. Kern Holoman,1989 A captivating and sumptuously illustrated biography Berlioz is not only a complete account of the Romantic era composer but also an acute analysis of his compositions and a description of his work as a conductor and critic 139 halftones 3 maps 160 musical examples
